As a member of the District Board of Directors I agree to the following commitments while serving the District:

1. To place the community's best interests above my own; to positively promote the purpose of the District as stated in the Bylaws; to forego personal interests when making decisions as a Board member; to act as a fiduciary of the District in financial matters and decisions that may have material effect; and to comply with the District's Conflict of Interest Code as amended biennially.

2. To engage in lawful acts to the best of my ability and to comply with the governing documents of the District and the law.
