

BOARD OF DIRECTORS: Peter C. Fung, MD | Julia E. Miller | Carol A. Somersille, MD | George O. Ting, MD | John L. Zoglin

**AGENDA
MEETING OF THE
EL CAMINO HEALTHCARE DISTRICT BOARD OF DIRECTORS**

Tuesday, May 19, 2026 – 5:30 pm

El Camino Hospital | 2500 Grant Road, Mountain View, CA 94040 | Sobrato Boardroom 1

THE PUBLIC IS INVITED TO JOIN THE OPEN SESSION PORTION OF THE MEETING LIVE AT THE ADDRESS ABOVE OR VIA TELECONFERENCE AT:

1-669-900-9128, MEETING CODE: 972 1891 2110#. No participant code. Just press #.

To watch the meeting, please visit:

[ECHD Meeting Link](#)

Please note that the livestream is for **meeting viewing only** and there is a slight delay; to provide public comment, please use the phone number listed above.

NOTE: In the event that there are technical problems or disruptions that prevent remote public participation, the Chair has the discretion to continue the meeting without remote public participation options, provided that no Board member is participating in the meeting via teleconference.

A copy of the agenda for the Special Board Meeting will be posted and distributed at least seventy-two (72) hours prior to the meeting. In observance of the Americans with Disabilities Act, please notify us at **(650) 988-3218** prior to the meeting so that we may provide the agenda in alternative formats or make disability-related modifications and accommodations.

	AGENDA ITEM	PRESENTED BY	ACTION	ESTIMATED TIMES
1.	CALL TO ORDER/ROLL CALL	John Zoglin, Board Chair	Information	5:30
2.	SALUTE TO THE FLAG	John Zoglin, Board Chair	Information	5:30
3.	POTENTIAL CONFLICT OF INTEREST DISCLOSURES	John Zoglin, Board Chair	Information	5:30
4.	PUBLIC COMMUNICATION a. Oral Comments <i>This opportunity is provided for persons desiring to address the Board on any matter within the subject matter jurisdiction of the Board that is not on this agenda. Speakers are limited to three (3) minutes each.</i> b. Written Public Comments <i>Comments may be submitted by mail to the El Camino Hospital District Board of Directors at 2500 Grant Road, Mountain View, CA 94040. Written comments will be distributed to the Board as quickly as possible. Please note it may take up to 24 hours for documents to be posted to the agenda.</i>	John Zoglin, Board Chair	Information	5:30
5.	<u>ECHD COMMUNITY BENEFIT</u> - FY27 Budget and Use of Funds Discussion - FY27 Community Benefit Plan Preview	Jon Cowan, Executive Director, Government Relations and Community Partnerships	Discussion	5:30 – 6:10

Agenda: El Camino Healthcare District

18.	CONSENT CALENDAR a. Approve Minutes of the Open Session of the District Board Meeting (03/10/2026) b. Approve Resolution 2027-07 – FY27 Meeting Dates c. Approve Compensation Agreement for Sunnyvale Town Center Parcels d. Receive ECHD Sponsorships (March - April) e. Receive FY26 Midyear Grant Performance and Community Benefit Update f. Receive FY26 Pacing Plan	John Zoglin, Board Chair	Motion Required	8:07 – 8:10
19.	BOARD ANNOUNCEMENTS	John Zoglin, Board Chair	Information	8:10 – 8:15
20.	ADJOURNMENT Appendix	John Zoglin, Board Chair	Motion Required	8:15

Next Meetings: June 23, 2026

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING COVER MEMO

To: El Camino Healthcare District Board of Directors
From: Jon Cowan, Executive Director, Government Relations & Community Partnerships
Date: May 19, 2026
Subject: FY2027 Community Benefit Plan

Purpose: To provide the Board with an opportunity to discuss Community Benefit grant processes.

Summary:

1. **Situation:** To provide 1) additional information about the FY2027 Community Benefit grant recommendation process for Board discussion and 2) an opportunity to provide staff with full Board direction.
2. **Authority:** Board requested a Study Session to further focus on next fiscal year's grant portfolio and grant recommendation process.
3. **Background:** Board requested additional information on decision-making process for funding recommendations.

FY2027 Summary:

- 101 proposals requested: \$16,744,462.54
- 75 proposals recommended for funding: \$10,240,000
 - Total unfunded: \$6,504,462.54

Grant Proposal Timeline:

- December 11, 2025: ECHD Community Benefit Grant Guide and FY2027 application released online with community/grantee notification; submission deadline: February 27, 2026
 - March – April: Staff proposal assessment and summary development (see *FY2027 Proposal Index and Summaries*) with funding recommendations
 - April 15, 2026: Community Benefit Advisory Council (CBAC) proposal meeting
4. **Other Reviews:** CBAC provided funding recommendations which are reflected on the Proposal Index and Summaries.

List of Attachments:

1. Study Session: FY2027 ECHD Community Benefit Plan
2. Dual Funded Programs Summary
3. FY2027 Proposal Index and Summaries (in [Appendix](#))

Study Session:
FY2027 ECHD
Community Benefit Plan

Jon Cowan, Executive Director,
Government Relations & Community Partnerships
May 19, 2026

Key Assumptions for FY2027 Community Benefit Budget

- Proposed approach for FY2027 is to spend close to the Gann limit. Underlying rationale is to increase the ability to recommend high-quality Community Benefit grant applications for funding
- In making recommendations for FY2027 grants, staff reviewed grant applications rigorously and believes the full amount recommended for funding can be properly spent in alignment with the Community Benefit program

Budgeted to Be Spent on Community Benefit Programming	Logic
\$11,430,000	<ul style="list-style-type: none"> \$10,430,000 with minimal placeholder for grants (\$100k) and \$90k for sponsorships \$1,827,000 for additional grants, a 21.7% increase over FY 2026 Maintain \$1 million for population health work

FY2027 Community Benefit Proposed Budget – Detail

FY2027 (Proposed)

Grants \$10,240,000

Sponsorships \$90,000

Placeholder \$100,000

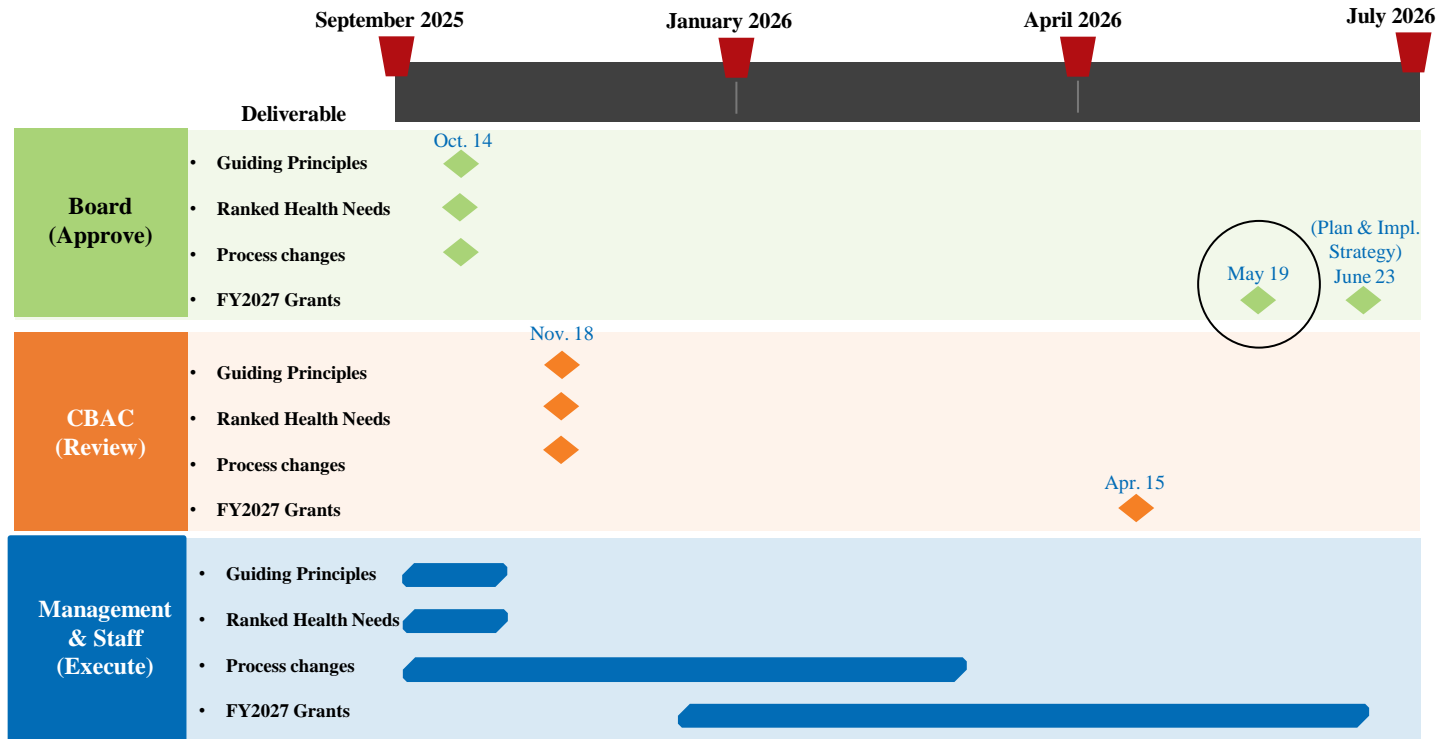

Grant Program Subtotal \$10,430,000

Population Health \$1,000,000

Community Benefit Programming Subtotal \$11,430,000

Timeline for District Community Benefit

Guiding Principles for Evaluating and Prioritizing Appropriateness of Grant Proposals

Required

1. Serve those who live, work or go to school in El Camino Healthcare District's targeted geography
2. Demonstrate a competence and capacity to address at least one of the identified health needs
3. Focus primarily, but not exclusively, on the results of increasing access to healthcare services, behavioral health services, as well as the management of rising risk chronic health conditions (diabetes, obesity, cardiovascular disease, cancer, and respiratory conditions)
4. Have an emphasis on populations that are underserved, experiencing health disparities, and/or facing health challenges

Preferred

5. Aim to reflect the diversity of El Camino Healthcare District's targeted geography
6. Focus on operational programmatic costs for service delivery, over capital campaigns
7. Emphasize locally focused vs. national organizations
8. Emphasize the most effective and impactful programs while welcoming new and innovative applicants

ECHD Ranked & Prioritized Health Needs

Health Need	FY2025 Approved	FY2026 Approved	FY2027 Approved
Healthcare Access & Delivery (including oral health)	51%	50%	~50%
Behavioral Health (including domestic violence & trauma)	24%	22%	~25%
Diabetes & Obesity	15%	15%	~15%
Chronic Conditions (other than diabetes & obesity)	5%	6%	~5%
Economic Stability (including food insecurity, housing & homelessness)	6%	7%	~5%

Proposal Evaluation Process

Top three factors that are referenced during the grant evaluation process

Proposal Evaluation Process (continued)

Proposal evaluation criteria:

- Alignment with ECHD priorities
- Addressing community needs
- Applicant capability
- Proposal quality
- Impact and evaluation plan
- Budget request
- Evidence-based programming
- Financial need of applicant
- Brand alignment (i.e. will not reflect negatively on reputation, brand)

Proposals were also evaluated in context of those in each health need, then grouped by their proximity to the median for review in the grant index.

Context on Impact & Evaluation and Budget Request Criteria

- **Evaluate relative efficiency of proposed use of funds:**
 - Look at overall cost per service and impact/reach in terms of individuals served
 - Consider delivery model and type of agency (wide range of program and agency types)
 - Must pass a subjective reasonability test based on understanding of program and agency type relative to fund requests
- **Realistic & reasonable Volume Metrics and Improved Outcomes:**
 - No specific benchmark exists that says “x%” of individuals served expect to see an improved outcome
 - These will vary based on program type and proposed collective impact and outcome metric
 - Evaluate that proposed metrics are in-line with what would be expected for program model, size, and funding amount
- **Commensurate impact for increased funding requests from existing grantees:**
 - Not always linear and can’t necessarily expect it to be (often depends on what the additional funds are for – sometimes new or innovative program component; or sometimes an ‘amplifier’ resource)
 - When YoY funding increases are requested, ensure the proposed metrics are scaled accordingly
- **Ensure Geographic Alignment with ECHD**
 - When agencies are not physically located in ECHD boundaries (headquarters and/or program delivery sites), ensure that the program delivery approach targets ECHD constituents and that agency has clear way to track this

Distinct Opportunity to Fill Gaps for What is Needed Now

- ECHD Board guidance to allocate a significant increase in total grant funding for FY2027.
- Staff implemented a communication strategy, messaging, and targeted outreach for potential applicants to consider requests for more needed funds, to add elements, enhance and/or complement current programming and/or propose new or innovative ideas.
- The application form was enhanced to allow for gathering additional information about the funding landscape of applicants to allow staff to more thoroughly evaluate requests for additional funding.
- ECHD is uniquely positioned in offering more support as local nonprofits are grappling with an overall decline in federal funding, implementation adjustments due to immigration-related fears, and challenges with elevated community needs.

FY2027 Summary of Proposals Portfolio

ECHD Grants Grouped by Health Need*

*Percentages may not sum to 100% due to rounding. Total approved presented is rounded total.

Health Need	FY2026 Approved	FY2026 %	FY2027 Proposed	FY2027 %
Healthcare Access & Delivery	\$4.226 million	50%	\$4.969 million	49%
Behavioral Health	\$1.878 million	22%	\$2.602 million	25%
Diabetes & Obesity	\$1.261 million	15%	\$1.451 million	14%
Chronic Conditions (other than diabetes & obesity)	\$474,600	6%	\$420,400	4%
Economic Stability	\$573,600	7%	\$797,100	8%
Total	\$8.413 million		\$10.240 million	

FY2027 Strategy Highlights

Drivers for Funding Increases and Strategic Investments

- **Comprehensive Safety-Net and Primary Care Capacity:** High-dollar investments prioritize Federally Qualified Health Centers (FQHCs) and community clinics to absorb increased patient volume, particularly for uninsured, underinsured, and Medi-Cal populations requiring integrated medical, dental, and behavioral health services (e.g., Ravenswood Family Health Network, Valley Health Foundation/Santa Clara Valley Healthcare, RotaCare).
- **Backfilling Public Funding Health Deficits:** A primary driver for increased funding recommendations is the mitigation of severe revenue reductions from federal, state, county, and municipal sources. This ensures continuity of critical safety-net services (e.g., Planned Parenthood Mar Monte, Day Worker Center, Ravenswood Family Health Network).

FY2027 Strategy Highlights (continued)

Drivers for Funding Increases and Strategic Investments

- **Aging in Place and Geriatric Behavioral Health:** Funding heavily supports intensive case management paired with embedded behavioral health clinicians to address rising acuity in older adults, specifically targeting isolation, dementia, cognitive decline, and housing instability (e.g., Avenidas, Community Services Agency, Sunnyvale Community Services).
- **Expansion of School-Based Health Continuums:** Additional investments are directed toward expanding school-based multi-tiered systems of support infrastructure addressing the higher acuity needs of students and their families. This includes moving beyond basic counseling to establish comprehensive behavioral health continuums, School-Based Intervention Teams (SBITs), and enhanced nursing protocols for medically fragile and special education students (e.g., Mountain View Whisman, Sunnyvale, Mountain View Los Altos and Los Altos School District, Cupertino Union School District).

FY2027 Strategy Highlights (continued)

Drivers for Funding Increases and Strategic Investments

- **Workforce Initiatives:** Internships and financial support for students with a particular focus on clinical and other health care related roles (e.g., El Camino Health Economic Opportunity Internship, Foothill-De Anza Community College Foundation).
- **Behavioral Health Supports for Legal System Involved Youth and Families:** Advocacy and support for children and families involved with the Department of Family and Children Services including foster care, domestic violence programs, juvenile justice involved, teen parents or family court (e.g., Child Advocates of Silicon Valley, Lotus Family Services).

FY2027 Strategy Highlights (continued)

Drivers for Funding Increases and Strategic Investments

- **Expansion of Mobile and Access for Safety-Net Care:** Funding to address the "wage vs. wellness dilemma," increase accessibility of care providers to neighborhoods and reduce emergency department utilization through non-traditional, mobile care delivery models (e.g., RotaCare, Health Mobile, On-Site Dental).
- **Public Benefits Navigation to Address Changing and Complex Requirements:** Advocacy and legal services for economically unstable individuals and families facing barriers to access public benefits such as healthcare and housing to promote self-sufficiency which complements and enhances the currently ECHD-supported safety-net case management (e.g., Sunnyvale Community Services, Community Services Agency MVLA, Law Foundation).

FY2027 Strategy Highlights (continued)

Drivers for Funding Increases and Strategic Investments

- **Crisis Intervention and Harm Reduction:** Strategic funding supports mobile crisis response teams and substance use navigators designed to stabilize individuals experiencing behavioral health crises in the community, thereby reducing unnecessary law enforcement involvement and emergency department utilization (e.g., Momentum Trusted Response Urgent Support Team (TRUST), ECH Substance Use Navigator (SUN) Program).

Advancing New Programs & Engaging with Promising Partners

- **Expansion of El Camino Health Economic Opportunity Internship** program to provide professional opportunities in healthcare for local young adults at the El Camino Health Mountain View campus.
- **Strengthening the Radiologic Technologist Pathway and addressing workforce capacity** through financial assistance to support RadTech students at Foothill College with completing program and certifications.
- **New grant support for El Camino Health Substance Use Health Navigator** for crucial post-emergency department (ED) visit support for individuals diagnosed with substance use disorders to reduce repeat ED visits, improve patient engagement with treatment services, and connect patients with essential community resources.

Staff Innovation Grants (SIG) Highlights

Program	Description	Status
El Camino Health: Economic Opportunity Internship Program	Initially launched in FY2023 through an impactful ECH grant. This expansion to ECHD supports recruitment, wages and food vouchers for interns, providing professional opportunities in healthcare for local young adults at the El Camino Health Mountain View campus.	New for FY27
El Camino Substance Use Navigator Program	The new grant provides crucial post-emergency dept. (ED) support for individuals with substance use disorders. The program aims to reduce repeat ED visits, improve patient engagement with substance use treatment services, and connect patients with community resources.	New for FY27
Health Care Navigation Specialist	The Health Care Navigation Specialist in the Care Coordination Department has continued to successfully connect patients with services in the community and collaborate with ECHD partner agencies to obtain essential care to help to prevent hospital re-admissions and further health deterioration.	Continue for FY27* <i>*recommend for 2-year grant</i>
El Camino Health District Population Program Manager	The Population Health Program Manager role will be moved out of grants this year to a more well-aligned area of the Community Benefit budget. The continuation of the initiative represents a foundational investment in the population health infrastructure, measurement, and scalable prevention programming.	Continue and <u>move out</u> of grants for FY27

FY2027 Proposed Two-Year Grants

- In October 2026, ECHD Board approved an update to the FY2027 Grants Policy to **increase the total allowable percentage of two-year grants from 30% to 60%**.
- Staff evaluated the current portfolio and identified additional grant categories of high-performing, long-standing, and District focused agency grants to propose for the FY27-FY28 two-year grant cohort.
- The current FY26-FY27 two-year grant cohort will continue and have no changes

Current FY26-FY27 Cohort	Proposed FY27-FY28 Cohort	Rationale for new categories
Community Services Agency Case Management and Safety-Net Programs School Healthcare Programs School Behavioral Health Programs	District Location-Based Agency Programs Staff Innovation Grants Clinics/FQHC Safety-Net	All are agencies and grants that have a longstanding history of high-performance and are focused and located in the District. Adding the three additional groups of grants provides more stability and support for the grants and agencies that are focused on the District.

Recommended New Two-Year Grants FY27-28

Health Need	Agency	Program
Healthcare Access	El Camino Health - Care Coordination	Health Care Navigation Specialist
	Planned Parenthood Mar Monte	Access to Care at PPM's Mountain View Health Center
	Ravenswood Family Health Network	Primary Healthcare, Dental, Integrated Behavioral Health Services and Chronic Condition Management services to Low-Income Residents of El Camino Healthcare District
	Valley Health Foundation	Dental Services in Sunnyvale and Mountain View
Behavioral Health	Avenidas	Avenidas Rose Kleiner Adult Day Health Program
Diabetes & Obesity	City of Sunnyvale - Columbia Neighborhood Center	ShapeUp Sunnyvale
	Living Classroom	Healthy Gardens, Healthy Minds: School-Based Environmental Education & Nutrition
	YMCA of Silicon Valley	YMCA Summer Camp
Economic Stability	Day Worker Center of Mountain View	Healthy Meals Program
	Hope's Corner Inc	Healthy Food for Hope
	Mountain View Police Department's Youth Services Unit	Dreams and Futures

Reasons that applications are not recommended for funding

In addition to key factors such as availability of funds, approved percentage allocations by health need, and our desire to maintain support for key organizations in the District, some other recurring themes arose for reasons why new applicants were not recommended for funding:

1. Lack of alignment with the Implementation Strategy and selected health needs
2. Lack of clarity on how the proposed program will impact health outcomes for targeted populations
3. Budget not aligned with stated goals, not clear on proposed use of funds, or requested amount is not reasonable
4. Service limited to a low number of people and high cost per person/service

Reasons that applications are recommended for partial funding

Several common reasons that an application may be recommended for partial funding surfaced through the review process. Some themes that consistently emerge as justification for partial, rather than full funding of grant requests:

1. New organization, new program, or new program element for an existing Community Benefit Grant Program may be recommended for funding at a lower level to assess performance, organizational capacity, and community impact before considering full funding in future cycles
2. Maintaining parity among similar programs
3. Requested amount exceeds ECHD's typical investment relative to program size or scope
4. Overall anticipated impact of ECHD's funds, such as when the program is well-funded by other sources, or the ECHD request is a small percentage of the total program budget
5. Specific budget details, particularly if certain line items are lower impact to the program or are things the ECHD program does not fund

CBAC Feedback – Key Themes

- CBAC provided input that the new navigation grants for application and enrollment assistance for government benefits including Medi-Cal, Medicare, SSDI, CalFresh, and others, are an efficient and effective use of funds to help address barriers to access public benefits such as healthcare and housing to promote self-sufficiency and ongoing economic stability.
- For next grant cycle, assess the gaps in the grant portfolio for addressing vulnerable populations. Specifically, explore the Intellectual and Developmental Disabilities-focused agencies and/or services in the District.
- Requested follow up on what dental screenings are currently provided by school nurse programs and ascertain if there is a gap for preventive screenings and care navigation.
- Elevated the importance of setting expectations with agencies receiving increased or additional funds to signal that future grant funding levels are not guaranteed and decisions may be based on future changes to federal funding.
- Surfaced the importance of having a process for monitoring / course correction for grants which have additional scrutiny due to potential reputational risks, while also balancing the need for supporting organizations serving challenging needs and populations.

Board Discussion

Appendix

Updated Guidance to FY27 Grant Applicants

Background

- Historically, we have not signaled additional funds may be available, and if asked have suggested nominal increases in grant requested dollar amounts are more feasible

Proposed Changes to Guidance for FY27

- In response to a grant budget increase in FY26 and an anticipated (although TBD) increase in FY27, we see an opportunity to signal new guidance to FY27 ECHD grant applicants.
- Two concrete plans:
 1. **Communications to ECHD Grantees:** email ECHD grantees and prospective applicants with guidance that additional funding that is expected to be available
 2. **Promote Innovation:** encourage as an option to grantees to apply for a new program that complements their existing program if they wish to do so (vs. just asking for more funding for existing program)

FY2027 Grant Application Pre-announcement - District Additional Funds Email

Dear Community Partner,

We have exciting news to share ahead of the FY2027 El Camino Healthcare District and El Camino Health Community Benefit Grant Application, which will open later this week.

For FY2027, we anticipate substantial additional funding to help mitigate federal funding cuts will be available for the [El Camino Healthcare District Community Benefit Grant Program](#). Organizations applying to the District should apply for increased funds if needed. Additionally, District grantees are encouraged to consider requests for new or innovative programming that may complement an existing El Camino Healthcare District funded program.

You will receive an email later this week officially announcing the opening of the FY2027 El Camino Healthcare District and El Camino Health Community Benefit Grant Applications, and please keep in mind this information about District funding when completing your applications. The email will include important application information, including the application link, details on the upcoming information sessions next month, and resources to help guide you through the application.

Please reach out to us with any questions. Thank you for your hard work and commitment to the health of our community.

Warm regards,
Tim Daubert
Director, Community Partnerships

Policy Change: Increasing Allowable Two-Year Grants

In October 2026, ECHD Board approved an update to the FY2027 Grants Policy to **increase the total allowable percentage of two-year grants from 30% to 60%**. The rationale for the change was based on the successful implementation of two-year grants starting in FY24, as well as CBAC guidance last year to consider flexibility for additional two-year grants based on eligibility criteria.

- Following prior CBAC feedback, staff evaluated the potential expansion of the two-year grant term to additional grants and increasing the total aggregate amount of annual Implementation Strategy Report and Community Benefit Plan approved by the ECHD Board.
- Adopting an increase for additional two-year grant funds aligns with the tactics in the ECHD Strategic Framework to show longer-term impact of grants to address large scale community health issue over multiple years.
- Staff found that the ECHD portfolio has had consistent grantees over the last ten years while supporting innovative funding opportunities. A vast majority of grantees have been funded for 3+ years.
- Staff evaluation found that the initial implementation of two-year grants was successful, and the recommendation to continue two-year grants was approved for FY26.

Continuing FY26-27 Grants

Health Need	Agency	Program
Healthcare Access	Cupertino Union School District	Student Health Services
	Mountain View Whisman School District	Student Health Services
	Sunnyvale School District	Student Health Services
Behavioral Health	Pacific Clinics	School-Based Intervention Teams
	Cupertino Union School District	Mental Health Counseling Program
	Los Altos School District	Mental Health Counseling Program
	Mountain View Los Altos Union High School District	Mental Health and Case Management Services
Chronic Conditions	Community Services Agency of Mountain View-Los Altos	Senior Services Intensive Case Management Program
Economic Stability	Sunnyvale Community Services	Social Work Case Management/Homebound Case Management
	Sunnyvale Community Services	Comprehensive Safety-Net Services

51% of Total Recommendations in Two-Year Grants: FY26-FY27 & FY27-FY28

Community Partner Convening | Summary

Building Stronger Partnerships to Address Diabetes & Obesity – *Driving Cross-Agency Collaborations*

Participants: 22 attendees from 15 partner agencies delivering diabetes and obesity programs funded through the El Camino Health and El Camino Healthcare District grant program

Format: Presentations, Panel, Small-group break-out session activity, Group discussions

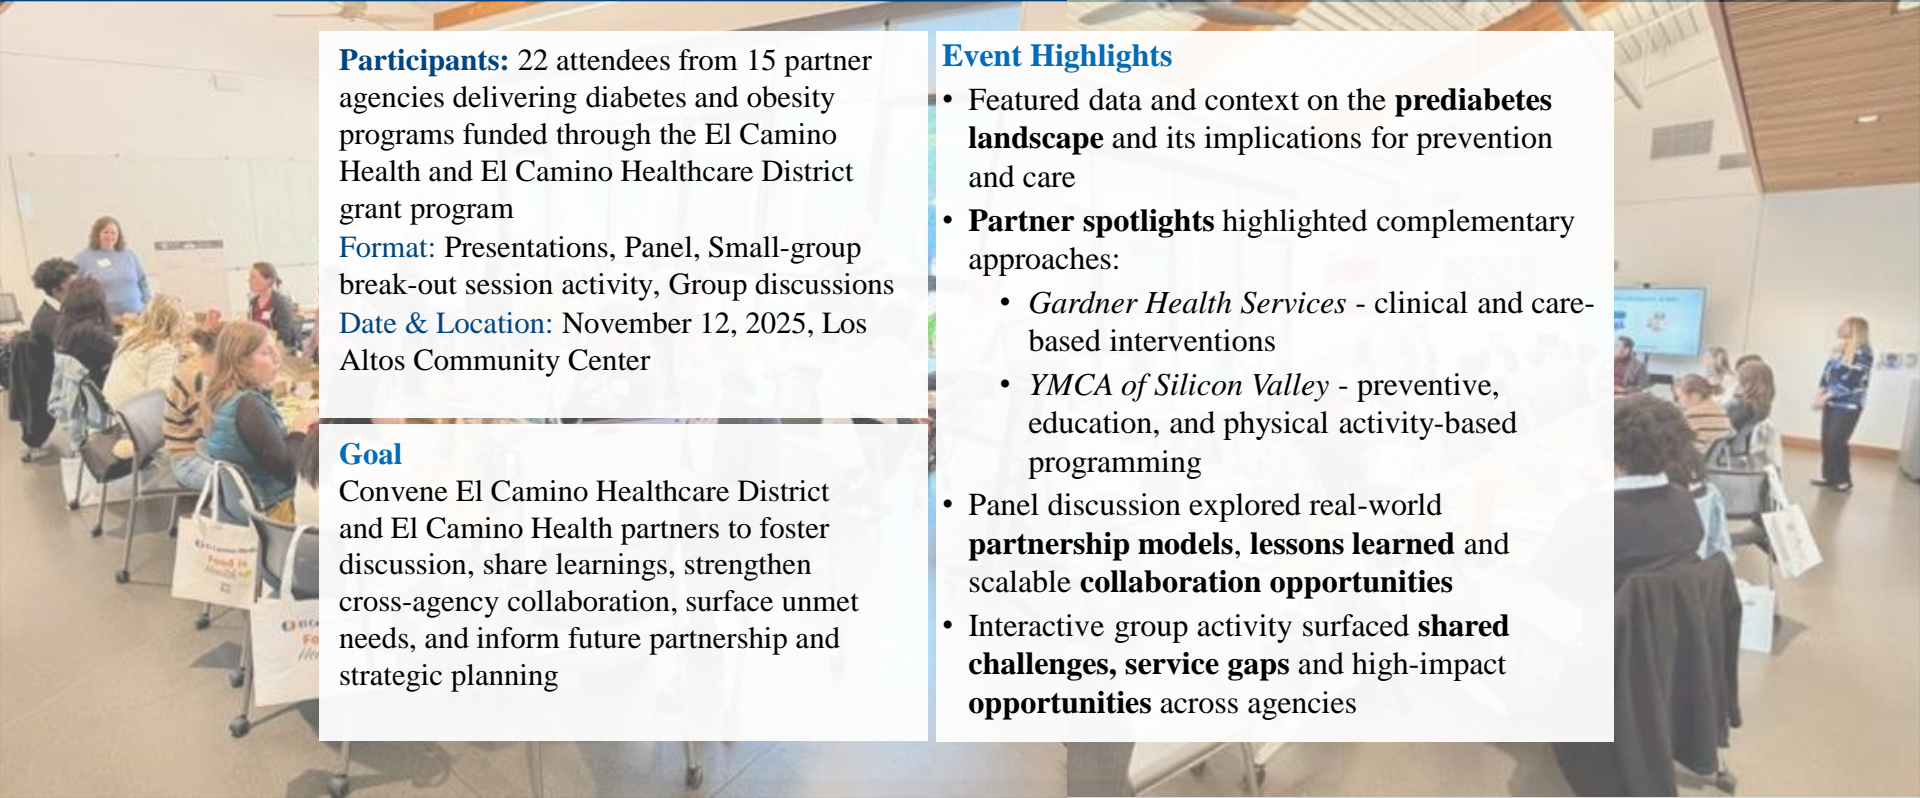

Date & Location: November 12, 2025, Los Altos Community Center

Goal

Convene El Camino Healthcare District and El Camino Health partners to foster discussion, share learnings, strengthen cross-agency collaboration, surface unmet needs, and inform future partnership and strategic planning

Event Highlights

- Featured data and context on the **prediabetes landscape** and its implications for prevention and care
- **Partner spotlights** highlighted complementary approaches:
 - *Gardner Health Services* - clinical and care-based interventions
 - *YMCA of Silicon Valley* - preventive, education, and physical activity-based programming
- Panel discussion explored real-world **partnership models, lessons learned** and scalable **collaboration opportunities**
- Interactive group activity surfaced **shared challenges, service gaps** and high-impact **opportunities** across agencies

Community Partner Convening | Key Themes, Takeaways & Action Steps

Key Themes Identified

Collaboration is Essential

Stronger cross-sector partnerships are needed to align efforts, extend reach and reinforce consistent health messaging

Access Drives Outcomes

Food insecurity, cost and limited access to culturally relevant prevention resources remain major barriers to addressing diabetes and obesity

Prevention & Environment Matter

Early education, physical activity and access to safe, supportive environments are critical but constrained by limited funding and systems

Key Takeaways & Action Steps

Partners want to grow

Many expressed interest in expanding current programs and reaching additional communities. However, federal and state funding uncertainty may affect opportunities to scale

Opportunity to strengthen connections

Partners are looking for clearer referral pathways and more connection across agencies to better serve clients

High engagement and interest

The convening was well received, and partners are interested in staying connected and learning from one another

Action Steps:

- Continue dialogue with grantees and facilitate introductions to support collaboration and referrals
- Captured grantee feedback – during and after the convening – that indicated strong interest in future convenings

FY2027 Dual Programs Request Summary (1 of 2)

Health Need	Agency	Requested	CBAC Recommended
Healthcare Access & Delivery	Anewvista Community Services	\$50,000	\$30,000
Diabetes & Obesity	Bay Area Women's Sports Initiative	\$45,565	\$45,000
Diabetes & Obesity	California University-Silicon Valley	\$29,999	DNF
Diabetes & Obesity	Chinese Health Initiative	\$300,404	\$285,000
Behavioral Health	Counseling and Support Services for Youth	\$55,000	DNF

NOTE: Accounting standards require that audited financial statements for El Camino Healthcare District be presented in consolidated format, including El Camino Hospital and its controlled affiliates. In an effort to help ensure public accountability and further ensure the transparency of the District’s operations, the District also prepares internal, “Stand-Alone” financial statements which present information for the District by itself.

FY2026 YTD P9: Factors Driving Negative Net Income

- ❑ **Property Tax Revenue:**
 - ❑ Budget was flat-lined but last year 33% of the revenues were recorded in the 4th quarter. For FY2027 we will budget based upon when dollars are received.

- ❑ **Community Benefit Expense:**
 - ❑ The budget in FY2025 was \$8.1M and was increased in FY2026 to \$10.0M. The timing of ramping of the new programs is not happening as anticipated.

(Dollars in Thousands)
\$2,766k (actual) vs \$7,703k (budget) = \$4,937k unfavorable to budget

El Camino Healthcare District

Notes to **Stand-Alone** Financial Statements

Page 1 of 4

- (1) **Cash & Short Term Investments** – The decrease from June 30 is due to funding of capital outlay and timing of property tax receipts.
- (2) **Due from Retiree Health Plan** – The monies due from Trustee for District’s Retiree Healthcare Plan.
- (3) **S.C. M&O Taxes Receivable** – The negative is due to cash receipts for M&O received in January, being higher than our estimate receivable
- (3a) **Other Current Assets** – Inter-company liability with affiliates.
- (4) **Operational Reserve Fund** – Starting in FY 2014, the Board established an operational reserve for unanticipated operating expenses of the District.
- (5) **Capital Appropriation Fund** – The increase is due to the establishment of the year-end FY24 funding set aside for the completion of the MV Campus.
- (6) **Capital Replacement Fund** – Formerly known as the Plant Facilities Fund (AKA - Funded Depreciation) which reserves monies for the major renovation or replacement of the portion of the YMCA (Park Pavilion) owned by the District.

*These financial statements **exclude** the District’s El Camino Hospital Corporation and its controlled affiliates*

El Camino Healthcare District

Notes to **Stand-Alone** Financial Statements

Page 2 of 4

- (7) **Community Partnership Fund** – This fund retains unrestricted (Gann Limit) funds to support the District’s operations and primarily to support its Community Partnership Programs.
- (8) **Funds Held by Trustee** – Funds from General Obligation tax monies, being held to make the debt payments when due.
- (9) **Capital Net Assets** - The land on which the Mountain View Hospital resides, a portion of the YMCA building, property at the end of South Drive (currently for the Road Runners operations), and a vacant lot located at El Camino Real and Phyllis.
- (10) **Bond Interest Payable** – The decrease is a timing issue and will increase in subsequent months to be comparable to the June 30 amount.
- (11) **Fund Balance** – The positive fund balance is a result of the General Obligation bonds which assisted in funding the replacement hospital facility in Mountain View. Accounting rules required the District to recognize the obligation in full at the time the bonds were issued ; receipts from taxpayers will be recognized in the year they are levied. Change is due to transfer of capital outlay to the hospital and IGT funding receipts.
- (12) **Other Operating Revenue** – Lease income from El Camino Hospital for its ground lease with the District.
- (13) **Taxes: Redevelopment, M&O, G.O.** – Tax receipts during the period. G.O. Taxed Levied for Debt will catch up in January as the semi-annual disbursement will occur from the County.

*These financial statements **exclude** the District's El Camino Hospital Corporation and its controlled affiliates*

El Camino Healthcare District

Notes to Stand-Alone Financial Statements

Page 3 of 4

(13) **IGT/PRIME Expense** – Payments in support of the PRIME or IGT programs.

(14) **Wages & Benefits** – IRS regulations require that board of directors be compensated as employees.

(15) **Professional Fees & Services** – Actual detailed below:

• Community Partnership Support from ECH (54% of SW&B)	\$ 375
• Communications Support for District	176
• Voting Machine	23
• Committee Meeting	10
• Other / Bond filing cost	4
	<u>\$ 588</u>

(16) **Supplies & Other Expenses** – Actual detailed below:

• Marketing	119
• LAFCO & CSDA	32
• Bank Fees	23
• Education and Other	7
	<u>\$ 181</u>

These financial statements exclude the District's El Camino Hospital Corporation and its controlled affiliates

El Camino Healthcare District

Notes to **Stand-Alone** Financial Statements

Page 4 of 4

- (18) **G.O. Bond Interest Expense** – It is to be noted that on March 22, 2017 the District refunded \$99M of its remaining \$132M 2006 G.O. bond issue. Refunding of the 2006 G.O. debt, given current interest rates, caused a net present value savings of \$7M.
- (19) **Community Partnership Expenditures** – Starting in FY2014, the District is directly operating its Community Partnership Program at the District level. This represents amounts expended to grantees and sponsorships thus far in this fiscal year. Note the major payments to recipients are made in August & January of the fiscal year.
- (20) **IGT/PRIME Funding** – Transfers from ECH for participation in the PRIME or IGT program thus far in FY 2026.
- (21) **Capital Appropriation Projects Transfer** – Net increase of last year transferred out and establishing current year.

*These financial statements **exclude** the District's El Camino Hospital Corporation and its controlled affiliates*

(4) Capital Appropriation Fund	• Excess amounts over the Gann Limit are restricted for use as capital
(5) Operating Expenses	• Expenses incurred in carrying out the District’s day-to-day activities
(6) Capital Replacement Fund	• Fund to ensure that the District has adequate resources to fund repair and replacement of its capital assets (Park Pavilion)

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING COVER MEMO

To: El Camino Healthcare District Board of Directors
From: Raju Iyer, Chief Financial Officer
 Michael Walsh, Controller
Date: May 19, 2026
Subject: FY27 Preliminary Budget Presentation

Purpose:

Review the FY2027 Preliminary Budget for El Camino Healthcare District in advance of the proposed approval request at the June 23, 2026 Board meeting.

Summary:

Management developed the FY27 Preliminary Budget using FY2025 audited results, FY2026 projected performance, and anticipated revenue and expense trends for the fiscal year beginning July 1, 2026.

The attached presentation summarizes:

- Revenues and expenses
- Sources and uses of funds
- Key budget assumptions
- Three-year balance sheet comparison

The FY27 Preliminary Budget projects total net revenue of \$36.4 million, an increase of \$2.2 million (6.5%) over the FY26 projection. The increase is primarily driven by growth in property tax revenues and investment income.

Total expenses are projected at \$27.9 million, an increase of \$4.0 million (16.9%) over FY26 projections. Key expense drivers include:

- Increased Community Benefit Program funding
- Higher management support costs
- Strategic consulting and purchased services
- Inflationary impacts on operating expenses

FY27 net income is projected at approximately \$8.5 million.

Additional budget highlights include:

- Community Benefit Program funding of \$11.4 million
- Investment income based on a projected 5.3% return on average cash balances
- Continued participation in the IGT–Medi-Cal (PRIME) program
- Projected year-end total assets of \$123.5 million
- Projected fund balance of \$22.0 million

The attached presentation provides additional detail regarding fund allocations and financial assumptions.

ECHD FY27 Preliminary Budget Presentation
May 19, 2026 | pg. 2

Outcomes:

Board review and discussion of the FY2027 Preliminary Budget will provide management with feedback in advance of the final budget proposed for approval at the June 23, 2026 Board meeting.

Major Assumptions – El Camino Healthcare District in (000s)

- Other Operating Revenue is based on the existing ground lease agreement.
- The Unrestricted M&O Property Taxes are budgeted based upon the Tax Appropriation Limit (Gann Limit).
- Operating Expenses are based on historical payment information with adjustments made for non-recurring expenses.
- Management Fee - Community Benefit Support along with Legal, Strategy Accounting and Governmental:

Management Fee	FY 2025	FY 2026	FY 2027
5 FTE's Community Partnership 45% of SW&B	422	500	500
Management support	-	-	200
Total Management Fee	\$ 422	\$ 500	\$ 700

Community Benefit	FY 2025	FY 2026	FY 2027
Grants	7,840	8,413	10,240
Sponsorships	90	90	90
Placeholder	120	497	100
Grant Program Subtotal	\$ 8,050	\$ 9,000	\$ 10,430
Population Health	\$ -	\$ 1,000	\$ 1,000
Total Community Benefit	\$ 8,050	\$ 10,000	\$ 11,430

- District's budgeted dues are expected to remain a constant of LAFCO at an amount of \$25,000 and \$10,000 for California Special Districts Association.
- Expenses related to the G.O. bonds are based on the 2006 and 2017 G.O. Refunding outcomes and required payment schedules.
- Investment income is based on the expected return rate provided by our Investment Consultant of on an average cash balance of \$83M.
- Community Benefit expenditures are based on the Community Benefit plan.
- IGT – Medi-Cal (PRIME) program - It is expected that the District/Hospital will participate in the program again this year.

**EL CAMINO HEALTHCARE DISTRICT
BOARD MEETING MEMO**

To: El Camino Healthcare District Board of Directors
From: Ken King, CAO
Date: May 19, 2026
Subject: FY2024 District Capital Outlay Fund Discussion & Possible Motion

Purpose: The purpose of this item is to review and discuss the qualifying projects that the District Board will consider allocating Capital Outlay funds from the FY 24 fund year.

Summary:

1. **Situation:** The El Camino Healthcare District has **\$14,278,340** of Capital Outlay Funds from fiscal year 2024 that must be allocated for use within a two-year period. Note that expenditure from the Capital Outlay Fund must be for a capital land/building project or equipment that has a cost of greater than \$100,000 and a useful life of 10 years or more.
2. **Authority:** The El Camino Healthcare District Board is required to allocate these funds for a qualifying capital project.
3. **Background:** The District Board has been allocating Capital Outlay Funds each year in June with a recommendation from Hospital Management. This year we are providing a list of qualifying projects for the District Board to discuss with Management before a recommendation is made in June.
4. **Assessment:** For reference see below how the El Camino Healthcare District Capital Outlay Funds have been allocated since FY 2014.

2014	9,297,651	June-16	Women's Hospital Expansion
2015			
2016	6,174,291	June-18	Women's Hospital Expansion
2017	6,958,521	June-19	Women's Hospital Expansion
2018	7,830,671	June-19	Women's Hospital Expansion
2019	8,988,967	June-21	Campus Completion Project
2020	9,705,831	June-22	Campus Completion Project
2021	11,128,800	June-23	Campus Completion Project
2022	11,528,369	June-24	Women's Hospital Expansion
2023	13,045,226	June-25	Women's Hospital Expansion
Totals	54,834,729		Women's Hospital Expansion
Totals	29,823,598		Campus Completion Project

District Capital Outlay Fund Discussion
May 19, 2026 | pg. 2

The projects that Management has identified as qualifying projects include the following:

1. MV Willow Pavilion Modernization – Early Stages and not yet approved
 2. MV Campus Completion Project – Includes Wing J, Project in process.
 3. Oak Pavilion Cancer Center Expansion – Design in process, not yet fully funded.
 4. Tenant Improvements for 399 W. El Camino Real – Design in process, not yet fully funded
 5. Tenant Improvements for 595 Lawrence Expressway – Early Stages and not yet approved
5. Outcomes: The District Capital Outlay funds can only be used for the “qualifying elements” of the project that are outlined in the Public Contract Code. These qualifying elements include the design and construction management services, permits and inspections as well as construction so long as it’s publicly noticed and publicly bid.

RECOMMENDATION: Should the District Board wish to make a motion to allocate the FY24 Capital Outlay Funds totaling **\$14,278,340** the recommendation is to allocate to the Mountain View Campus Completion Project.

NOTE: It is not unprecedented to allocate Capital Outlay Funds to a qualifying project and at a later date change the allocation to a different qualifying project.

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING COVER MEMO

To: El Camino Healthcare District Board of Directors
From: John Zoglin, Chair
Date: May 19, 2026
Subject: Director Compensation Increase

Motion:

To approve Resolution 2026-05 increasing compensation to \$127.34 per meeting for up to five meetings per month in accordance with the procedures set forth in California Health and Safety Code § 32103(b).

Summary:

1. **Situation:** Effective January 1, 2019, California Health and Safety Code § 32103 was amended to permit, but not require, healthcare districts to increase the amount of compensation received by district board members for attending meetings of the board of directors by no more than five percent (5%) annually. The Code was also amended to permit healthcare districts to increase the number of meetings in a calendar month if certain requirements described below are met. The Code continues to permit allowed necessary traveling and incidental expenses incurred in the performance of official business of the district as approved by the board.

2. **Background:** In accordance with the District's Compensation and Reimbursement Policy, District Board members are currently eligible to receive a stipend in the amount of One Hundred and Twenty-One Dollars and Twenty-Eight Cents (\$121.28) for attendance at District Board and District Board committee meetings for up to five (5) meetings per month. Assembly Bill 2329 (2018) amended California Health and Safety Code § 32103 to allow the Board, by resolution adopted pursuant to the procedure set forth in the Water Code, to increase the stipend by up to five percent (5%) annually. The Water Code procedures require that the Board authorize staff to circulate notice of a public hearing in a newspaper of general circulation once a week for two successive weeks, with at least five (5) days intervening between publication dates. The resolution can be adopted following the newspaper notices and a public hearing and will become effective sixty (60) days after it passes, assuming that the voters have not petitioned for referendum.

3. **Assessment:** Below please find a summary of the steps that were completed to allow the Board to vote on an annual increase in compensation in accordance with the California Health and Safety Code § 32103:
 - Staff provided a draft resolution and draft notice of public hearing to be published once a week for two successive weeks in a newspaper of general circulation.

 - The notice of public hearing was duly published in the Los Altos Town Crier on April 27, 2026 and May 4, 2026. Proof of Publication is attached as Attachment 1.

ECHD Director Compensation Increase
May 19, 2026

- The notice of public hearing was digitally posted in the Mountain View Voice on April 27, 2026 and on the El Camino Healthcare District website. The notice of public hearing for Mountain View Voice is attached as Attachment 2.
 - The public meeting is scheduled for May 19, 2026 and, if approved, the Board passes the resolution. The resolution (and pay increase) becomes effective sixty (60) days thereafter on July 19, 2026.
 - Within that sixty (60) day period, the voters have the right to petition for a referendum of the resolution. If a petition is presented to the Board prior to the sixtieth (60th) day, the resolution is suspended and the Board will need reconsider it. The Board can either repeal the resolution or submit the resolution to the voters at a regular or special election. The resolution will pass if it receives a majority vote in favor of it.
4. Outcomes: If the resolution increasing the meeting stipend is adopted and becomes effective as described above, the Board will approve the increase and revise the El Camino Healthcare District Board Director Compensation and Reimbursement Policy accordingly.

RESOLUTION NO. 2026-05

RESOLUTION OF EL CAMINO HEALTHCARE DISTRICT BOARD OF DIRECTORS REGARDING INCREASING COMPENSATION FOR MEMBERS OF THE BOARD OF DIRECTORS

WHEREAS, Health and Safety Code Section 32103(b) authorizes the Board of Directors of El Camino Healthcare District to increase the amount of compensation received for attending meetings of the Board of Directors by no more than five percent (5%) annually by a resolution adopted pursuant to Chapter 2 (commencing with Section 20200) of Division 10 of the Water Code (Wat. Code, §§ 20200 et seq.); and

WHEREAS, Water Code Section 20200 et seq. sets forth the authority and procedure for establishing compensation for the Board of Directors;

WHEREAS, Water Code Section 20202 authorizes an increase in the amount of compensation that may be received by Directors by no more than five percent (5%) annually following a public hearing;

WHEREAS, Water Code Section 20203 requires that notice of the public hearing be published in a newspaper of general circulation pursuant to Section 6066 of the Government Code;

WHEREAS, Government Code Section 6066 requires that notice of the public hearing be published once a week for two (2) successive weeks, with at least five (5) days intervening between publication dates;

WHEREAS, pursuant to Water Code Section 20204, a resolution adopted pursuant to Chapter 2 of Division 10 of the Water Code shall become effective sixty (60) days from the date of its final passage, which will be July 19, 2026;

WHEREAS, pursuant to Water Code Section 20204, the voters of El Camino Healthcare District shall have the right, as provided in Chapter 2 of Division 10 of the Water Code, to petition for referendum on any resolution adopted pursuant to such chapter;

WHEREAS, pursuant to Water Code Section 20205, if a petition protesting against the adoption of the resolution is presented to the Board of Directors prior to the effective date of the resolution, the resolution shall be suspended and the Board of Directors shall reconsider the resolution;

WHEREAS, pursuant to Water Code Section 20206, if the Board of Directors does not repeal the resolution against which a petition is filed, the Board of Directors shall submit the resolution to the voters at a regular election or a special election called for the purpose, and the

resolution shall not become effective unless and until a majority of the votes cast at the election are cast in favor of it;

WHEREAS, the compensation for the Board of Directors is currently One Hundred Twenty-One Dollars and Twenty-Eight Cents (\$121.28) per day of service for each Director; and

WHEREAS, the Board of Directors desires to increase the amount of compensation for Directors by up to five percent (5%) in accordance with the provisions of the Chapter 2 of Division 10 of the Water Code.

WHEREAS, in accordance with Section 20203 of the Water Code and Section 32103(b) of the Health and Safety Code, a public hearing was held on May 19, 2026 at 5:30 PM PST at El Camino Hospital, Sobrato Boardroom 1, 2500 Grant Road, Mountain View, CA 94040 or by teleconference at +16699009128,,97218912110# and a notice of said hearing was duly published in the Los Altos Town Crier, a newspaper of general circulation, once a week for two weeks as follows: on April 27, 2026 and May 4, 2026 and in the Mountain View Voice, a digital news source of general circulation.

NOW, THEREFORE, THE BOARD OF DIRECTORS OF EL CAMINO HEALTHCARE DISTRICT DOES HEREBY RESOLVE AS FOLLOWS:

Section 1. The above recitals are true and correct and are hereby incorporated herein by this reference.

Section 2. The amount of compensation to be received by Directors for each day's attendance at meetings of the Board of Directors, or for each day's service rendered by a Director by request of the Board of Directors, shall be in the amount of One Hundred and Twenty Seven Dollars and Thirty-Four Cents (\$127.34) per day for as many days per month as is lawful.

Section 3. All resolutions, or administrative actions by the Board of Directors, or parts thereof, that are inconsistent with any provision of this resolution are hereby superseded only to the extent of such inconsistency.

Section 4. The Chairperson of the Board of Directors shall sign this resolution and the Secretary of the Board of Directors shall attest thereto, and pursuant to Section 20204 of the Water Code, this resolution shall take effect sixty (60) days from the date of adoption on the 19th day of July, 2026.

PASSED, APPROVED, AND ADOPTED this 19th day of May, 2026, by the Board of Directors of El Camino Healthcare District.

John Zoglin
Chairperson of the Board of Directors of
El Camino Healthcare District

of El Camino Healthcare District

I, Julia E. Miller, Secretary/Treasurer of the Board of Directors of El Camino Healthcare District, DO HEREBY CERTIFY that the foregoing resolution regarding compensation for members of the Board of Directors of El Camino Healthcare District, was adopted at a regular meeting on May 19, 2026 of said District by the following vote:

AYES:
NOES:
ABSTAIN:
ABSENT:

Secretary/Treasurer

(Seal)

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING COVER MEMO

To: El Camino Healthcare District Board of Directors
From: Theresa Fuentes, Chief Legal Officer
Date: May 19, 2026
Subject: Director Compensation Policy Revision

Motions:

To approve revised El Camino Healthcare District Board Policy for Director Compensation and Reimbursement ("Policy").

Summary:

Applicable Law

California Health and Safety Code section 32103 authorizes the District Board to compensate directors up to five "meetings" per month (six if the board makes findings that six meetings are necessary for effective operation of the district). The Health and Safety Code does not define the term "meeting" but refers to Section 53232 of the Government Code for determination as to whether activities are compensable.

Government Code section 53232 states that the following are compensable:

- (1) Meeting of the legislative body
- (2) Meeting of an advisory body
- (3) Conference or organized educational activity conducted in accordance with the Brown Act, including, but not limited to, required ethics training.
- (4) "Occurrences" not identified above only if the governing body has adopted, in a public meeting, a written policy specifying other types of occasions that constitute the performance of official duties for which a member of the legislative body may receive payment.

Government Code section 54952.2, referenced by section 53232, defines "meeting" as "any congregation of a majority of the members of a legislative body at the same time and location... to hear, discuss, deliberate or take action on any item that is within the subject matter of the jurisdiction of the legislative body."

In addition, section 32103 states that each member of the board of directors shall be allowed "actual necessary traveling and incidental expenses incurred in the performance of official business of the district as approved by the board." When a board member is reimbursed by the district, section 53232.3 requires that the board member provide a brief report on meetings attended at the district's expense at the next regular board meeting.

Lastly, general public agency principles, including the California state constitutional prohibition on gifts of public funds, require a clear public purpose such as a defined function (more than generalized goodwill or visibility) that is being performed on behalf of the district.

Memo: ECHD Director Compensation Policy Revision
 May 19, 2026 | pg. 2

District's Current Policy

The district's current policy was intended to follow the requirements of Government Code section 53232. However, the policy is unclear as to item (4) noted above because it fails to specify which "occurrences" the District Board has determined constitute performance of official duties for which a board member may receive compensation from the district. The current policy creates ambiguity in that payments made for unspecified occurrences may not satisfy the prerequisites of section 53232.

El Camino Hospital and El Camino Healthcare District sponsor (e.g., pays compensation to the organization for a table/meal and sponsorship of the event) and participate in many community events throughout the year, including, for example, those hosted by the rotary, chamber of commerce, nonprofit organizations, and various public entities. The following is a non-exhaustive list of some of these events:

District Sponsored Events

- *Race & Walk Fundraisers* e.g., NAMI Walks, Alzheimer's Association Walk, PanCAN Walk
- *Dinner Fundraisers* e.g., Pink Ribbon Good, HomeFirst, BAWSI, Sunnyvale Community Services – Our Kids Fundraiser
- *Luncheon Fundraisers* e.g., YWCA
- *Breakfast Fundraisers* e.g., Pathways
- *Non-Meal Centered Event Fundraisers* e.g., Community Services Agency – Empty Glasses, Animal Assisted Happiness, CSA – Empty Bowls
- *Fairs / Tabling* e.g., Sunnyvale Community Services – Senior Fair, City of Mountain View – Senior Center
- *Conferences* e.g., Pacific Stroke Association

Hospital Sponsored Events

- *Race & Walk Fundraisers* e.g., Los Gatos Rotary – The Great Race, March of Dimes
- *Dinner Fundraisers* e.g., Hispanic Foundation Ball, Sunnyvale Chamber of Commerce, Cristo Rey Network, West Valley Community Services, Mountain View Chamber – State of the Cities
- *Luncheons* e.g., Silicon Valley Council of Nonprofits – Be Our Guest, AACSA MLK Luncheon, Santa Clara County Supervisor – Women's History Month, Los Altos Chamber – State of the Cities
- *Fairs & Festivals / Tabling* e.g., Mountain View Art & Wine Festival, KCAT Oktoberfest, Los Gatos Kiwanis Art & Wine Festival, Saratoga Area Senior Coordinating Council
- *Evening Event / Concert Fundraisers* e.g., Los Gatos Morning Rotary – CASSY Concert
- Chamber – Celebration of Leaders
- *Breakfast Events*, e.g., Mountain View Chamber – Morning with the Mayor, Joint Venture Silicon Valley
- *Conferences* e.g., Bay Area Cancer Connection
- *Volunteer* e.g., Mountain View Public Safety Foundation

Memo: ECHD Director Compensation Policy Revision
May 19, 2026 | pg. 3

Because the current policy does not clearly specify whether board member attendance at such events constitutes the performance of official duties, any compensation paid to board members for attending these events may lack the required written policy authorization under Government Code section 53232. The proposed Policy revision directly addresses this gap by requiring prior Board approval and a defined function on behalf of the district before attendance at any such event may be compensated.

Proposed Policy

The proposed revised Policy addresses this ambiguity by explicitly stating that attendance at sponsored events, festivals, luncheons, meals, social events, award ceremonies, charity events, fundraising events, and similar events is **not** compensable as a meeting, **unless** the District Board has determined in a noticed public action that such attendance constitutes the performance of official duties for which the board member may receive compensation for attendance. This clarification aligns the Policy with the requirements of Government Code section 53232 and ensures that compensation for board member attendance at community and sponsored events is subject to prior, transparent Board approval, and requires a defined function on behalf of the District.

The proposed Policy also consolidates and clarifies the full range of compensable meetings, including meetings of the District Board (regular, committee, special, emergency, and ad hoc), attendance at meetings of outside organizations where the board member attends as a District representative or delegate (e.g., County tobacco board, special district association meetings), meetings directly related to the conduct of District business as determined by the Board, and attendance at educational conferences, symposia, mandatory training, and other occasions approved by the District Board. Meetings are not compensable if a stipend, honorarium, or other business courtesy is provided by or on behalf of the host organization.

In addition, the proposed Policy retains existing provisions governing reimbursement for transportation, lodging, and meals, and makes no substantive changes to those reimbursement standards. However, the policy has been revised to comply with section 53232.2 by requiring that board members provide a brief report on the meetings attended that are compensated by the district at the next regular meeting of the district board.

Other Healthcare District Practices

Staff conducted a review of director compensation practices and policies from other California healthcare districts and elected boards. The following observations are based on that review and are provided for context.

With respect to the compensability of community events, staff's review found that most districts and public entities do not automatically compensate board members for mere attendance at sponsored events, fundraisers, or similar community functions. Instead, the predominant approach — consistent with what is proposed here — is to require prior Board approval in a publicly noticed action and a defined official function before any such attendance becomes compensable.

Other entities also commonly include explicit provisions in their compensation policies prohibiting additional compensation from the district when a board member also receives a stipend, honorarium, ticket, or other compensation from a host organization.

Memo: ECHD Director Compensation Policy Revision
May 19, 2026 | pg. 4

Next Steps

It is recommended that the District Board adopt the revised Policy to provide greater transparency and clarity with respect to director compensation. Thereafter, a director seeking to be compensated for occurrences in the performance of official duties can obtain approval from the district board at the next noticed meeting.

EL CAMINO HEALTHCARE DISTRICT BOARD POLICY FOR DIRECTOR COMPENSATION AND REIMBURSEMENT

I. COVERAGE: All Members of the El Camino Healthcare District Board of Directors

II. POLICY STATEMENT:

The El Camino Healthcare District shall pay District Board members a stipend for attending compensable meetings and other qualifying occasions as set forth in this Policy, in the amount of One Hundred and Twenty ~~One~~Seven Dollars ~~Twenty-Eight~~Thirty-Four Cents (~~\$121.28~~127.34) per meeting (pre-tax), not to exceed five (5) meetings per month, in accordance with California Health and Safety Code Section 32103 and other applicable laws. Such stipend may be increased up to five percent (5%) per year in accordance with the procedures set forth in California Health and Safety Code Section 32103(b).

Board members who do not wish to receive such stipend may “Opt-Out” and may reverse this “Opt-Out” policy at any time in the future. The Director of Governance Services will be notified by the Board member.

The District shall also reimburse Board members from operational funds for business, educational and associated travel expenses, in accordance with this Policy, and with the provisions of Health and Safety Code section 32103 and Government Code section 53232, et seq.-

Pursuant to section 53232.3(d), board members shall provide brief reports on meetings attended at the expense of the District, at the next regular meeting of the District.

For purposes of policy, “meetings” shall include meetings as defined in Government Code section 54952.2, as well as events and other occasions approved by the District Board in a publicly noticed meeting.

Formatted: Underline color: Blue

III. ELIGIBILITY FOR PAYMENT OR REIMBURSEMENT

1. Meetings: Staff will track Board members with a “Meeting Attendance Report Confirmation” form or equivalent procedure, on a monthly basis, for their signature

and payment. Compensable meetings may not exceed more than five (5) meetings per month, regardless of the type of meeting attended. Compensable meetings for which Board members will receive stipends include:

- 1.1. Meetings of the El Camino Healthcare District Board: Regular, Committee, Special, Emergency, and Ad Hoc meetings and others as approved by the District Board.
- 1.2. Attendance at meetings of organizations that constitute the performance of official duties and include the following:
 - 1.2.1. Meetings of organizations ~~in which the District is a member where the Board member attends and actively participates as a District representative, or as a delegate of the District Board, including the County of Santa Clara Tobacco Securitization Authority and related bodies, and the California Special District Association, and the Association of California Healthcare Districts. Compensable meetings do not include attendance at sponsored events, festivals, luncheons, meals, social events, award ceremonies, charity, fundraising events, and similar events, unless the District Board has determined that board member attendance constitutes the performance of official duties for which the board member may receive compensation. (e.g., Santa Clara County, Chamber of Commerce within the District, and the California Special Districts Association).~~
 - 1.2.2. Meetings directly related to the conduct of District business, as determined by the District Board, excluding informal meetings with staff, counsel or other board members.
 - 1.2.3. Meetings of other public bodies or non-political community or civic groups, of a non-political nature, that extend a specific invitation for a District board member to attend and at which the District Board has determined that the Board member's participation is necessary in the performance of official duties, or the board member has been delegated to attend the meeting by the District Board. Meetings are not compensable if a ticket, stipend, honorarium, or other business courtesy is provided by the host organization or on behalf of the host organization.
 - 1.2.4. Attendance at symposia and conventions which the District Board determines are necessary in performance of official duties and; the primary purpose of which is to discuss or demonstrate health care issues or matters relating to special districts, such as the California Special Districts Association, or the Association of California Healthcare Districts.
- 1.3. Attendance at mandatory training required for District Board members including ethics and sexual harassment training (in-person or online).

1.4. Attendance at educational conference workshops which the District Board determines are necessary in performance of official duties and which include curricula concerning healthcare districts~~hospitals~~, special districts, or district board administration.

1.5. Attendance at meetings which the District Board approves in a noticed action item at a regular meeting of the District Board, and which the District Board determines constitute the performance of official duties.

Formatted: Left, Indent: Left: 0.5", No bullets or numbering

2. Transportation:

2.1. Personal Vehicle: Use of Personal Vehicle for attendance at ~~educational or other events meetings~~ on behalf of the District, as permitted in Section 1 above.

2.1.1. The District will pay the current IRS mileage rate for miles actually traveled, but not more than the mileage from the Board member's home or usual place of business within California when traveling on behalf of the District. However, the District shall not reimburse Board members for miles traveled to meetings or events at El Camino Hospital.

2.1.2. To be reimbursed, the Board member must complete the Mileage Reimbursement form provided by Governance Services~~the Manager, Administration~~. The form must be signed by the Board Chair (or the Vice Chair in the case of the Chair's reimbursement) and returned to ~~the Director of Administration~~ Governance Services.

2.2. Air travel will be reimbursed at "coach" airfare rates. No reimbursement should be claimed for personal convenience fees such as those associated with priority boarding or seating upgrades.

2.3. Ground travel to a seminar or other event, with the exception of events at El Camino Hospital, using the Board member's personal vehicle will be reimbursed at the current IRS mileage rate per mile, as noted in Section 2.1. above. Taxi, ride share, or rental car service, if required at the destination, may be reimbursed (with receipts) by the District if necessary for business purposes.

2.4. Reimbursement for car rental expenses will be for a standard "intermediate" car rate unless there is a business need for a larger vehicle (travelers with luggage, for example). If the requester requests a larger automobile than is necessary to meet the business need, the Board member is to request that the rental agency document the price difference between that and the standard "intermediate" vehicle. The owner rate will be reimbursed. If a larger vehicle is required to meet a business need, this

need must be documented on the "Business-Education-Travel Reimbursement Authorization".

2.5. Non-Reimbursable Items include:

2.5.1. Any expenses of a spouse or other individual who accompanies the Board member on travel.

2.5.2. Any additional expenses for travel by business or first class, or any charges for special boarding privileges or seats.

3. Lodging:

3.1. Lodging will be reimbursed at the standard room rate.

3.2. Non-reimbursable items include lodging amenities such as subscription television, valet service, cleaning/pressing of clothes (if the function is greater than one week, this service is allowed), concierge, etc. In-room meal service is subject to the One Hundred and Thirty Dollars (\$130.00) per diem.

3.3. If an offsite event is within fifty (50) miles of the Board member's home or usual place of business and the function is starting after 7:30 a.m. and/or will be ending before 11:30 p.m., the District will not pay for overnight accommodations, as it is expected that the Board member will commute that distance to and from the function within that business day.

4. Meals

4.1. Meals will be reimbursed at actual cost plus tip (normally 15%). The maximum average reimbursement per day is One Hundred and Thirty Dollars (\$130.00). It is the responsibility of the Board member to decide how the per diem maximum allowable amount is allocated. Detailed receipts indicating the items purchased must be submitted.

4.2. Alcohol will not be reimbursed unless approved by the Board Chair. The maximum average reimbursement of One Hundred and Thirty Dollars (\$130.00) per diem includes any approved expenses for alcohol.

4.3. Internet service, during travel, required for necessary District business will be reimbursed at cost. These expenses should be itemized on the statement.

IV. REPORTING PROCEDURE

1. All expenses of Forty Dollars (\$40.00) or greater must be supported with receipts.

2. All Board members must complete the "Business-Education-Travel Reimbursement Authorization" form ~~(Form 2085)~~. Local business mileage

reimbursement may be requested on the Mileage Reimbursement form provided by Governance Services.

3. Where receipts are given that include non-reimbursable expenses, these expenses must be marked as personal and deducted from the total for eligible expenses to be reimbursed.
4. When travel advances are provided, the Board member must submit a final accounting of their expenses on the Business, Education, and Travel Expense form no later than thirty (30) days from the date of the event. In addition, any undocumented advance will be considered additional income to the Board member and reported as a W-2 transaction.

EL CAMINO HEALTHCARE DISTRICT BOARD POLICY FOR DIRECTOR COMPENSATION AND REIMBURSEMENT

I. COVERAGE: All Members of the El Camino Healthcare District Board of Directors

II. POLICY STATEMENT:

The El Camino Healthcare District shall pay District Board members a stipend for attending compensable meetings and other qualifying occasions as set forth in this Policy, in the amount of One Hundred and Twenty Seven Dollars Thirty-Four Cents (\$127.34) per meeting (pre-tax), not to exceed five (5) meetings per month, in accordance with California Health and Safety Code Section 32103 and other applicable laws. Such stipend may be increased up to five percent (5%) per year in accordance with the procedures set forth in California Health and Safety Code Section 32103(b).

Board members who do not wish to receive such stipend may "Opt-Out" and may reverse this "Opt-Out" policy at any time in the future. The Director of Governance Services will be notified by the Board member.

The District shall also reimburse Board members from operational funds for business, educational and associated travel expenses, in accordance with this Policy, and with the provisions of Health and Safety Code section 32103 and Government Code section 53232, et seq..

Pursuant to section 53232.3(d), board members shall provide brief reports on meetings attended at the expense of the District, at the next regular meeting of the District.

For purposes of policy, "meetings" shall include meetings as defined in Government Code section 54952.2, as well as events and other occasions approved by the District Board in a publicly noticed meeting.

III. ELIGIBILITY FOR PAYMENT OR REIMBURSEMENT

1. Meetings: Staff will track Board members with a "Meeting Attendance Report Confirmation" form or equivalent procedure, on a monthly basis, for their signature and payment. Compensable meetings may not exceed more than five (5) meetings per month, regardless of the type of meeting attended. Compensable meetings for which Board members will receive stipends include:

- 1.1. Meetings of the El Camino Healthcare District Board: Regular, Committee, Special, Emergency, and Ad Hoc meetings and others as approved by the District Board.
- 1.2. Attendance at meetings of organizations that constitute the performance of official duties and include the following:
 - 1.2.1. Meetings of organizations where the Board member attends and actively participates as a District representative, or as a delegate of the District Board, including the County of Santa Clara Tobacco Securitization Authority and related bodies, and the California Special District Association, and the Association of California Healthcare Districts. Compensable meetings do not include attendance at sponsored events, festivals, luncheons, meals, social events, award ceremonies, charity, fundraising events, and similar events, unless the District Board has determined that board member attendance constitutes the performance of official duties for which the board member may receive compensation.
 - 1.2.2. Meetings directly related to the conduct of District business, as determined by the District Board, excluding informal meetings with staff, counsel or other board members.
 - 1.2.3. Meetings of other public bodies or non-political community or civic groups, of a non-political nature, that extend a specific invitation for a District board member to attend and at which the District Board has determined that the Board member's participation is necessary in the performance of official duties, or the board member has been delegated to attend the meeting by the District Board. Meetings are not compensable if a ticket, stipend, honorarium, or other business courtesy is provided by the host organization or on behalf of the host organization.
 - 1.2.4. Attendance at symposia and conventions which the District Board determines are necessary in performance of official duties and the primary purpose of which is to discuss or demonstrate health care issues or matters relating to special districts, such as the California Special Districts Association, or the Association of California Healthcare Districts.
- 1.3. Attendance at mandatory training required for District Board members including ethics and sexual harassment training (in-person or online).
- 1.4. Attendance at educational conference workshops which the District Board determines are necessary in performance of official duties and which include curricula concerning healthcare districts, special districts, or district board administration.

- 1.5. Attendance at meetings which the District Board approves in a noticed action item at a regular meeting of the District Board, and which the District Board determines constitute the performance of official duties.
2. Transportation:
 - 2.1. Personal Vehicle: Use of Personal Vehicle for attendance at meetings on behalf of the District, as permitted in Section 1 above.
 - 2.1.1. The District will pay the current IRS mileage rate for miles actually traveled, but not more than the mileage from the Board member's home or usual place of business within California when traveling on behalf of the District. However, the District shall not reimburse Board members for miles traveled to meetings or events at El Camino Hospital.
 - 2.1.2. To be reimbursed, the Board member must complete the Mileage Reimbursement form provided by Governance Services.. The form must be signed by the Board Chair (or the Vice Chair in the case of the Chair's reimbursement) and returned to Governance Services.
 - 2.2. Air travel will be reimbursed at "coach" airfare rates. No reimbursement should be claimed for personal convenience fees such as those associated with priority boarding or seating upgrades.
 - 2.3. Ground travel to a seminar or other event, with the exception of events at El Camino Hospital, using the Board member's personal vehicle will be reimbursed at the current IRS mileage rate per mile, as noted in Section 2.1. above. Taxi, ride share, or rental car service, if required at the destination, may be reimbursed (with receipts) by the District if necessary for business purposes.
 - 2.4. Reimbursement for car rental expenses will be for a standard "intermediate" car rate unless there is a business need for a larger vehicle (travelers with luggage, for example). If the requester requests a larger automobile than is necessary to meet the business need, the Board member is to request that the rental agency document the price difference between that and the standard "intermediate" vehicle. The owner rate will be reimbursed. If a larger vehicle is required to meet a business need, this need must be documented on the "Business-Education-Travel Reimbursement Authorization".
 - 2.5. Non-Reimbursable Items include:
 - 2.5.1. Any expenses of a spouse or other individual who accompanies the Board member on travel.
 - 2.5.2. Any additional expenses for travel by business or first class, or any charges for special boarding privileges or seats.

3. Lodging:
 - 3.1. Lodging will be reimbursed at the standard room rate.
 - 3.2. Non-reimbursable items include lodging amenities such as subscription television, valet service, cleaning/pressing of clothes (if the function is greater than one week, this service is allowed), concierge, etc. In-room meal service is subject to the One Hundred and Thirty Dollars (\$130.00) per diem.
 - 3.3. If an offsite event is within fifty (50) miles of the Board member's home or usual place of business and the function is starting after 7:30 a.m. and/or will be ending before 11:30 p.m., the District will not pay for overnight accommodations, as it is expected that the Board member will commute that distance to and from the function within that business day.
4. Meals
 - 4.1. Meals will be reimbursed at actual cost plus tip (normally 15%). The maximum average reimbursement per day is One Hundred and Thirty Dollars (\$130.00). It is the responsibility of the Board member to decide how the per diem maximum allowable amount is allocated. Detailed receipts indicating the items purchased must be submitted.
 - 4.2. Alcohol will not be reimbursed unless approved by the Board Chair. The maximum average reimbursement of One Hundred and Thirty Dollars (\$130.00) per diem includes any approved expenses for alcohol.
 - 4.3. Internet service, during travel, required for necessary District business will be reimbursed at cost. These expenses should be itemized on the statement.

IV. REPORTING PROCEDURE

1. All expenses of Forty Dollars (\$40.00) or greater must be supported with receipts.
2. All Board members must complete the "Business-Education-Travel Reimbursement Authorization" form. Local business mileage reimbursement may be requested on the Mileage Reimbursement form provided by Governance Services.
3. Where receipts are given that include non-reimbursable expenses, these expenses must be marked as personal and deducted from the total for eligible expenses to be reimbursed.
4. When travel advances are provided, the Board member must submit a final accounting of their expenses on the Business, Education, and Travel Expense form no later than thirty (30) days from the date of the event. In addition, any undocumented advance will be considered additional income to the Board member and reported as a W-2 transaction.

**EL CAMINO HEALTHCARE DISTRICT
BOARD MEETING COVER MEMO**

To: El Camino Healthcare District Board of Directors
From: Theresa Fuentes, Chief Legal Officer
Date: May 19, 2026
Subject: Director Term Limits – Selection of Ballot Measure Language and Adoption of Resolution No. 2026-06

Motion:

To select one of four options for the term limits measure and adopt **Resolution No. 2026-06**, a Resolution of the Board of Directors of the El Camino Healthcare District submitting a proposal at the District’s regularly scheduled election on Tuesday, November 3, 2026, to limit the number of terms a Director of the District may serve, and requesting consolidation and performance of services from the County of Santa Clara Registrar of Voters.

Summary:

The Board previously adopted Resolution No. 2026-04 (March 10, 2026) calling a general election for November 3, 2026, to fill two governing board seats. At that time, the Board also expressed a desire to place a term limits measure on the same ballot limit board service to four four-year terms. The Board asked staff to come back with options necessary to prepare the measure.

Staff prepared four alternative bylaw amendments implementing a four-term limit, each differing along two key dimensions: (1) whether the limit is absolute or applies only to consecutive terms (and whether the “cooling off” period should be 2 years or 4 years), and (2) whether partial terms count toward the limit. All four options would apply prospectively to terms beginning on or after December 1, 2026, and no prior service (full or partial) would count toward the cap.

The Board is requested to select the preferred option so that staff may finalize the resolution and ballot materials with the option selected.

Option Comparison Summary

	Option 1	Option 2	Option 3	Option 4
Consecutive or Absolute?	Absolute	Consecutive	Absolute	Consecutive
Partial Terms Count?	Yes (if > 2 yrs)	Yes (if > 2 yrs)	No	No
Return After Break?	No	Yes	No	Yes
Break Required	—	[2 or 4] years	—	[2 or 4] years

Category 1: Partial Terms Count

Under Options 1 and 2 in Category 1, a partial term counts as a full term if the Director served more than half of the four-year term (i.e., more than two years). A partial term does not count if

Ballot Measure – Term Limits Memo
May 19, 2026

the Director served two years or fewer. This approach is commonly used and is intended to prevent circumvention of the term limit through brief appointments while providing some flexibility for genuinely short interim service.

Option 1 – Absolute Limit of 4 Terms (Partial Terms Count)	
Limit:	No person may serve more than four full terms in total, ever. Full terms are usually 4 years but may be less if a partial term is counted.
Partial Terms:	A partial term counts as a “full” term if the Director served more than two years of the four-year term (i.e., was appointed and completed more than two years, or resigned with less than two years remaining).
Return to Service:	Not permitted. Once the four full term lifetime cap is reached, the person is permanently ineligible to serve as a District Director.
Effective Date:	Applies to terms beginning on or after December 1, 2026. Prior service does not count.

Option 2 – Limit on Consecutive Terms (Partial Terms Count)	
Limit:	No person may serve more than four consecutive “full” terms.
Partial Terms:	Same rule as Option 1 – a partial term counts as a “full” consecutive term if the Director served more than two years.
Return to Service:	Permitted after a cooling-off period of at least [two or four] years of absence from the District Board. After the break, the Director’s consecutive-term count resets. If this option is selected, the Board should determine if the cooling off period will be two years or four years.
Effective Date:	Applies to terms beginning on or after December 1, 2026. Prior service does not count.

Category 2: Partial Terms Do Not Count

Under Options 3 and 4, only full four-year terms count toward the term limit. A partial term — regardless of its length — is never counted, whether it results from an appointment to fill a vacancy, an election to complete an unexpired term, or any other circumstance in which the Director serves less than a full four-year term. This approach provides the most straightforward rule, although it does mean that a Director could serve a significant partial term or terms in addition to four full terms.

Ballot Measure – Term Limits Memo
May 19, 2026

Option 3 – Absolute Limit of 4 Full Terms (Partial Terms Do Not Count)	
Limit:	No person may serve more than four full four-year terms in total, ever.
Partial Terms:	Partial terms never count, regardless of length. A Director may serve one or more partial terms in addition to four full terms.
Return to Service:	Not permitted once four full terms have been served. The limit is a lifetime cap on full terms.
Effective Date:	Applies to terms beginning on or after December 1, 2026. Prior service does not count.

Option 4 – Limit on Consecutive Full Terms (Partial Terms Do Not Count)	
Limit:	No person may serve more than four consecutive full four-year terms.
Partial Terms:	Same rule as Option 3 – partial terms never count toward the consecutive-term limit.
Return to Service:	Permitted after a cooling-off period of at least [two or four] years of absence from the District Board. After the break, the Director’s consecutive full-term count resets. If this option is selected, the Board should determine if the cooling-off period will be two years or four years.
Effective Date:	Applies to terms beginning on or after December 1, 2026. Prior service does not count.

Next Steps:

Once the Board selects a preferred option, staff will finalize Resolution No. 2026-06, incorporating the chosen bylaw language as Exhibit A. The completed resolution will be filed with the County of Santa Clara Registrar of Voters and submitted for consolidation with the November 3, 2026 General Statewide Election.

If the Board selects Option 2 or 4 the Board should resolve the bracketed cooling-off period and specify the preferred duration ([two or four] years) as part of its motion.

5. Exhibit A – Option 4: Consecutive Limit, Partial Terms Do Not Count

DRAFT RESOLUTION NO. 2026-06

A RESOLUTION OF THE BOARD OF DIRECTORS OF THE EL CAMINO HEALTHCARE DISTRICT SUBMITTING A PROPOSAL AT THE DISTRICT’S REGULARLY SCHEDULED ELECTION ON TUESDAY, NOVEMBER 3, 2026 TO THE ELECTORS OF THE DISTRICT TO LIMIT THE NUMBER OF TERMS A DIRECTOR OF THE DISTRICT MAY SERVE, AND REQUESTING CONSOLIDATION AND PERFORMANCE OF SERVICES FROM THE COUNTY OF SANTA CLARA REGISTRAR OF VOTERS

WHEREAS, Health and Safety Code § 32100 sets a standard four-year term for healthcare district directors but does not place any limits on the number of total terms nor the number of consecutive terms a director may serve; and

WHEREAS, Government Code § 53077 permits the governing body of a district to adopt a proposal to limit the number of terms that a district board member may serve, to become operative when submitted to the electors of the district at a regularly scheduled election and a majority of the votes cast on the question favor the adoption of the proposal; and

WHEREAS, the Board of Directors desires to submit a proposal to the electors of the District to limit the number of [consecutive] terms a Director may serve; and

WHEREAS, the Board of Directors adopted Resolution No. 2026-04 on March 10, 2026, calling a general election to be held on Tuesday, November 3, 2026 for the purposes of filling two governing board seats for Director, and that resolution requested consolidation and performance of services from the County of Santa Clara Registrar of Voters; and,

WHEREAS, the Board of Directors desires to submit this proposed measure to the electors of the District at the District’s regularly scheduled election on Tuesday, November 3, 2026, and to request performance of services from the County of Santa Clara Registrar of Voters; and

NOW, THEREFORE, BE IT RESOLVED:

Section 1. That, pursuant to Section 10403 of the Elections Code of the State of California, the **Board of Directors** of the El Camino Healthcare District calls an election to be held on Tuesday, November 3, 2026 for the purpose of considering a measure to limit the number of [consecutive] terms a Director may serve; and requests the Board of Supervisors of the County of Santa Clara to completely consolidate the election with the **General** Statewide election. The consolidated election will be held, regulated, and conducted in accordance with the provisions of the law:

Section 2. That, the exact form of the question to be voted upon at the election, as it is to appear on the ballot, shall read as follows:

Shall the measure amending the Bylaws of the El Camino Healthcare District to limit District Directors to four [consecutive] four-year terms be adopted?	YES
	NO

Section 3. That, the text of the measure shall read as set forth on Exhibit A, attached hereto and incorporated herein by reference, which, if passed by the voters, shall amend Section 2 of Article IV of the Bylaws of El Camino Healthcare District, as indicated therein.

Section 4. That, primary and rebuttal arguments for the measure may be filed consistent with Elections Code Sections 9315, 9316, and 9317.

Section 5. That, pursuant to Elections Code Section 9313, the County Counsel is directed to prepare an impartial analysis of the measure.

Section 6. That, pursuant to Sections 10002 and 10520 of the Elections Code of the State of California, the **El Camino Healthcare District** requests the services of the Board of Supervisors of the County of Santa Clara and the Registrar of Voters of the County of Santa Clara to render such services to the special district as requested by the Board Clerk, and shall reimburse the county for the costs incurred by the County of Santa Clara Registrar of Voters in conducting the **general** election for the special district. The special district requests the County of Santa Clara Board of Supervisors to permit the County of Santa Clara Registrar of Voters to prepare the special district's election materials. The election services to be performed shall include the preparation, printing and mailing of official ballots and county voter information guides; the establishment of precincts, election ballots, return mail envelopes, ballot drop boxes, vote centers, election officers, and producing such publications as are required by law in connection therewith; the furnishing of ballots, envelopes, and other necessary supplies and materials for voting places; the canvassing of the returns of the election; the furnishing of the results of such canvassing to the Board Clerk; and, the performance of other election services as may be requested by the Board Clerk.

Section 7. That the **Board of Directors** of the **El Camino Healthcare District** requests the Board of Supervisors of the County of Santa Clara to hold and conduct the election in the manner prescribed in Section 10418 of the Elections Code of the State of California, and to further provide that the Registrar of Voters canvass the returns of the election. The County of Santa Clara is hereby authorized to certify the returns of the election.

Section 8. In all particulars not recited in this resolution, the special district election shall be held and conducted as provided by law for holding special district elections.

PASSED AND ADOPTED by the Board of Directors of the El Camino Healthcare District, State of California, on _____, by the following vote:

AMENDMENT OF SECTION 2, OF ARTICLE IV
OF THE
BYLAWS
OF
EL CAMINO HEALTHCARE DISTRICT

OPTION 1 – absolute limit of 4 terms - partial terms count only if director serves more than half of the 4-year term

ARTICLE IV
DISTRICT DIRECTORS AND VACANCIES

Section 2 TERM OF OFFICE.

(a) Each District Director shall serve for a term of four (4) years, unless (i) such term is sooner terminated by such District Director's death, resignation or removal, or (ii) a District Director is appointed or elected to fill an unexpired term.

(b) For terms beginning on or after December 1, 2026, no person may serve more than four terms as a District Director. A person is deemed to have served a full four-year term if either of the following applies: the person was appointed to serve as a District Director, and completes in excess of two years, or the person is a District Director who resigns with less than two full years remaining until the expiration of the term. Terms, whether full or partial, served prior to December 1, 2026 are not included toward the maximum number of terms imposed by this Section.

END HERE

OPTION 2 – limit on consecutive terms - partial terms count only if director serves more than half of the 4-year term

Agenda Item	Comments/Discussion	Approvals/Action
1. CALL TO ORDER/ROLL CALL	Chair Zoglin called to order the open session of the Regular Meeting of the El Camino Healthcare District Board of Directors (the "Board") at 5:30 p.m. and reviewed the logistics for the meeting. A verbal roll call was taken; Directors Fung, Miller, Somersille, and Zoglin were present, constituting a quorum. Director Ting was absent at roll call and joined the meeting at 6:06 p.m.	Call to Order at 5:30 p.m.
2. SALUTE TO THE FLAG	Chair Zoglin led the Pledge of Allegiance.	
3. POTENTIAL CONFLICT OF INTEREST DISCLOSURES	Chair Zoglin asked if any Board members had a conflict of interest with any of the items on the agenda. No conflicts were noted.	
4. PUBLIC COMMUNICATION	Chair Zoglin asked if there were any members of the public with comments for any items not listed on the agenda. There were no members of the public present in person or online requesting to speak.	
5. COMMUNITY BENEFIT SPOTLIGHT: PLAYWORKS	Mr. Cowan introduced Mr. Seso-Hunter, Program Director for Playworks Northern California, who presented an overview of the organization's mission to improve children's health and well-being through structured physical activity and safe play at elementary schools. The presentation highlighted Playworks' partnership with the El Camino Healthcare District since FY2010, including programming in the Sunnyvale School District and Mountain View Whisman School District. Mr. Seso-Hunter described the program model, which includes on-site coaching, staff consultation, and quality oversight to encourage safe, inclusive recess activities. Data shared during the presentation indicated strong student participation and positive feedback regarding increased physical activity and social-emotional development among participating students.	Resolution 2026-03 Approved

	<p>Directors asked clarifying questions regarding program implementation and impact within the District.</p> <p>Motion: To approve Resolution 2026-03.</p> <p>Movant: Miller Second: Somersille Ayes: Fung, Miller, Somersille, Zoglin Noes: None Abstentions: None Absent: Ting Recused: None</p>	
<p>6. ECHD STRATEGY UPDATE</p>	<p>Mr. Woods provided an update on the process to develop a five-year strategic plan for the El Camino Healthcare District, including issuance of a Request for Proposals and receipt of two proposals. A selection has not yet been made. The Board discussed the proposed scope of work, timeline, and anticipated deliverables, including development of the District’s mission, vision, strategic priorities, and implementation plan. Directors asked questions regarding the consultant selection process, contract term, deliverables, cost, and Board involvement. Chair Zoglin confirmed his participation in the interview process, and Director Miller inquired about the timing of bidder identification. The Board also discussed the potential need for special meetings in April and May to support review of the strategic planning work.</p> <p>Motion: To approve authorization for the CEO to engage a strategic advisor with funding not to exceed \$375,000.</p> <p>Movant: Fung Second: Somersille Ayes: Fung, Somersille, Zoglin Noes: None Abstentions: Miller Absent: Ting Recused: None</p>	<p>Actions: Staff to poll District Board members for any travel in April and May.</p> <p>Staff to cancel hold for March 18, 2026 Special Meeting.</p> <p>Authorization for CEO to engage strategic advisor approved.</p>
<p>7. POPULATION HEALTH STRATEGY PROGRESS</p>	<p>Mr. Cowan and Mr. Klein presented an update on the District’s Population Health Strategy and the broader three- to five-year strategic framework. The presentation outlined program goals to increase awareness of prediabetes risk, promote individual self-management through the Season Health virtual dietitian platform, and encourage healthy habits across the community. Presenters highlighted recent milestones, including development of the “Outsmart Prediabetes” campaign, launch of the program website and risk-screener tool, and the initial rollout of paid digital advertising. Directors discussed the campaign’s outreach strategy, methods for measuring awareness and program outcomes, and potential options for expanding screening approaches such as A1C testing. Directors also discussed broader connections between diabetes risk and other chronic metabolic conditions and emphasized the importance of community engagement and education as part of prevention efforts.</p>	

	Director Fung distributed a handout related to healthy aging and memory and suggested the District consider broader initiatives focused on aging and Alzheimer's disease prevention as part of future strategic discussions. Staff noted the program will continue to evolve as data is gathered during the initial baseline year.	
8. ECHD CONNECT	Mr. Klein provided an update on the ECHD Connect community publication, including feedback indicating positive engagement. Staff reported that reader responses indicated positive engagement with the publication, particularly for longer-form medical and educational articles. Directors discussed potential future topics and distribution approaches for upcoming issues and provided suggestions for additional content of community interest.	
9. RECEIVE ECHD FY26 FINANCIAL REPORT	Mr. Iyer presented the FY26 Period 7 financial report for the El Camino Healthcare District, including an overview of District revenues, expenses, and the funding "waterfall" related to District resources and community benefit investments. Mr. Iyer noted that certain variances, including lower bank interest and timing differences related to property tax revenue, were expected to normalize by the end of the fiscal year and did not reflect systemic financial concerns. Directors asked clarifying questions regarding bank fees, property tax revenue timing, and presentation of the financial waterfall chart. Mr. Walsh provided clarification regarding bank fees, noting that while fees are incurred for banking services, they are offset by interest income generated through District accounts.	
10. REVIEW CAPITAL OUTLAY OPTIONS	Mr. King presented an overview of potential capital outlay options eligible for District funding and outlined the framework used to evaluate potential projects. Directors discussed the types of projects that may be considered for District investment and the relationship between District funding and projects undertaken by El Camino Health. Dr. Somersille noted that the materials did not include a real estate option and asked whether potential District participation in real estate investments should be considered. Management explained that additional analysis would be required to identify specific properties and to evaluate legal and operational considerations associated with District participation in property acquisition or development. Directors also discussed the status of existing properties and potential future opportunities. The discussion reflected differing perspectives regarding the role of the District in real estate-related investments and the level of information needed to evaluate potential options.	
11. ECHD TERM LIMITS	Chair Zoglin introduced the item, noting that the Director Miller, in coordination with staff, had previously presented potential District Board term limits, which the Board had discussed at prior meetings, and that additional materials had been provided for consideration. Ms. Fuentes reviewed the supplemental information included in the meeting materials. The Board discussed potential implementation of term limits, including considerations related to board continuity, preservation of institutional knowledge, governance best practices, and the estimated cost of placing a measure on the ballot. Chair Zoglin expressed concerns regarding both the cost and overall value	Action: Staff to prepare a resolution and ballot measure for term limits for board review at next meeting.

	<p>of pursuing a ballot measure at this time and indicated he did not support moving forward. Director Miller emphasized the importance of aligning any term limit framework with governance best practices and ensuring thoughtful consideration of long-term board composition and effectiveness. Dr. Somersille expressed support for establishing a sixteen-year term limit to balance continuity with periodic board renewal. Dr. Fung thanked staff for the materials provided and noted that the proposal would not impact current Board members.</p> <p>Motion: To request staff prepare a resolution and ballot measure adopting term limits for District Board members to be considered for placement on the November 2026 ballot, with a proposed limit of four four-year terms (16 years), with final structure and implementation details to be determined and brought back to the Board for approval..</p> <p>Movant: Miller Second: Ting Ayes: Fung, Miller, Somersille, Ting Noes: Zoglin Abstentions: None Absent: None Recused: None</p>	
<p>12. REVIEW AND APPROVE ECHD RESOLUTION 2026-04 REQUESTING AND CONSENTING TO CONSOLIDATION OF ELECTION</p>	<p>Chair Zoglin asked Ms. Fuentes to clarify the discussion for Resolution 2026-04 requesting and consenting to consolidation of the El Camino Healthcare District election with the Santa Clara County election to be held in November 2026. Directors discussed administrative elements of the election process, including the length of candidate statements, responsibility for associated costs, and procedures for resolving tie votes. The Board established the following election parameters:</p> <ul style="list-style-type: none"> • Candidate statement word limit: 400 words • Candidate responsibility for statement costs: Candidates pay the cost of their statement. • Tie vote resolution method: by lot. <p>Motion: To approve Resolution 2026-04 requesting consolidation of the El Camino Healthcare District election with the November 2026 General Election with candidate word limit at 400 words, candidate responsibility for statement costs, and tie-vote resolution method of by lot.</p> <p>Movant: Zoglin Second: Miller Ayes: Fung, Miller, Somersille, Ting, Zoglin Noes: None Abstentions: None Absent: None Recused: None</p>	<p>Resolution 2026-04 Approved</p>

13. ECHD TOPICS FOR DISCUSSION	Director Miller introduced several governance-related topics for discussion, including Board member attendance at community events, photography and social media practices, and coordination when elected officials are present, including El Camino Health events. Directors discussed the importance of communication between management and the Board regarding opportunities for Board members to attend events where elected officials may be present. Dr. Somersille noted that Board members were not aware that elected officials would be present at a recent leadership meeting and expressed support for a process to notify the Board when such opportunities arise so the District may appropriately welcome elected officials.	Action: Add notification policy to next agenda review for consideration at a future meeting.
14. RECESS TO CLOSED SESSION	Motion: To recess to closed session at 7:50 p.m. Movant: Miller Second: Ting Ayes: Fung, Miller, Somersille, Ting, Zoglin Noes: None Abstentions: None Absent: None Recused: None	Recessed to closed session at 7:50 p.m.
15. AGENDA ITEM 17: RECONVENE OPEN SESSION	The open session was reconvened at 8:03 p.m. by Chair Zoglin. Agenda Items 15-16 were addressed in closed session.	Reconvened open session at 8:03 p.m.
16. AGENDA ITEM 18: CLOSED SESSION REPORT OUT	Mr. Fernandez reported that during closed session, the ECHD Board approved the closed session minutes of the February 10, 2026, meeting. No other reportable actions were taken.	
17. AGENDA ITEM 19: CONSENT CALENDAR	Chair Zoglin asked if any items should be removed from the consent calendar for separate discussion. No items were removed. Motion: To approve the consent calendar. Movant: Miller Second: Fung Ayes: Fung, Miller, Somersille, Zoglin Noes: None Abstentions: None Absent: Ting Recused: None	Consent calendar approved. - Minutes of the Open Session of the District Board Meeting (02/10/2026) - Received ECHD Sponsorships (February) - Received FY26 Pacing Plan
18. AGENDA ITEM 20: BOARD ANNOUNCEMENTS	Director Miller reported that she recently attended the Sunnyvale Chamber of Commerce Murphy Awards and the Cupertino Chamber Lunar New Year celebration, noting both were well attended community events.	
19. AGENDA ITEM 21: ADJOURNMENT	Motion: To adjourn at 8:05 p.m. Movant: Fung Second: Somersille Ayes: Fung, Miller, Somersille, Zoglin Noes: None Abstentions: None Absent: Ting Recused: None	Meeting adjourned at 8:05 p.m.

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING MEMO

To: El Camino Healthcare District Board of Directors
From: John Zoglin, Chair
Date: May 19, 2026
Subject: Proposed Resolution 2026-07: Setting Meeting Dates for FY27

Recommendation:

To approve Proposed Resolution 2026-07: Setting Meeting Dates for FY27

Summary:

1. **Situation:** Pursuant to California Government Code Section 54954(a) “Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings. “
2. **Authority:** Article VI (3)(a) of the District Bylaws state: “Regular meetings of the District Board shall be held without call on the date and at the time and place established, from time-to-time, by resolution of the District Board. The District Board may establish the date, time, and place of one (1) or more regular meetings in any such resolution.”
3. **Background:** The District has routinely approved a Resolution adopting an annual meeting schedule. For the last several years, the Board has scheduled quarterly meetings in October, February, March, and June for the purpose of conducting the District Board’s usual business with a September meeting primarily for the purpose of CEO assessment and a May meeting primarily for the purpose of reviewing the annual Proposed Community Benefit Plan. In election (even-numbered) years, the District Board also schedules a December meeting for the purpose of administering the Oath of Office to Board members elected or re-elected in the November Election and for electing El Camino Hospital Board members. In FY24 the Board requested that quarterly site visits be incorporated into the meeting schedule to increase participation and transparency.
4. **Outcomes:** Meeting Schedule for FY27 established and provided to the public.

Resolution 2026-07

Resolution of the Board of Directors of El Camino Healthcare District Establishing Meeting Dates and Time

RESOLVED, Article VI, Section 3(a) of the Bylaws of El Camino Healthcare District requires the Board to adopt a resolution setting meeting dates; be it further,

RESOLVED, that the meeting dates of the District Board for FY 2027 as stated on the attached Exhibit A; be it further,

RESOLVED, all meetings of the District Board shall be held at El Camino Hospital, 2500 Grant Road, Mountain View, California 94040, unless another location is identified on the meeting notice, which shall be posted at least 72 hours before the meeting or telephonically in accordance with State of California Executive Orders that may, from time to time, temporarily suspend certain provisions of the Ralph M. Brown Act requiring a physical meeting location.

RESOLVED, that the meeting dates shall be posted at El Camino Hospital, on the El Camino Healthcare District website and shall be mailed or e-mailed to all persons who have requested notice of EL Camino Healthcare District meetings in writing.

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING MEMO

To: El Camino Healthcare District Board of Directors
From: Theresa J. Fuentes, Chief Legal Officer
Date: May 19, 2026
Subject: Approval of Compensation Agreement for Sunnyvale Town Center Parcels

Motion: To approve and authorize El Camino Healthcare District's execution of the Compensation Agreement ("Compensation Agreement") that transfers three public parking garage parcels in Sunnyvale from the Sunnyvale Successor Agency to the City of Sunnyvale.

Summary:

The Compensation Agreement and a summary of the requested action is included in the attached documents from the County of Santa Clara. As a local taxing authority, the District, and all other taxing entities, have a legal interest in how the properties are handled. As such, state law requires all affected taxing entities to consent to the transfer of the properties through the Compensation Agreement before the transfers can take place. The following are key points:

- There is no monetary exchange for this agreement.
- The District will be permanently released from any future liability related to the underground chemical (PCE) contamination on one of the properties dating back to 2007. The City of Sunnyvale will take on that liability.
- The Successor Agency will dissolve upon execution of the Compensation Agreement by all parties. Once the Successor Agency dissolves, the District no longer has to participate in the annual state review process (ROPS) and bear administrative costs tied to that agency's existence.
- Property tax that had been diverted to the state trust fund associated with the Successor Agency will now flow directly to the District - approximately \$1,200 per year currently.

Conclusion:

If the District does not approve the Compensation Agreement, the Successor Agency will be unable to fully dissolve, the District and all other parties will not be released from potential PCE contamination liability, and the District and all other parties will continue to bear administrative costs associated with the Successor Agency's ongoing existence. All other taxing entities and the City of Sunnyvale are similarly affected.

Attachments:

1. Legislative File No. 127385 — County Executive Memo to Redevelopment Dissolution Countywide Oversight Board (January 29, 2026)
2. Resolution No. OB-2026-4 — Resolution of the Redevelopment Dissolution Countywide Oversight Board of Santa Clara County (Adopted January 29, 2026)
3. Compensation Agreement for Sunnyvale Town Center Parcels (APNs 209-34-021, 209-34-025, 209-35-014)

County of Santa Clara
Office of the County Executive

127385

DATE: January 29, 2026

TO: Redevelopment Dissolution Countywide Oversight Board of Santa Clara County

FROM: James R. Williams, County Executive

SUBJECT: Resolution to Authorize Execution and Implementation of Compensation Agreement

RECOMMENDED ACTION

Adopt Resolution authorizing the Successor Agency to the Redevelopment Agency of the City of Sunnyvale to execute and implement the Compensation Agreement relating to the disposition of the real properties known as the Sunnyvale Town Center public parking garage parcels (Assessor's Parcel Nos. 209-34-021, 209-34-025, and 209-35-014).

FISCAL IMPLICATIONS

Approval and full execution of the compensation agreement will reduce the future liability of the affected taxing entities and allow the Successor Agency to the Redevelopment Agency of the City of Sunnyvale to dissolve, reducing associated administrative costs and thereby freeing up additional property tax revenue to flow to the taxing entities.

REASONS FOR RECOMMENDATION AND BACKGROUND

Pursuant to Health and Safety Code section 34181(a)(1), the Successor Agency to the Redevelopment Agency of the City of Sunnyvale ("Successor Agency") is required to dispose of all assets of the former redevelopment agency. The last remaining properties the Successor Agency to the Redevelopment Agency of the City of Sunnyvale ("Successor Agency") has in its possession are three parcels from the former Redevelopment Agency that are all currently being utilized as public parking garages within the mixed-use development formerly known as the Sunnyvale Town Center.

After multi-year discussions between County and City of Sunnyvale ("City") staff, it was agreed that a transfer of the properties from the Successor Agency to the City would serve the public interest by enabling the Successor Agency to initiate the dissolution process in accordance with Health and Safety Code section 34187, which requires that all of the Successor Agency's debts are paid, its real property is disposed of, and any litigation is

resolved. Dissolving the Successor Agency would benefit all taxing entities¹ within the former Sunnyvale redevelopment area, including school districts, the County, and special districts, by ending the need to redirect former tax increment revenue to the Redevelopment Property Tax Trust Fund (RPTTF) and related costs, and by eliminating other staff time and resources associated with the existence of the Successor Agency, including administrative resources for the annual preparation, review, and adjudication of the Recognized Obligation Payment Schedule (ROPS).

Transferring the properties from the Successor Agency to the City requires a compensation agreement to be approved by all parties, including the City, Successor Agency, and all local taxing entities. On October 28, 2025, the City and Successor Agency adopted resolutions to approve the compensation agreement to allow the transfer of the three properties from the Successor Agency to the City. And, on January 13, 2026 (Item No. 33), the Board of Supervisors approved the compensation agreement, which must also be approved by the Oversight Board, the other taxing entities, and the DOF before taking effect and facilitating the Successor Agency's full dissolution.

County and City staff worked cooperatively on the compensation agreement to ensure it would benefit all parties' interests. The compensation agreement involves no payment or future revenue sharing with the affected taxing entities in exchange for releasing the taxing entities from future liability associated with underground perchloroethylene (PCE) contamination on the Murphy Avenue property, traced to a former dry-cleaning business. Upon transfer of the properties, the City will assume all liability for the property associated with the PCE contamination, and the taxing entities will be released from liability. Moreover, once the properties transfer and the Successor Agency dissolves, the Successor Agency's share of annual PCE monitoring costs—which have ranged from roughly \$8,000 to \$15,000 per year in recent years and are currently reimbursed by the ROPS—would be paid by the City outside of the ROPS process.

The PCE contamination under the Murphy Avenue garage was discovered in 2007 and underwent remediation efforts for several years. Currently, the PCE levels are low enough that the Regional Water Quality Control Board only requires monitoring. The Regional Water Quality Control Board has not, however, issued a “no further action” letter because the PCE levels are still higher than threshold levels. PCE exposure has been associated with various health problems, including kidney, liver, and bladder cancers, as well as reproductive and birth defects, neurotoxicity and other adverse health impacts, according to numerous scientific studies.

As reflected in the compensation agreement, the County has agreed that the City be reimbursed via the ROPS for the cost of a 10-year environmental liability insurance policy. Previous quotes obtained by the City range from \$200,000 to \$300,000 for a 10-year term. The ROPS submitted for the Fiscal Year 2026-2027 period does not include the cost of this

¹ Taxing entities within the former Sunnyvale redevelopment area include the Fremont Union High School District, Sunnyvale Elementary School District, Santa Clara County Office of Education, Foothill-De Anza Community College District, County of Santa Clara, City of Sunnyvale, El Camino Healthcare District, Midpeninsula Regional Open Space District, Bay Area Air Quality Management District, and Santa Clara Valley Water District.

insurance policy; once the compensation agreement is fully executed by all parties, an amended ROPS for FY 2026-2027 is anticipated to be submitted to the Oversight Board for approval to cover the cost of this insurance policy. At the end of the 10-year term, the City will be responsible for purchasing any subsequent environmental liability insurance policies.

In addition to the release of liability, ending the redirection of property tax revenue to the RPTTF, and reducing administrative costs, there are other potential benefits of the recommended action for the taxing entities. The City controlling these properties in the Sunnyvale Town Center increases their potential for redevelopment for higher-value uses over the long term, which would increase property tax revenue for all taxing entities.

The California State Legislature enacted Assembly Bill x1 26 to dissolve redevelopment agencies formed under the Community Redevelopment Law (Health and Safety Code section 33000 et seq.), as amended by Assembly Bill 1484, Statutes of 2012, enacted June 27, 2012. Upon dissolution of the Sunnyvale Redevelopment Agency, the Successor Agency became the owner of all property owned by the former Redevelopment Agency. The three parcels in the proposed compensation agreement are the only remaining properties owned by the Successor Agency:

- 325 S. Taaffe St. (APN 209-34-021), also known as “Pear” or the Cityline Flats “F” garage, located on Block 1, Lot 3, of the Town Center project area.
- 225 S. Taaffe St. (APN 209-34-025), also known as “Orange” or the Cityline Flats “E” garage, located on Block 2, Lot 4, of the Town Center project area.
- 330 S. Murphy Ave. (APN 209-35-014), also known as the “Penney’s garage” or the AMC/Whole Foods garage, located on Block 5, Lot 2, of the Town Center project area.

CONSEQUENCES OF NEGATIVE ACTION

The Successor Agency would not be able to fully dissolve, and the affected taxing entities would not be released from liability associated with the PCE contamination.

STEPS FOLLOWING APPROVAL

Upon priority processing, the Clerk will return two signed copies to the Office of the County Executive, attention Brian Darrow, who will assist the City in securing approval and gathering signatures from the other taxing entities. Following receipt of all signatures, the Office of the County Executive will provide the Clerk of the Board’s Office with a conformed copy of the fully executed agreement for its records.

RESOLUTION NO. OB-2026-4

**RESOLUTION OF THE REDEVELOPMENT DISSOLUTION
COUNTYWIDE OVERSIGHT BOARD OF SANTA CLARA
COUNTY AUTHORIZING THE SUCCESSOR AGENCY TO
THE REDEVELOPMENT AGENCY OF THE CITY OF
SUNNYVALE TO EXECUTE AND IMPLEMENT THE
COMPENSATION AGREEMENT RELATED TO THE
DISPOSITION OF THE REAL PROPERTY WITHIN THE
AREA COMMONLY KNOWN AS THE SUNNYVALE TOWN
CENTER**

WHEREAS, all California redevelopment agencies were dissolved by the enactment of AB xl 26 in 2011, subsequently amended by AB 1484 (2012) and SB 107 (2015) (collectively, the “Dissolution Law”) and created successor agencies to wind down and dispose of all assets of the former redevelopment agencies;

WHEREAS, pursuant to Assembly Bill No. X1-26 (“AB 26”), and the California Supreme Court’s decision in *California Redevelopment Assn. v. Matosantos* (2011) 53 Cal.4th 231, the Redevelopment Agency of the City of Sunnyvale (“Former Redevelopment Agency”) was dissolved on February 1, 2012, and the Successor Agency to the Redevelopment Agency of the City of Sunnyvale (the “Successor Agency”) succeeded the Former Redevelopment Agency;

WHEREAS, subsequently, Assembly Bill 1484, passed by the Legislature of the State of California and signed by the Governor of the State of California in June 2012, added Section 34187, subdivision (b) to the California Health and Safety Code, which section provides that within one year after all of the debts of a redevelopment agency are retired or paid off, all real property has been disposed of, and all outstanding litigation has been resolved, its successor agency shall terminate its existence;

WHEREAS, pursuant to Section 34179 of the California Health and Safety Code, the Santa Clara County Redevelopment Dissolution Countywide Oversight Board (the “Oversight Board”) acts as the oversight board for the Successor Agency;

WHEREAS, pursuant to Section 34181, subdivision (a)(1), of the California Health and Safety Code, the Successor Agency is required to dispose of all assets of the Former Redevelopment Agency;

WHEREAS, the last remaining properties the Successor Agency has in its possession are three parcels (Assessor Parcel Nos. 209-34-021, 209-34-025, and 209-35-014, collectively, “the Properties”) from the Former Redevelopment Agency that are all currently being utilized as public parking garages within the mixed-use development formerly known as the Sunnyvale Town Center;

WHEREAS, a transfer of the Properties from the Successor Agency to the City of Sunnyvale (“City”) would serve the public interest by enabling the Successor Agency to initiate the dissolution process in accordance with California Health and Safety Code section 34187, and where dissolving the Successor Agency would benefit the County of Santa Clara (“County”), City, and other affected

taxing entities (collectively, “Affected Taxing Entities”) within the former Sunnyvale redevelopment area, including school districts and special districts, by eliminating staff time and resources associated with the annual preparation, review, and adjudication of the Successor Agency’s Recognized Obligation Payment Schedule (ROPS);

WHEREAS, pursuant to Section 34180, subdivision (f), of the California Health and Safety Code, the City has requested that the Oversight Board and the other Affected Taxing Entities enter into a Compensation Agreement to accomplish the transfer of the Properties from the Successor Agency to the City;

WHEREAS, the Compensation Agreement involves no payment or future revenue sharing with the Affected Taxing Entities in exchange for releasing the County and the other Affected Taxing Entities from any future liability associated with underground perchloroethylene (“PCE”) contamination on the Properties; and upon transfer of the Properties, the City will assume all liability for the property associated with the PCE contamination; and moreover, once the Properties transfer and the Successor Agency dissolves, the Successor Agency’s share of annual PCE monitoring costs would be paid by the City outside of the ROPS process;

WHEREAS, City will obtain a 10-year environmental liability insurance policy; part of the cost for which the Successor Agency is anticipated to include in the amended ROPS for Oversight Board approval at its September 25, 2026 meeting; and whereas the City will be responsible for purchasing any subsequent liability insurance policies at the conclusion of the 10-year period; and

WHEREAS, the City controlling the Properties increases their potential for redevelopment for higher-value uses over the long term, which would increase property tax revenue for all taxing entities; and moreover, the dissolution of the Successor Agency will eliminate the requirement to redirect its share of tax increment to the Redevelopment Property Tax Trust Fund.

NOW, THEREFORE, BE IT RESOLVED by the Santa Clara County Redevelopment Dissolution Countywide Oversight Board, as follows:

SECTION 1. All of the recitals above set forth are true and correct, and the Oversight Board hereby so finds and determines.

SECTION 2. This resolution is adopted pursuant to Section 34180, subdivision (f), of the California Health and Safety Code.

SECTION 3. The Oversight Board hereby authorizes the Successor Agency to the Redevelopment Agency of the City of Sunnyvale to execute and implement the Compensation Agreement related to the disposition of the real properties known as the Sunnyvale Town Center public parking garage parcels (Assessor Parcel Nos. 209-34-021, 209-34-025, and 209-35-014).

//

//

//

SECTION 4. This Resolution shall take effect immediately upon its passage and adoption.

PASSED AND ADOPTED by the Redevelopment Dissolution Countywide Oversight Board of Santa Clara County in the County of Santa Clara, State of California, on

January 29, 2026, by the following vote:

**COMPENSATION AGREEMENT FOR
SUNNYVALE TOWN CENTER PARCELS**

This Compensation Agreement (“Agreement”) is made and entered into by and among the Successor Agency of the Redevelopment Agency of the City of Sunnyvale, a public entity established under Health and Safety Code section 34173 (the “Successor Agency”); the City of Sunnyvale, a California municipal corporation (“City”); and each of the undersigned local agencies and school districts, each of which is a taxing entity as defined by Health and Safety Code section 34171(k) (the “Taxing Entities”), with the consent of the Redevelopment Dissolution Countywide Oversight Board of Santa Clara County, established under Health and Safety Code section 34179 (the “Oversight Board”). The Successor Agency, the City, and the Taxing Entities are collectively the “Parties” and each a “Party.” The “Effective Date” of this Agreement is the date on which it has been executed by all Parties.

RECITALS

WHEREAS, the Successor Agency is the owner of three properties located at 325 South Taaffe Street (APN 209-34-021) (“Parcel 1”), 225 South Taaffe Street (APN 209-34-025) (“Parcel 2”), and 330 S. Murphy Ave (APN 209-35-014) (“Parcel 3”), all of which are located in the City of Sunnyvale, Santa Clara County, California, and are more particularly described in Exhibit A attached hereto and incorporated herein by reference (collectively, the “Property” or the “Parcels”); and

WHEREAS, Parcel 1 and Parcel 2 are developed with two multi-level parking structures that are owned by STC Venture LLC, a Delaware limited liability company, (“Owner”), the owner of the Sunnyvale Town Center mixed-use development (the “Town Center”); and

WHEREAS, Parcel 1 and Parcel 2 are currently subject to the Public Parking Ground Lease Sunnyvale Town Center, dated September 28, 2007, as amended by the First Amendment to Public Parking Ground Lease, dated August 2, 2010 and the Second Amendment to Public

Approved: 01/13/2026

Parking Ground Lease, dated September 23, 2016 (as amended, the “Public Parking Ground Lease”); and

WHEREAS, pursuant to the Public Parking Ground Lease, the Owner pays the Successor Agency \$1.00/year in nominal rental payments relating to Parcels 1 and 2 and other property not subject to this Agreement (“Nominal Rent”); and

WHEREAS, the Public Parking Ground Lease has a term of ninety-nine (99) years commencing on September 28, 2007, subject to the obligation for good faith negotiations regarding an extension of at least 10-years if certain conditions are met; and

WHEREAS, Parcel 3 is developed with a parking structure that is owned by the Successor Agency and subject to an Operations and Maintenance Agreement and easement for the benefit of the Owner which operates the parking structure located on Parcel 3; and

WHEREAS, the City expressly acknowledges and understands that environmental contamination affecting Parcel 3 predates the execution of this Agreement; and

WHEREAS, pursuant to Health and Safety Code section 34180(f), the City has requested that the Taxing Entities enter into this Agreement to accomplish the transfer of the Parcels from the Successor Agency to the City; and

WHEREAS, the transfer of the Parcels in accordance with the terms of this Agreement will allow termination of the Successor Agency, and the Parties agree to cooperate to expeditiously achieve such termination; and

WHEREAS, the Parties desire to enter into this Agreement to convey the Property to the City for public use under the terms and conditions of this Agreement; and

WHEREAS, the Redevelopment Dissolution Oversight Board of Santa Clara County is scheduled to consider this Agreement on January 29, 2026.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the Parties hereby agree to all of the following terms and conditions:

TERMS & CONDITIONS

Section 1. Incorporation of Recitals. The Parties agree that all of the above Recitals are true and correct and are incorporated in this Agreement’s terms and conditions.

Section 2. Purchase of Environmental Insurance Policy. No later than 30 days after the approval by the California Department of Finance of an amendment to the Successor Agency’s 2025-2026 Recognized Obligation Payment Schedule or the approval of the Successor Agency’s 2026-2027 Recognized Obligation Payment Schedule, adding to the costs of the environmental remediation for Parcel 3 the costs of an environmental insurance policy

(“Environment Insurance Policy”), the Successor Agency shall purchase such Environmental Insurance Policy that meets all of the following criteria:

- (a) Has a term of 10 years;
- (b) Is transferrable to successive property owners;
- (c) Does not cost more than the amount allowed on the Successor Agency’s Recognized Obligation Payment Schedule for the purchase of such Environmental Insurance Policy;
- (d) Contains or includes an endorsement for the following: i) bodily injury (including death), property damage and environmental cleanup costs, both on the Property and off-site; (ii) transportation of any waste, including loading and unloading from the Property to the final disposal location, with all such disposal locations being scheduled or covered as non-owned disposal sites under the Environmental Insurance Policy.
- (e) Has a reverse-retroactive date of policy inception providing coverage for pre-existing pollution conditions;
- (f) Has a minimum limit of \$25,000,000.

Section 3. Conveyance of Property to City.

(a) **Conveyance.** Subject to the terms and conditions of this Agreement, the Successor Agency shall convey its interest in and to the Property to the City at no cost by quitclaim deed no later than 60 days after the Effective Date or the Successor Agency’s purchase of the Environmental Insurance Policy, whichever is later, unless otherwise extended by the Parties for good cause. Any costs of escrow and title associated with the conveyance of the Property to the City shall be borne by the City. The City shall promptly provide the Taxing Entities copies of the recorded quitclaim deed.

(b) **Release.** Except as expressly provided herein, upon the close of escrow and delivery of the quitclaim deed, City hereby waives, releases, acquits, and forever discharges Successor Agency and Taxing Entities, and Successor Agency’s and Taxing Entities’ agents, directors, officers, and employees to the maximum extent permitted by law, of and from any and all claims, actions, causes of action, demands, rights, liabilities, damages, losses, costs, expenses, compensation, attorneys’ fees, consultants’ fees and costs and expert fees (collectively “Claims”) whatsoever, direct or indirect, known or unknown, foreseen or unforeseen, that it now has or that may arise in the future because of or in any way growing out of or connected with the physical condition of the Property, including without limitation, the physical and environmental condition of the Property or any law or regulation applicable thereto, including, without limitation, any Claim or matter (regardless of when it first appeared) relating to or arising from (i) the presence of any environmental problems, or the use, presence, storage, release, discharge, or migration of hazardous materials on, in, under or around the Property regardless of when such hazardous materials were first introduced in, on or about the Property, (ii) any patent or latent defects or

deficiencies with respect to the Property, (iii) any and all matters related to the Property or any portion thereof, including without limitation, the condition and/or operation of the Property and each part thereof, and (iv) the presence, release and/or remediation of asbestos and asbestos containing materials in, on or about the Property regardless of when such asbestos and asbestos containing materials were first introduced in, on or about the Property. City further hereby waives and agrees not to commence any action, legal proceeding, cause of action or suit in law or equity, of whatever kind or nature, including, but not limited to, a private right of action under the federal superfund laws, 42 U.S.C. Section 9601 *et seq.* and California Health and Safety Code section 78000 *et seq.* (as such laws and statutes may be amended, supplemented or replaced from time to time), directly or indirectly, against Successor Agency, any Taxing Entity, or Successor Agency's or Taxing Entities' agents, directors, officers, and employees in connection with the Property, except matters arising from Successor Agency's fraud, intentional misrepresentation, or concealment.

AS IS CONDITION OF PROPERTY. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, IT IS UNDERSTOOD AND AGREED THAT THE SUCCESSOR AGENCY IS NOT MAKING AND HAS NOT AT ANY TIME MADE ANY WARRANTIES OR REPRESENTATIONS OF ANY KIND OR CHARACTER, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROPERTY. THE CITY ACKNOWLEDGES AND AGREES THAT UPON THE CLOSING DATE THE SUCCESSOR AGENCY SHALL SELL AND CONVEY THE PROPERTY TO THE CITY "IN ITS THEN EXISTING CONDITION AS IS, WHERE IS, WITH ALL FAULTS" EXCEPT TO THE EXTENT EXPRESSLY PROVIDED OTHERWISE IN THIS AGREEMENT, THE CITY HAS NOT RELIED AND WILL NOT RELY ON, AND THE SUCCESSOR AGENCY IS NOT LIABLE FOR OR BOUND BY, ANY EXPRESS OR IMPLIED WARRANTIES, GUARANTIES, STATEMENTS, REPRESENTATIONS OR INFORMATION PERTAINING TO THE PROPERTY OR RELATING THERETO MADE OR FURNISHED BY THE SUCCESSOR AGENCY OR ANY AGENT PURPORTING TO REPRESENT THE SUCCESSOR AGENCY, UNLESS SPECIFICALLY SET FORTH IN THIS AGREEMENT.

THE CITY REPRESENTS TO THE SUCCESSOR AGENCY THAT CITY HAS CONDUCTED, OR WILL CONDUCT PRIOR TO CLOSING, SUCH INVESTIGATIONS OF THE PROPERTY, INCLUDING BUT NOT LIMITED TO, THE PHYSICAL AND ENVIRONMENTAL CONDITIONS THEREOF, AS THE CITY

DEEMS NECESSARY OR DESIRABLE TO SATISFY ITSELF AS TO THE CONDITION OF THE PROPERTY AND THE EXISTENCE OR NONEXISTENCE OR CURATIVE ACTION TO BE TAKEN WITH RESPECT TO ANY HAZARDOUS MATERIALS ON OR DISCHARGED FROM THE PROPERTY, AND WILL RELY SOLELY UPON SAME AND NOT UPON ANY INFORMATION PROVIDED BY OR ON BEHALF OF SUCCESSOR AGENCY OR ITS AGENTS, OTHER THAN SUCH REPRESENTATIONS AND WARRANTIES OF SUCCESSOR AGENCY AS ARE EXPRESSLY SET FORTH IN THIS AGREEMENT. UPON CLOSING, SUBJECT TO SUCH REPRESENTATIONS AND WARRANTIES OF THE SUCCESSOR AGENCY AS ARE EXPRESSLY SET FORTH IN THIS AGREEMENT, THE CITY SHALL ASSUME THE RISK THAT ADVERSE MATTERS, INCLUDING BUT NOT LIMITED TO, ADVERSE PHYSICAL AND ENVIRONMENTAL CONDITIONS, MAY NOT HAVE BEEN REVEALED BY THE CITY'S INVESTIGATIONS.

IN CONNECTION WITH THE RELEASE PROVIDED FOR IN THIS AGREEMENT, CITY EXPRESSLY WAIVES ALL RIGHTS UNDER CALIFORNIA CIVIL CODE SECTION 1542, WHICH PROVIDES THAT:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY;

THE COVENANTS SET FORTH IN THIS SECTION SHALL SURVIVE CLOSE OF ESCROW AND DELIVERY OF THE QUIT CLAIM DEED(S).

Section 4. Recordation of this Agreement. Upon full execution of this Agreement the City shall cause this Agreement to be recorded against the Property in the Santa Clara County Office of the Clerk-Recorder. The City shall promptly provide the Taxing Entities with a recorded copy of this Agreement. Upon the transfer of the Property to the City pursuant to Section 3(a) above, the Parties agree that the County and the City can execute and record a release of this Agreement to be recorded in the Official Records and the County's execution of

such release shall be conclusive evidence that the Agreement has been fully performed and none of the Taxing Entities shall have any further rights or obligations under this Agreement after recordation of such a release, except that the covenants set forth in Section 3(b) shall survive.

Section 5. Miscellaneous Provisions.

(a) **Non-Waiver.** No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Agreement will be effective unless it is in writing and signed by the waiving Parties.

(b) **No Partnership.** Nothing contained in this Agreement shall be construed to constitute any Party as a partner, employee, joint venturer, or agent of any other Party.

(c) **Notices.** All deliveries, notices, requests, demands or other communications provided for or required by this Agreement shall be in writing and shall be deemed to have been given when sent by registered or certified mail, return receipt requested; when sent by overnight carrier; or upon email confirmation to sender of receipt of a facsimile communication which is followed by a mailed hard copy from sender. Notices shall be addressed as specified in each Party's signature block.

(d) **Severability.** In case any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions of this Agreement, but this Agreement shall be construed as if such invalid, illegal, or unenforceable provisions had not been contained herein.

(e) **Time is of the Essence.** Time is of the essence regarding each and all of the agreements, covenants, and conditions of this Agreement.

(f) **Ambiguities.** Any rule of construction to the effect that ambiguities are to be resolved against the drafting party does not apply in interpreting this Agreement.

(g) **Integration.** This instrument constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior offers and negotiations, oral or written.

(h) **Amendment.** This Agreement may be modified only in writing and only if signed by the Taxing Entities and the City at the time of the modification. Following the execution of this Agreement, the Successor Agency's consent shall not be required for any modification of the Agreement.

(i) **Governing Law.** This Agreement shall be construed and interpreted according to the laws of the State of California, excluding its conflict of law principles. Proper venue for legal actions will be exclusively vested in a state court in the County of Santa Clara. The Parties agree that subject matter and personal jurisdiction are proper in state court in the County of Santa Clara and waive all venue objections.

(j) **Counterparts.** This Agreement may be executed in one or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same instrument.

(k) **Contract Execution.** Unless otherwise prohibited by law or County policy, the parties agree that an electronic copy of a signed contract, or an electronically signed contract, has the same force and legal effect as a contract executed with an original ink signature. The term "electronic copy of a signed contract" refers to a transmission by facsimile, electronic mail, or other electronic means of a copy of an original signed contract in a portable document format. The term "electronically signed contract" means a contract that is executed by applying an electronic signature using technology approved by the County.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING COVER MEMO

To: El Camino Healthcare District Board of Directors
From: Jon Cowan, Executive Director Government Relations & Community Partnerships
Date: May 19, 2026
Subject: Community Benefit Sponsorships

Purpose:

To provide the Board with FY2026 ECHD Sponsorships in March 2026 – April 2026.

Summary:

1. Situation: Community Benefit Staff was asked to keep the Board informed regarding Community Benefit Sponsorships YTD.
2. Authority: Board reviewed and approved \$90,000 for Sponsorships in the FY2026 Community Benefit Plan in June 2025.
3. Background:
 - Sponsorship information and instructions are available on the District website.
 - Requests include sponsorship packets that outline the event date, purpose, levels of sponsorship and requirements for sponsor acknowledgement. These requests are reviewed throughout the year on a rolling basis by Community Benefit Staff and the other designated departments that provide community sponsorships (e.g., Marketing & Communications and Government Relations & Community Partnerships).
 - Community Benefit-funded Sponsorships provide general support for health-related agencies improving the well-being of the community.
 - Community Benefit Sponsorships from March 1, 2026 – April 30, 2026 totaled **\$10,000** (Sponsorships occur at different times throughout the year.
 - Sponsored at \$10,000 or more – N/A
 - Sponsored at \$5,000 or less than \$10,000
 - Community Services Agency MVLA – Afternoon event
 - Pancreatic Cancer Action Network – Run
 - Sponsored at less than \$5,000 – N/A

EL CAMINO HEALTHCARE DISTRICT BOARD MEETING MEMO

To: El Camino Healthcare District Board of Directors
From: Jon Cowan, Executive Director Government Relations and Community Partnerships
Date: May 19, 2026
Subject: FY2026 El Camino Healthcare District Midyear Grant Performance and Community Benefit Update

Purpose:

To provide information regarding midyear grant performance and Community Benefit updates.

Summary:

1. **Situation:** At the midpoint of each fiscal year, Community Partnerships staff review midyear grant reports to assess metric and budget performance against targets as well as review qualitative information on program successes, challenges and trends. Staff prepare a summary (below) midyear dashboard and grant performance appendix (Attachments 1 and 2).
2. **Authority:** The report is prepared by the Community Partnerships staff and approved by the Executive Director of Government Relations and Community Partnerships prior to presentation to the District Board.

3. **Background:**

For FY2026, El Camino Healthcare District (ECHD) invested \$8,413,000 in Community Benefit grants to address unmet local health needs. The framework for the grant funding priorities is the most recent El Camino Hospital Community Health Needs Assessment (CHNA), which is conducted every three years, as required by federal regulations.

A. **Grants Overview:** \$8,413,000 for 59 grants:

- 17 Healthcare Access & Delivery grants at \$4,226,400
- 19 Behavioral Health grants at \$1,877,800
- 12 Diabetes & Obesity grants at \$1,260,600
- 3 Chronic Conditions (other than diabetes and obesity) grants at \$474,600
- 8 Economic Stability grants at \$573,600

B. **Staff Innovation Grants (SIG):**

- Health Care Navigator-The Health Care Navigator continues to provide assistance to patients who are screened and assessed by either the RN case manager or MSW social worker and face barriers to care following hospital discharge, particularly those affected by social determinants of health with securing housing, food security, transportation, mental health support, and follow-up care with primary healthcare providers by connecting patients with local resources.
- Population Health Program Manager-The Population Health Program Manager has supported several accomplishments of the program through midyear including approval of a vendor partner for the adult self-management

FY2026 El Camino Healthcare District Midyear Grant Performance and Community Benefit Update
May 19, 2026

of prediabetes, the onboarding of the marketing partner for the district-wide Prediabetes Risk Awareness Campaign, as well as a build-out of a FY26-27 operational roadmap across all three workstreams and development of participant intake flow mapping.

- C. **Two-Year Grants:** FY2024-FY2025 marked the first term for two-year school healthcare and mental health programs and community services agencies grants. Another two-year term started for the continuing ten grants for FY2026-FY2027. The feedback from agencies continues to be overwhelmingly positive, noting that sustained funding will help improve staffing models and reduce grant administration time.
- D. **Acknowledgement of Funds:** FY2026 grant agreements include guidelines for acknowledging ECHD funds through a variety of channels, with the following results to date:
- 100% of eligible grants have implemented mobile and/or building signage.
 - There was an overall increase in acknowledgement of funds compared to FY2025 midyear.
- E. **Grantee Convening Update:** The Community Partnerships team conducted a joint El Camino Healthcare District and El Camino Health Community Partner Convening titled: Building Stronger Partnerships to Address Diabetes & Obesity – Driving Cross-Agency Collaborations. Twenty-two individuals attended representing 15 partner agencies delivering diabetes and obesity programs funded through the El Camino Healthcare District and El Camino Health grant programs. Participants identified that stronger cross-sector partnerships are essential to align efforts, extend reach, and reinforce consistent health messaging. Additionally, partners contend food insecurity; cost; and limited access to culturally relevant prevention resources; remain major barriers to addressing diabetes and obesity. Another notable theme that was shared through the convening was the importance of early intervention and education through physical activity and access to safe, supportive environments as critical but constrained by limited funding and resources. Grantees were highly supportive of multi-year grants which alleviate administrative efforts while helping organizations focus on longer-term, impactful programming.
4. Assessment:
- A. **Grants Community Health Themes:** Reflected in the yearend dashboard (Attachment 2)
- Navigating healthcare systems and insurance coverage changes continues to grow more complex for older adults. Additionally, social isolation challenges affect many older adults that live alone or lack nearby family support which may increase reliance on case management staff coordination, monitoring, and connection to community resources.
 - Program staff focused on assisting patients and community members with renewals to help prevent insurance coverage loss. Ongoing economic pressures disproportionately affect low- and moderate-income individuals, older adults on fixed incomes and working families. Many patients continue to face complex socioeconomic and structural barriers that affect their ability to

FY2026 El Camino Healthcare District Midyear Grant Performance and Community Benefit Update May 19, 2026

access healthcare, in particular preventative care highlighting the importance of coordination of care as critical to improving health outcomes.

- As insurance coverage declines, preventive services—such as routine screenings, pap smears, and annual exams—are expected to decrease. Patients without insurance often delay or forgo preventive care, seeking help only when they have acute symptoms or treatment needs and urgent clinical support.
- Programs cite students and families' concerns related to immigration, student absenteeism and overall family instability which have contributed to increased generalized and social anxiety, and emotional distress among students, highlighting the ongoing need for trauma-informed, culturally responsive, and supportive counseling services. Collectively, these trends support the growing need for comprehensive mental health services, including increased supports such as preventative education, and early intervention strategies to address anxiety, social-emotional skill development and healthy relationship behaviors across the student population.
- School healthcare programs recognize overall increased need and identified workforce needs to address the increased demand. Although enrollment has steadily decreased, they cite increased student health needs with much more chronic disease at school that require focused care and higher skill level in staff. At the same time, they see higher numbers of students who require free and reduced lunch, indicating low socioeconomic status, and a higher lack of access to healthcare. They assert there is an ongoing need for flexible, community-based approaches, with group wellness activities and integrated care models proving effective in reaching some of the most vulnerable populations.
- Some smaller programs find they are still experiencing trickle-down effects although they are not directly federally funded, including impacts from private foundation reductions due to changes in strategy including cutting their budgets or shifting their funding priorities to basic needs or other areas in response to federal cuts.

B. Grants Metrics Performance

- All Programs:
 - 62% of grants met or exceeded 90% across all of their metrics (FY2025 = 69%)
 - 31,997 community members served (FY2025 = 27,014 served)
- Largest grant programs (\$100K+):
 - 28 grants = \$7,036,100 (84% of total grant funding approved)
 - 70% of grants met or exceeded 90% across all of their metrics (FY2025 = 73%)
 - 24,858 community members served (FY2025 = 16,958 served)
- Two-Year Grants
 - 10 grants = \$2,292,100 (27% of total grant funding approved)
 - 60% of grants met or exceeded 90% across all of their metrics
 - 5,665 community members served

Community Benefit Dashboard Notes

● A metric receives a "green" indicator if performance against target is 90% - 100%+
 ● A metric receives a "purple" indicator if performance against target is 75% - 89%
 ● A metric receives a "blue" indicator if performance against target is 0% - 74%

N/A There are some 6-month metric targets with "N/A" because the client/patient has not had significant exposure to the intervention in order to accurately evaluate effectiveness or because activities or surveys are not scheduled until the second half of the year.

Community Benefit Dashboard Notes

● A metric receives a "green" indicator if performance against target is 90% - 100%
 ● A metric receives a "purple" indicator if performance against target is 75% - 89%
 ● A metric receives a "blue" indicator if performance against target is 0% - 74%

N/A There are some 6-month metric targets with "N/A" because the client/patient has not had significant exposure to the intervention in order to accurately evaluate effectiveness or because activities or surveys are not scheduled until the second half of the year.

Community Benefit Dashboard Notes

● A metric receives a "green" indicator if performance against target is 90% - 100%+ ● A metric receives a "purple" indicator if performance against target is 75% - 89% ● A metric receives a "blue" indicator if performance against target is 0% - 74%

N/A There are some 6-month metric targets with "N/A" because the client/patient has not had significant exposure to the intervention in order to accurately evaluate effectiveness or because activities or surveys are not scheduled until the second half of the year.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Summary of grants with amounts of \$100,000 or more, 2-year grants, and/or metrics met performance of 74% or less.

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
American Diabetes Association	\$30,000		0%	<i>Project Power</i> -In collaboration with community partners, the program is set for Spring implementation and therefore did not achieve metric targets by midyear. They expect to meet program goals by yearend.
American Heart Association (AHA)	\$119,200		54%	<i>Healthy Hearts Initiative</i> -This is the first full grant year using the "Train-the-Trainer" approach for the Healthy Hearts Initiative to educate clinicians and staff at partner organizations to integrate blood pressure screening protocols into operations. In addition to training, the program facilitated resource sharing and technical assistance, including establishing referral pathways to FQHCs for individuals identified during screenings as uninsured or undocumented, which has led to improving access to care for vulnerable populations, bridging gaps in the system, and reducing barriers to essential services. -While the program model has proven effective, the underperformance at midyear is due to an administrative delay with the legal teams both internally at AHA and also with AHA's key partner on this project, MidPen. This led to significant delays in FY26 program start, and impacted progress toward the 6-month metrics targets. AHA anticipates this to be quickly caught up and is on track for yearend FY26 targets.
AnewVista Community Services	\$30,000		73%	<i>Equal access to Information & Resources; Enhancing Seniors' Quality of Life</i> -In-person classes were slowed due to lack of instructor and on-site availability, however in-person classes and office hours have been scheduled at Los Altos and Sunnyvale in coming months, and the organization expects to meet FY26 yearend targets. -To outreach to the community, program staff were also able to attend and support the Sunnyvale, Los Altos and Mountain View Health Fairs.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Avenidas (Formerly Friendly Voices)	\$14,500		46%	<p><i>Reducing Isolation and Loneliness-Induced Depression Amount Seniors in the El Camino Healthcare District</i></p> <ul style="list-style-type: none"> -The merger of Friendly Voices into Avenidas created temporary challenges affecting program activities. -Following state approval in late September, and agreement on grant continuity in October, staff focused on ensuring volunteers felt continuity, formalized program policies and procedures, and training to support referrals to additional services. -These efforts temporarily slowed new client and volunteer placements, leading to a brief waitlist period which has ended. -Despite these challenges, the program maintained quality service and is now fully positioned to expand outreach and meet full program targets by yearend.
Chinese Health Initiative	\$275,000		90%	<p><i>Chinese Health Initiative</i></p> <ul style="list-style-type: none"> -The Diabetes Prevention Program exceeded its services provided due to good attendance for their webinars and classes. However, it fell short of meeting its individuals served in the first six months, noting that fewer events and classes are typically offered during the first half of the fiscal year. As a result, only one 4-month session was completed during this period. The program plans to launch two new cohorts in the second half of the fiscal year, which they say will allow them to catch up and meet their annual targets. -The collective impact metric, "Number of individuals with one or more improved biometrics (BMI, weight, and/or A1c)" target was not quite met at midyear which was attributed to the A1C screening taking place after midyear reporting on January 21. They shared that A1C results will be available for many participants following the event, and they anticipate that the number will increase and approach the target. Updates for this metric will be provided at a later date. -Key accomplishments included: Recruiting 111 participants for the 4-month Diabetes Prevention Series; providing one-on-one consultations with registered dietitians to 56 participants as well as offering individualized nutrition support; and launching a monthly peer support group for program graduates to encourage ongoing engagement, accountability, and long-term behavior change.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
City of Sunnyvale - Columbia Neighborhood Center	\$57,200		36%	<p><i>Shape Up Sunnyvale, Year 6</i></p> <p>-The City of Sunnyvale reported challenges due to the current socio-political and economic environment which led to a decrease in community participation.</p> <p>-They have made programmatic adjustments to ensure the services meet the current needs of the community by partnering with ECHD Sunnyvale schools to serve the highest need families that are on CalFresh, that may be fearful of registering for public assistance and/or lack transportation. With the changes, the program aims to meet the annual target metrics.</p>
Community Services Agency of Mountain View, Los Altos, and Los Altos Hills (CSA MV-LA)	\$326,600	✓	93%	<p><i>Senior Services Intensive Case Management</i></p> <p>-The program exceeded the projected clients served during the reporting period. They find the increase reflects steady community demand and effective outreach. However, the number of services delivered was lower than estimated. CSA MV-LA said they are actively strengthening services delivery processes positioning the program to meet the goals in the next reporting period.</p> <p>-The clients' nutrition assessment scores exceeded expectations as the program stated they focused on early identification including ongoing monitoring of nutrition-related needs through strong client engagement, and coordination with nutrition support services. Additionally, CSA MV-LA overperformed on the fall risk assessment metrics due to the team's proactive, preventive approach, routinely incorporating fall risk screenings into client assessments and follow-up particularly for higher-risk individuals.</p>

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
County of Santa Clara, Santa Clara Valley Healthcare (SCVH)	\$326,000		100%	<p><i>Dental Services in Sunnyvale and Mountain View</i></p> <ul style="list-style-type: none"> -SCVH continued to experience increased patient demand and vastly overperformed volume and program metrics. The program has seen a rise in service needs among underserved populations. -Through the increased patient demand, and because emphasis has been placed on maintaining oral health and preventive care, SCVH outperformed the outcome metric of patients who receive prophylactic cleanings. -The MV dental clinic increased their capacity and optimized patient scheduling as an ongoing effort to improve patient access to care. -SCVH stated they were able to exceed the target for the number of individuals establishing care with a primary care physician by focusing on patient-centered, whole-person care, that is accessible and comprehensive primary and specialty care to improve patient health outcomes. Multi-disciplinary care teams and referral coordination ensure dental patients can effectively and efficiently establish care with a primary care provider or specialist.
Cupertino Union School District (CUSD)	\$220,000	✓	60%	<p><i>Student Health Services</i></p> <ul style="list-style-type: none"> -The program exceeded the volume metrics because it was supporting new student needs which increased service appointments. However, because the screening schedule did not include sessions prior to the mid-point of the term, families have not received referrals or had follow up yet. CUSD expects to meet the collective impact metric of number of individuals receiving follow-up care after a health screening by year end. -The program has already doubled the vaccine clinics held compared to the same time last year, with a plan to have more clinics in the Spring. Additionally, School Health Services has successfully brought all vision and hearing screenings in house this year for all schools, performing the screenings and making any needed referrals for further care. -CUSD would like to offer more frequent vaccination clinics or host on-site vision and dental exams with guest providers; however, limited staffing and time constraints make it difficult to expand services beyond the existing obligations.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Cupertino Union School District	\$102,500	✓	94%	<p><i>Mental Health Counseling</i></p> <ul style="list-style-type: none"> -CUSD exceeded expected individuals served but fell short of their target for the services provided and collective metric of number of hours of counseling/care management sessions provided to youth for the first half of the year. -The volume had increased significantly for individuals served because the program expanded small group support throughout the week, meeting a variety of needs and more students. However, there were less services provided for the students who received individual and group counseling services. -Additionally, a new mental health provider and new principal may have contributed to the slower start receiving referrals with the onboarding of these roles that initiate and maintain the counseling process. -Targets were initially estimated based on previous staffing and the provider went on leave at the beginning of the school year. The replacement is now hired, and the program anticipates they will meet year-end targets.
El Camino Health, Health Library & Resource Center, Mountain View	\$175,000		96%	<p><i>El Camino Health, Health Library & Resource Center, Mountain View</i></p> <ul style="list-style-type: none"> -The Health Library & Resource Center exceeded the target individuals served, and services provided in the first six months which they attributed to increased outreach opportunities as well as incoming phone calls. -However, the program was just below expectations for the collective impact metric of individuals enrolled in a clinical or community service based on needs identified by their support group/dietitian navigator. They found this result was related to transition for the Alzheimer's Disease Support Group leader and should improve with the new leader in place. They also increased participation in the Dietitian consultations from the same time last fiscal year.
El Camino Health - Care Coordination	\$150,000		99%	<p><i>Healthcare Navigation Specialist</i></p> <ul style="list-style-type: none"> -The program met all program metrics for the first half of the year. -Care Coordination observed more medically complex patients with many older adults requiring more in-depth case management and care navigation support for longer periods.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
El Camino Health - Integrated Care Management	\$247,000		100%	<p><i>El Camino Healthcare District Population Health Program Manager</i></p> <p>-Through December 2025, the program approved a vendor partner for the adult self-management of prediabetes.</p> <p>-Additionally, the marketing partner was brought onboard for the district-wide Prediabetes Risk Awareness Campaign.</p> <p>-Other successes through the period include a build-out of a FY26-27 operational roadmap across all three workstreams and development of participant intake flow mapping.</p>
El Camino Health MV RoadRunners Transportation Program	\$165,000		98%	<p><i>El Camino Health MV RoadRunners Transportation Program</i></p> <p>-The program met or exceeded the targets for the first half of the term.</p> <p>-Staff finds there has been an estimated 15% increase from last year in younger adult riders using the service.</p> <p>-RoadRunners states they continue to be a trusted and dependable transportation resource in the community using Lyft to provide on-demand rides within minutes of request of client's request for a ride.</p>
Friends For Youth	\$30,000		46%	<p><i>Mentoring for Mental Health</i></p> <p>-Friends for Youth reported experiencing challenges due to the current socio-political and economic environment, which has led to less mentors who have the time available to volunteer individually mentoring with youth. As a result, they have had a lower number of 1-to-1 mentor matches than anticipated, and therefore a lower number of case management sessions provided by midyear.</p> <p>-In response to these shifts in the community and to continue serving the youth on the individual mentoring waitlist, the program is making several adjustments by conducting monthly virtual group mentoring sessions starting in 2026 to support ongoing case management and ensure that youth are connected to a form of mentoring support while in queue for individualized mentoring. With these changes in place, they are aiming to achieve the annual targets as planned.</p>

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
LifeMoves	\$160,000		75%	<p><i>Behavioral Moves and LVN at Mountain View</i></p> <p>-The LVN and BH services provided at the Mountain View site location have successfully delivered consistent, on-site clinical support to address both immediate health needs and longer-term stabilization for clients. The coordinated services continue to allow residents to receive health assessments, medication support, and referrals that lower barriers to care and improve overall health stability.</p> <p>-LifeMoves noted that increased demand for clinical services requiring a higher degree of coordination continues to be a challenge, and they continue to improve their service model (through flexible staffing, clinical training, and partnerships) to ensure services remain responsive, accessible, and aligned with these evolving needs.</p> <p>-At the 6-month mark, the volume metrics are showing as an underperformance, however, LifeMoves noted they have identified a possible reporting issue causing underreporting, and they are anticipating the reporting issue to be resolved before the end of the FY26 cycle.</p>
Los Altos School District	\$150,000	✓	88%	<p><i>Mental Health Counseling</i></p> <p>-One of the two school sites was able to meet its service targets; however, at the other site, staff changes affected results. It took approximately three months to post and fill the vacant position, which significantly impacted service delivery. During this time, other staff members supported students in crisis, but the absence of a consistent clinician meant they were unable to maintain a stable caseload of students.</p> <p>-Despite the staff vacancy period, the program remains on track to meet annual targets. They hired a highly qualified individual to fill the vacancy.</p> <p>-At the other site, staffing remains stable, and a key achievement was the successful launch of more continuum of care supports on campus, outreach to a more broad and diverse student population, including students from varied socioeconomic backgrounds who may not traditionally access counseling due to stigma or barriers.</p> <p>-The program implemented a more systematic process for identifying students in need of counseling services, including the establishment of a waitlist system when demand exceeded capacity.</p>

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Lucile Packard Foundation for Children's Health on behalf of Lucile Packard Children's Hospital Stanford	\$103,000		92%	<p><i>Stanford Teen Van</i></p> <ul style="list-style-type: none"> -The program is reporting a slight reduction in the number of immigrant youth seeking services, perhaps as a result of the political changes affecting the population. This is based on anecdotes from both school staff and students. -The team maintained high rates of patient engagement and continuity of care, with over 70% of patients returning for follow-up visits. -Additionally, the team developed a three-part curriculum focused on mental health, reproductive health, and nutrition, and provided educational wellness sessions at high-need partner sites. The ongoing distribution of harm reduction materials and education remains a key strategy for addressing opioid/substance use risks in the community. The program also continued to provide vaccinations and overall health maintenance.
Momentum for Health	\$290,000		58%	<p><i>La Selva Community Clinic</i></p> <ul style="list-style-type: none"> -La Selva Community Clinic did not meet volume metrics or the collective impact metric, the number of hours of counseling/care management sessions provided to adults. -The program stated the flow of referrals has been slower than typical. To mitigate this challenge, La Selva has been focusing on strengthening connections with other local agencies to rebuild referral pathways, and they anticipate they will achieve annual targets.
Mountain View Whisman School District	\$336,000	✓	100%	<p><i>Health Services Grant</i></p> <ul style="list-style-type: none"> -The school district met planned metrics for the first 6 months including the impact metric of students out of compliance with required immunizations who become compliant. -The program reported an increase in the number of assessments for students that might need additional support or services through the school district. They continue to work with individual families to help schedule appointments with clinics as there may be communication barriers between families and healthcare facilities. -The nurses supported by the grant are essential to helping students who require medical care during camp and other field trips to obtain the required documentation from the doctor as well as staffing the field trips to provide medical care for safe participation for the students.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Mountain View-Los Altos Union High School District (MVLA)	\$220,000	✓	78%	<p><i>School-Based Mental Health and Case Management Services</i></p> <ul style="list-style-type: none"> -MVLA was below target for their expected volume and collective impact metric of number of hours of counseling/care management sessions provided to youth by midyear. They did, however, exceed the outcome metric of patients enrolled in a clinical and/or community service based on needs identified by their navigator/care manager. -The program attributed the shortcoming to shifting to a partner community-based organization and different internal team to complete a portion of intake screenings and crisis services, as well as a decrease in referrals to the mental health team in comparison to last fall. -MVLA will monitor the volume based on the trend in the previous year in which services and referrals increased come Spring. Further, they may make an assessment based on their findings. For FY26, they have a new data collection system to capture "caseload" service hours, and they are anticipating this will enhance accuracy of data collection.
National Alliance on Mental Illness - Santa Clara County	\$120,000		99%	<p><i>Community Peer Program</i></p> <ul style="list-style-type: none"> -During the reporting period, the program met all metric targets, and the grant enabled the program to provide peer support with individuals who were self-referrals and hospital referrals from case managers. -Additionally, mentors gave 5 presentations during the discharge planning session at the Adult Mood Program and shared their recovery journey and resources with about 200 patients. Mentors also shared recovery resources and answered questions from 90 patients at the Continued Care Program at El Camino Hospital every month during the reporting period.
On-Site Dental Care Foundation	\$200,000		99%	<p><i>North County Oral Health and Education Program</i></p> <ul style="list-style-type: none"> -The mobile oral health program has met targets at the 6-month point. -They reported more patients are being retained in care, and continuing to see the dentists at On-Site Dental on a regular basis, and as a result saw less recurring caries, and less tooth loss in those patients. 64% of the visits provided were recall visits, and 61% of those recall visits had complete treatment at the recall appointment, meaning the only treatment needed is their next checkup and cleaning. -This year's mid-term report shows more new patients than at the same time last year. More treatment plans are being completed as well.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
				-On-Site Dental continues to assist patients with referrals to medical doctors to get blood pressure under control and specialist follow-up, as needed.
Peninsula Healthcare Connection	\$220,000		88%	<p><i>New Directions</i></p> <p>-The program exceeded the individuals served target but were below the services provided target and the collective impact metric of individuals enrolled in a clinical or community and/or community service by the six-month point.</p> <p>-New Directions attributed this to a lower rate of engaged referrals compared to previous grant years, resulting in fewer services delivered overall. They stated they continue to work closely with El Camino Health staff to better identify patients who are both willing to engage and most likely to benefit from the New Direction services. To support this effort, the program has provided additional program materials, including specific case examples, to better illustrate the breadth of services and supports the program offers and to inform staff considering referrals.</p>
Planned Parenthood Mar Monte (PPMM)	\$250,000		75%	<p><i>Increasing Access to Comprehensive Health Care at the PPMM Mountain View Health Center</i></p> <p>-Through the first 6 months of the term PPMM maintained continuity during patient transitions as their family medicine program approached its planned sunset in November 2025, staff worked proactively to ensure patients had uninterrupted access to essential services. This included preparing advance prescription refills, responding to patient calls, and providing support to individuals who had not yet been able to establish care with a new primary care provider. PPMM bridged services beyond the formal end of the program through continued limited but critical support such as completing prior authorizations and submitting required documentation to medical supply companies to prevent gaps in care.</p> <p>-The program exceeded patient care projections despite the changes. Additionally, the service projections were developed during a period of considerable uncertainty due to federal defunding, including administrative changes, shifts in Medi-Cal reimbursement eligibility, and anticipated declines in preventive care utilization. Their overall metric performance result was brought down by underperformance of the outcome of hemoglobin A1c of less than 9 for diabetes patients. Despite these challenges, the program surpassed volume and the collective impact expectations of patients establishing case with a PCP/specialist as a result of agency services. They stated this was driven in part by their continued role as a trusted provider for</p>

				sensitive health screenings and by a surge in patients seeking care due to long wait times for primary care appointments elsewhere.
Playworks, Northern California	\$228,800		99%	<p><i>Playworks, Sunnyvale and Mountain View</i></p> <ul style="list-style-type: none"> -Playworks programming across Sunnyvale and Mountain View continues to demonstrate strong performance and were very close to meeting their volume metrics at midyear. -The program’s collective impact and outcome metrics will be captured at yearend. -The program reported the strong volume metric performance was due to their team of seasoned coaches, knowledgeable program specialists, and long-standing, collaborative school partnerships, which allowed them to provide customized support for each school’s unique needs. -Staff highlighted a few successes at midyear, sharing that schools made measurable progress in building consistent recess routines and expanding student leadership; increased staff training and site-level ownership improved supervision, transitions, and overall playground consistency; and high coach retention and successful adaptation to TeamUp and Relay models supported steady progress districtwide.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Ravenswood Family Health Network (MayView Clinics) (RFHN)	\$1,300,000		100%	<p><i>Primary Healthcare, Dental and Integrated Behavioral Health Services to Low-Income Residents of El Camino Healthcare District</i></p> <p>-Ravenswood (RFHN) has exceeded all metrics for the 6-month target. RFHN’s Steering Committee, composed of clinical and operations leadership, has been actively working to address care gaps, including breast and cervical cancer screenings, childhood immunizations, comprehensive diabetes management, and other critical preventive and chronic care needs. Their efforts focus on enhancing workflows, improving processes, and implementing targeted pilot projects to close gaps in care delivery. For example, regarding breast cancer screening, RFHN will be providing an updated refresher on coordination of appointments and scheduling workflows, which may vary depending on the referral site. Additionally, they have also developed a more detailed guide that outlines best practices for scheduling and coordination to ensure consistency and clarity across all referral locations.</p> <p>-The organization has established a Data Governance Committee, whose role includes creating consistent data definitions, developing policies and frameworks for how AI is used across the organization, and thoughtfully and responsibly reviewing AI usage.</p> <p>-To further expand provider capacity in ECHD, a new family medicine physician has been hired at MayView Mountain View.</p>
Rebuilding Together Silicon Valley	\$30,000		0%	<p><i>Safe and Healthy Homes for Older Adults in Sunnyvale</i></p> <p>-They have not spent any of the allotted funds by the mid-year mark. The reason for this is that the organization did not properly account for the time to outreach and identify clients in the area, as Sunnyvale is a new area they are expanding to with the launch of the grant.</p> <p>-The program is anticipating they will still meet the FY26 yearend targets as there are several clients in the service queue, with projects scheduled to begin soon.</p>

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Roots Community Health	\$70,000		40%	<p><i>Improving Diabetes and Obesity Health Outcomes in the ECHD African American Community</i></p> <ul style="list-style-type: none"> -Through the launch of the new program in ECHD, Roots was able to outperform the number of planned individuals served and services provided in the first six-months through the wellness education program and A1c/BP outreach testing and follow up. -The overall metrics met underperformed expectations because the program started with outreach, engaging with community partners and developing and distributing promotional materials to ramp up the planned wellness walking group which is scheduled to start in the second half of the year. -Based on feedback and interest with community partners and potential participants, they anticipate they will reach planned program metrics by yearend.
South Asian Heart Center (SAHC)	\$310,000		100%	<p><i>AIM to Prevent</i></p> <ul style="list-style-type: none"> -SAHC's heart disease and diabetes prevention program met all metric targets at midyear. -The program attributed their strong midyear performance to continued efforts in building relationships with key community agencies as well as their well-attended monthly online huddles with physician speakers to engage community members in health education and prevention. -Staff shared a few key accomplishments at midyear, including hosting a screening of <i>The Brown Heart</i> documentary, which featured the SAHC and highlighted the high incidence of heart disease in South Asians. They also reported the release of the ABC Risk Profile guidelines, a resource offering comprehensive recommendations for screening and managing diabetes and cardiovascular risks tailored to South Asians. They noted the guidelines are being used to standardize care and improve early detection and intervention.

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Sunnyvale Community Services (SCS)	\$266,900	✓	90%	<p><i>Social Work Case Management/Homebound Case Management</i></p> <p>-The program met the volume metrics as well as the collective impact metric of individuals with improved living conditions as a result of services.</p> <p>-However, SCS missed the mark for the outcome metric of client self-sufficiency assessment scores six months after entering the program. They state the reason for this is that the case management service enabled participants in the program to remain stably housed despite medical emergencies or chronic medical conditions. However, the low-income households in high-cost region still face significant barriers to achieving long term stability and self-sufficiency.</p> <p>-They reported that the intersection of healthcare access, housing insecurity, and financial instability is becoming more pronounced. Medically vulnerable populations are at higher risk for negative health outcomes when housing, income, or benefits are uncertain. Addressing these challenges requires a coordinated approach that integrates housing support, healthcare access, and benefits navigation, ensuring that residents can maintain stability and health in a rapidly changing socioeconomic environment.</p>
Sunnyvale Community Services	\$131,700	✓	98%	<p><i>Comprehensive Safety Net Services</i></p> <p>-The program met all program metrics set for the midyear.</p> <p>-SCS notes that by bridging gaps left by federal benefit reductions, the Safety Net program not only alleviated immediate financial stress but also strengthened families' long-term stability and resilience. They find that these efforts represent a significant accomplishment, reinforcing the program's role as an essential lifeline for low-income families and a critical component of the community's overall safety net.</p>

Appendix A: ECHD FY2026 Midyear Grant Performance Summary

Agency	Awarded Amount	2-year	Metrics Performance	Performance Narrative
Sunnyvale School District	\$344,400	✓	89%	<p><i>Healthcare Grant</i></p> <ul style="list-style-type: none"> -Sunnyvale School District did not meet their individuals served target but did achieve the services provided goal. -They surpassed expectations for the collective impact metric, number of individuals establishing care with a PCP or specialist. They also met or exceeded their goals for students who failed vision or hearing screening and saw their healthcare provider and students out of compliance with required immunizations who become compliant. -During the first half of the year, the school district expanded the dental partner services from three to five schools, increasing access to essential oral health care for students to receive dental exams, cleanings and treatments. -During the first half of the year, the program prioritized mandated screenings and coordination of school health services. Support for families to help them access follow-up vision, hearing and other health services in the community is expected to increase in the second half of the year.
YWCA Golden Gate Silicon Valley	\$105,000		97%	<p><i>ARISE</i></p> <ul style="list-style-type: none"> -One major accomplishment in the reporting period was the hiring of a staff clinician trained to provide evidence-based therapy that supports survivors of sexual assault in healing from trauma by reducing distressing symptoms and improving emotional regulation and daily functioning. This essential therapy modality and intervention elevated the quality, effectiveness, and trauma-informed services provided to sexual assault survivors. -The program recognized barriers that reduced awareness and access despite strong interest in workshop content. To mitigate these challenges, YWCA will increase advanced promotion both internally and externally. YWCA will strengthen the referral system by utilizing internal referrals from therapists and YWCA program staff, ensuring eligible clients are identified and encouraged to participate. Additionally, staff will expand outreach by increasing workshop visibility among community-based partners, strengthening referral pipelines and awareness of these services and adjusting program timing to accommodate client work and childcare and to reduce barriers to participation and strengthen client engagement in psychoeducational workshop services.

FY2027 Healthcare Access & Delivery Application Summary

Healthcare Access & Delivery
(Including Oral Health)

AgeUp, Inc.

Program Title	Kindness Crew	Recommended Amount: DNF
Program Abstract & Target Population	Community Enrichment Manager provides relationship-based social engagement to reduce isolation and increase positive engagement through volunteers supporting consistent connection within long-term care settings as well as community education for older adults not living in facilities. Kindness Crew complements existing healthcare services, fills a critical service gap supporting emotional well-being, dignity, and belonging for seniors who are often disconnected from the community.	
Agency Description & Address	<p>1455 Madison Avenue Redwood City, CA 94061 www.age-up.org</p> <p>AgeUp, formerly Ombudsman Services of San Mateo County, brings more than 25 years of experience advocating for older adults and people with disabilities while expanding its mission to address broader quality-of-life gaps across the aging continuum. Through a recent name change and strategic expansion, AgeUp now delivers innovative community-based programs that promote dignity, connection, and informed decision-making for older adults, caregivers, and families. In addition to its core long-term care advocacy work, AgeUp provides social engagement initiatives, volunteer programs, and community education designed to reduce isolation and improve well-being. AgeUp also offers advanced healthcare planning and navigation workshops, including education on patient rights, care options, and advance care planning, delivered in multiple languages to ensure accessibility and equity for diverse communities.</p>	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Program services will be delivered at multiple community-based and facility-based sites within the El Camino Healthcare District service area. • Community education lectures and Advance Healthcare Directive workshops will be offered at local senior centers and public libraries within the district. Specific locations will be confirmed in coordination with community partners based on availability, accessibility, and community need. • Kindness Crew programming will take place on-site within participating long-term care facilities, including skilled nursing facilities, assisted living communities, and board-and-care homes that express interest in participating. Services will be delivered directly within these facilities to ensure accessibility for residents. • Program coordination and administrative activities will be managed through AgeUp's administrative office, with staff traveling to community and facility-based sites as needed.

Avenidas

Program Title	Avenidas Door-to-Door Transportation Program for Seniors - Mobility Matters		Recommended Amount: DNF	
Program Abstract & Target Population	Director of community mobility & volunteer engagement, driver and dispatcher lead the transportation program designed to work in close coordination with the other El Camino Healthcare District-funded initiatives, including case management and care coordination at the Avenidas Rose Kleiner Center and the Friendly Voices program. Dependable transportation increases attendance for the adult day health program, enhances treatment outcomes, and supports consistent health monitoring. For Friendly Voices participants, transportation reduces isolation by connecting seniors to in-person services, healthcare providers, and community resources, complementing the program's focus on emotional connection and mental well-being.			
Agency Description & Address	450 Bryant Street Palo Alto, CA 94301 www.avenidas.org For over 55 years, Avenidas has been dedicated to supporting older adults and caregivers in Santa Clara County. Our mission is to empower seniors to live vibrant, engaged, and healthy lives through comprehensive programs that cater to their unique needs while providing caregivers with a dependable support system. Key programs include: - Avenidas Rose Kleiner Center, our adult day health care facility in Mountain View; - Avenidas Care Partners for personalized care management and caregiver support; - Door-to-Door transportation with volunteer drivers; - Specially curated health and wellness classes; - Avenidas Chinese Community Center to offer culturally relevant programming and services; - Avenidas Rainbow Collective to support LGBTQ+ seniors. Our programs are designed to assist underserved, at-risk older adults, ensuring no one is left behind.			
Program Delivery Site(s)	All scheduling and coordination activities occur at this site for service locations within ECHD: Avenidas, 450 Bryant St, Palo Alto, CA 94301			
Services Funded By Grant	<ul style="list-style-type: none"> • Ride scheduling, coordination, and follow-up (average 30 minutes per ride) • Provision of approximately 125 assisted rides annually to medical appointments • Safety monitoring and client support during transport (average 30 minutes per ride) • Ongoing volunteer supervision and quality assurance 			
Budget Summary	Full requested amount funds the portion of a driver, director of community mobility & volunteer engagement, dispatcher and outreach staff as well as IT/phone, marketing expenses and administrative overhead.

Healthcare Access & Delivery
(Including Oral Health)

El Camino Health - Care Coordination – Two Year Application

Program Title	Health Care Navigation Specialist	Recommended Amount: \$150,000												
Program Abstract & Target Population	Health care navigator provides assistance with securing housing, food security, transportation, mental health support, and follow-up care with primary healthcare providers by connecting patients with local resources. The primary beneficiaries of this program are patients who face barriers to care following hospital discharge, particularly those affected by social determinants of health who are screened and assessed by either the RN case manager or MSW social worker during hospital admission and live within ECHD.													
Agency Description & Address	2500 Grant Road Mountain View, CA 94040 https://www.elcaminohealth.org/patients-visitors/guide/while-youre-here/patient-resources/care-coordination El Camino Health has several times been designated a nursing magnet hospital by the American Nursing Credentialing Center. Specialties include acute rehabilitation, cardiac care, dialysis, cancer care, maternal child health services, orthopedics, neurosurgery and behavioral health. The hospital has 420 beds in Mountain View and a second smaller hospital (about 50 beds) in Los Gatos. The care coordination department supports patients with care transitions and discharge planning.													
Program Delivery Site(s)	All services are provided over the phone and based out of our care coordination offices located in Sobrato at 2500 Grant Road, Mountain View CA 94040													
Services Funded By Grant	<ul style="list-style-type: none"> • Conducts post-discharge supportive outreach phone calls to patients. • Assists patients with applications for aid programs, including SSDI, SDI, CalFresh, and Medi-Cal insurance. • Provides guidance and support in completing intake forms for patients seeking shelters, counseling, or other post-acute hospital services. • Facilitates connections to community health follow-up resources to ensure continuity of care. • Conducts quarterly check-ins with local community partners to stay updated on changes in services or application processes. • Maintains collaborative relationships with community organizations to streamline referrals and improve patient access to resources. • Offers ongoing support to address barriers related to social drivers of health (SDOH) and helps patients navigate complex systems. • Ensures that patients receive appropriate follow-up and are linked to programs that support their recovery and well-being. 													
Budget Summary	Full requested amount funds salary and benefits for health care navigator.

El Camino Health - RoadRunners Transportation Program

Program Title	El Camino Health MV RoadRunners Transportation Program		Recommended Amount: \$165,000	
Program Abstract & Target Population	Funding for coordinator and department assistants and Lyft transportation partner to provide healthcare transportation service for seniors and disabled community members to medical facilities within the El Camino Healthcare District.			
Agency Description & Address	530 South Drive Mountain View, CA 94040 https://www.elcaminohealth.org/community/roadrunners-transportation The El Camino Health RoadRunners Transportation program is a community-based transportation service that is available to ambulatory clients and patients, specializing in seniors and the disabled who are unable to drive. The Roadrunner has close working relationship with community physicians, community clinics, local Community Services agencies, as well as other medical facilities within our district. Unfortunately, a growing number of seniors who are no longer able to drive may face isolation and loneliness in addition to limited access to medical care and may not even know what community services and resources are available.			
Program Delivery Site(s)	RoadRunners Transportation, 530 South Drive, Mountain View, CA 94040			
Services Funded By Grant	RoadRunners uses its on-demand transportation partner Lyft to book and to monitor rides for older residents or residents who have transportation barriers, to reach medical appointments and other requested locations within a 10-mile radius of El Camino Health.			
Budget Summary	Full requested amount funds a portion of salary and benefits for coordinator and department assistants as well as facilities expenses, supplies and other costs.

Kyle J. Taylor Foundation

Program Title	Protecting Young Hearts: Screenings for Foothill College Student-Athletes and Mountain View Youth	Recommended Amount: DNF	
Program Abstract & Target Population	Trained medical professionals perform EKGs on youth, ages 13-25, mostly young athletes, which is then read and discussed with a cardiologist. An echocardiogram is performed if needed and referrals are made if additional follow-up is needed.		
Agency Description & Address	5205 Rucker Drive San Jose, CA 95124 https://www.kylejtaylor.org/ The Kyle J. Taylor Foundation was founded in 2018 after the sudden loss of Kyle Taylor, who passed away from Sudden Cardiac Arrest (SCA) at age 18. Healthy and compassionate, Kyle had no known heart conditions, underscoring how silent and unpredictable SCA can be in youth. His family, unaware of the risk until tragedy struck, chose to transform their loss into action. The Foundation honors Kyle's legacy through three core efforts: raising awareness of youth SCA, providing heart screenings to identify risks early, and strengthening emergency readiness with AED donations and CPR training. As the only nonprofit in Northern California focused on youth heart screenings, the Foundation is dedicated to preventing future loss and ensuring access to lifesaving resources. Video: https://youtu.be/xEi64iukcIM		
Program Delivery Site(s)	<ul style="list-style-type: none"> Foothill College, 12345 El Monte Road, Los Altos Hills, CA 94022 Mountain View community site (To Be Determined, potentially from our network of churches, community centers, or non-profits). 		
Services Funded By Grant	<ul style="list-style-type: none"> The Foundation would like to continue providing screenings to student-athletes at Foothill Community College and expand to the public through a community event in Mountain View. Three screening events would take place in the fall, winter, and spring of the 2026-2027 academic year, averaging of 130 students per event. We would like to offer a public screening event at a Mountain View community site (potentially from our network of churches, community centers, or non-profits) to draw a larger audience. For comparison, our screening events, in partnership with the Peninsula Health Care District and open to the community, average 246 participants. Each screening event is 4-6 hours, with additional hours for setup and closing (on average, 8 hours per event). 		
Budget Summary	Full requested amount funds partial salary for Executive Director as well as facilities/utilities expenses, ECHO and EKG equipment, gloves and other medical and site set up supplies, along with some administrative costs.

LifeMoves

Program Title	Behavioral Health + Physician-Supervised LVN Services at HomeKey Mountain View	Recommended Amount: \$210,000	
Program Abstract & Target Population	LVN (with Physician Supervision) and BehavioralMoves programs provide individual and group counseling and health services at the agency's Mountain View Interim Housing Community for individuals experiencing homelessness. The program treats mostly adults (85%) with priority for seniors and individuals with chronic health conditions, and most are covered by Medi-Cal or Medicare, or are uninsured.		
Agency Description & Address	2550 Great America Way, Suite 201 Santa Clara, CA 95054 www.lifemoves.org LifeMoves is a Silicon Valley-based nonprofit that partners with communities to help unhoused neighbors move from crisis to stability. We operate interim supportive housing communities and deliver coordinated, person-centered services that remove barriers to housing - including outreach and navigation, case management, employment and benefits support, and children and family services. We work in collaboration with public agencies, healthcare partners, and community-based organizations across San Mateo and Santa Clara counties to deliver responsive, culturally competent services and measurable outcomes. Our goal is simple: support each person's path to safe, stable housing and long-term wellbeing.		
Program Delivery Site(s)	<ul style="list-style-type: none"> Homekey Mountain View Interim Supportive Housing Community, 2566 Leghorn St, Mountain View, CA 94043

Mountain View Whisman School District

Program Title	Health Services Continuity of Care Program	Recommended Amount: \$75,000
Program Abstract & Target Population	<p>School nurses and clerk provide more continuity of health services care by increased follow up with families regarding assessments, injuries, or vaccinations, connecting them with community resources, and a more streamlined health data information system. These additions will help to provide more collaborative care to families and to address disparities in access to health care resources, providing a holistic approach to care. The Health Services Continuity of Care Program adds a new level of care and connection particularly important for economically disadvantaged and homeless students, those speaking languages other than English, and those who have special needs.</p>	
Agency Description & Address	<p>1400 Montecito Avenue Mountain View, CA 94043 www.mvwsd.org</p> <p>Mountain View Whisman School District (MVWSD) is located in Mountain View, CA, in the heart of Silicon Valley. MVWSD serves a diverse student population from preschool through eighth grade representing a wide range of ethnicities, languages, cultures, and economic status. Mountain View Whisman School District's mission is to demonstrate a relentless commitment to the success of every child on a daily basis. Our priorities are academic excellence, strong community, and a broad worldview. We prepare our students for the world ahead by challenging, inspiring, and supporting them to thrive in a world of constant change.</p>	
Program Delivery Site(s)	<p>Mountain View Whisman School District located in Mountain View, CA 94043. On-Site Dental Care Foundation

Program Title	Access for All		Recommended Amount: \$230,000	
Program Abstract & Target Population	Dentist, dental assistants, treatment case manager, and program manager provide comprehensive oral health services and education for vulnerable community members in Mountain View and Sunnyvale. Target population includes homeless, low-income seniors, LBGQT+, low-income or homeless veterans, and low-income families.			
Agency Description & Address	6525 Crown Boulevard San Jose, CA 95120 www.osdcf.org On-Site Dental Care Foundation provides comprehensive oral health services and education to those with little or no access to dental care. Services are provided via a mobile dental clinic that locates in areas identified by the public health department as experiencing health disparities. Regular practices are established in these areas so the residents have access to on-going oral health care. Our goal is to improve long term oral health as well as overall health. Our services help improve patient's economic mobility, self-esteem and employability. With on-going care, our patients will lose less teeth, and less functionality loss as they age. Our retention rate on the Sunnyvale practice is approximately 75%, of which 90% have improved overall oral hygiene and health.			
Program Delivery Site(s)	<ul style="list-style-type: none"> 785 Morse Avenue, Sunnyvale will be the primary location for services, however sometimes we do referrals for some procedures to our 2400 Moorpark Avenue, San Jose site. 			
Services Funded By Grant	<ul style="list-style-type: none"> New patient exam - exam, perio charting, blood pressure screening, oral cancer screening, medical history review, and full mouth xrays 45 mins Recall exams (3, 4 or 6 months) exam, and prophylaxis every visit. (xrays 4 bitewings, 3 PA's, medical review and perio charting done once a year). 30-60 mins SRP - deep cleaning 60 mins per quad Fillings - 45-60 minutes depending on number surfaces Extractions - 45-60 minutes depending on if its routine or surgical Crown preps - 90 minutes Various other needed dental procedures with varying procedure time needed

Pathways Home Health and Hospice

Program Title	Pathways Uninsured and Underinsured Care Program		Recommended Amount: \$82,500	
Program Abstract & Target Population	Nurse, physical therapist, social worker, and program director provide high-quality home health and hospice services to un/underinsured individuals living in the El Camino Healthcare District who are recovering from illness or surgery, managing a chronic disease, or coping with life threatening conditions so this vulnerable population receives the home health or hospice care prescribed by their doctors which allows them to remain in their homes as healthy as possible; to avoid rehospitalization and emergency room visits; and to reconnect patients back to their primary care physicians for ongoing health management.			
Agency Description & Address	585 North Mary Avenue Sunnyvale, CA 94085 https://www.pathwayshealth.org Pathways provides high-quality home health, hospice, and palliative care with kindness and respect, promoting comfort, independence and dignity. Non-profit, community-based Pathways has been a pioneer in home health, hospice, and palliative care since 1977. With offices in Sunnyvale, South San Francisco and Alameda, Pathways serves more than 4,000 families annually in five Bay Area counties. Pathways cares for patients wherever they live - at home, in nursing homes, hospitals and assisted living facilities. We also provide grief counseling and bereavement services free of charge to anyone in the community.			
Program Delivery Site(s)	Home health and hospice services are provided in patients' residences or in care settings such as hospitals and skilled nursing facilities. Due to federal patient privacy laws (HIPAA), individual addresses cannot be disclosed; however, all patients supported by this grant will reside within the El Camino Healthcare District service area.			
Services Funded By Grant	Services are individualized based on physician orders and patient needs and may include: <ul style="list-style-type: none"> • Skilled nursing visits • Medical social work consultations • Physical, occupational, and speech therapy • Home health aide support for personal care • Medication management and pharmacy consultation • 24-hour on-call nursing support • Service frequency varies according to patient condition, acuity, recovery trajectory, and clinical orders.

Ravenswood Family Health Network – Two Year Application

Program Title	Primary Healthcare, Dental, Integrated Behavioral Health Services and Chronic Condition Management services to Low-Income Residents of El Camino Healthcare District	Recommended Amount: \$1,500,000
Program Abstract & Target Population	Physicians, nurse practitioner, medical assistants, scribes, dentist and dental assistant serve low-income residents of ECHD, providing high-quality, culturally competent medical, dental, and integrated behavioral health services in each patient's desired language essential to keeping district residents out of the emergency room and improving the health of the community. ECHD patients have access to pediatrics, health education, women's health, social services, integrated behavioral health, family medicine, adult medicine, podiatry, dentistry, optometry, pharmacy, mammography, ultrasound, x-ray, lab, health education, chiropractic care, chronic condition management and enrollment located at the Mountain View and Sunnyvale Clinic.	
Agency Description & Address	1885 Bay Road East Palo Alto, CA 94303 https://ravenswoodfhn.org/ Ravenswood Family Health Network (RFHN) is a federally qualified health center. We operate five clinical sites—MayView Community Health Center clinics in Mountain View, Sunnyvale, and Palo Alto; and Ravenswood Family Health Center and Ravenswood Family Dentistry in East Palo Alto. We provide a comprehensive scope of health care services including pediatrics, women's health, family medicine, integrated behavioral health, social services, dentistry, podiatry, optometry, pharmacy, mammography, ultrasound, x-ray, lab, health education, chiropractic care, and enrollment. Our mission is to improve the health of the community by providing culturally sensitive, integrated primary and preventative health care to all, regardless of ability to pay or immigration status, and collaborating with community partners to address the social determinants of health.	
Program Delivery Site(s)	While most district residents come to the Mountain View and Sunnyvale clinics for their care since these sites are located within the district, ECHD residents have the option to receive services at any of the locations in Mountain View, Sunnyvale, Palo Alto, and East Palo Alto. This allows ECHD patients to access care near their home and work. <ul style="list-style-type: none"> • MayView Mountain View Clinic (94040) • Dental mobile clinic stationed in front of the MayView Mountain View Clinic (94040) • MayView Sunnyvale Clinic (94085) • MayView Palo Alto Clinic (94306) • Ravenswood Family Health Center in East Palo Alto (94303) • Ravenswood Family Dentistry in East Palo Alto (94303)

FY2027 Healthcare Access & Delivery Application Summary

Healthcare Access & Delivery
(Including Oral Health)

RotaCare Bay Area

Program Title	RotaCare Sunnyvale (service site of RotaCare Bay Area) A Safety Net Below the Safety Net in North Santa Clara County	Recommended Amount: \$30,000
Program Abstract & Target Population	RotaCare Sunnyvale is a volunteer-driven medical clinic providing free, culturally-accessible primary and specialty care to uninsured and underserved community members, while connecting patients to social services in a 'One-Stop-Shop' hub at the Columbia Neighborhood Center. By offering comprehensive, evidence-based care and wraparound support, the clinic prevents costly emergency visits, supports community well-being, and ensures no one is turned away, regardless of background or ability to pay.	
Agency Description & Address	514 Valley Way Milpitas, CA 95035 http://www.rotacarebayarea.org/ RotaCare Bay Area, Inc. (RBA) was formed in 1989 with a single clinic in Santa Clara, by Dr. Mark Campbell and the Campbell Rotary Club out of their concern for low income residents with limited access to primary healthcare. Since then, RBA has grown to encompass 11 free clinics operating across eight Bay Area counties, mobilizing over 1,500 volunteer medical and support personnel. RBA is unique in that clinics are operated primarily through the mobilizing of local physicians, nurses, and many others to volunteer their time to provide basic primary health services free of charge to patients. Clinics are open one to three nights per week, often sharing a clinic location with a school health center, hospital clinic, within community centers.	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Columbia Neighborhood Center (785 Morse Ave, Sunnyvale, CA 94085) 	
Services Funded By Grant	<ul style="list-style-type: none"> • Acute Care Clinical Appointments: 15-minute consultations for minor illnesses (flu, respiratory issues, infections) and acute symptom management • On-site Point-of-Care Diagnostic Testing: 10-minute rapid testing (blood glucose, pregnancy, strep) performed during clinical sessions as needed • Laboratory and Imaging Referral Coordination: Administrative support to process complex blood work and diagnostic imaging orders with external partners • Medication Assistance and Enrollment: 20-minute sessions to provide prescription and assist patients with pharmaceutical Patient Assistance Program (PAP) for free/low-cost medications • Specialty Care Patient Navigation: Dedicated coordination to connect patients requiring advanced treatment • Social Determinants of Health Resource Connections: 15-minute "warm hand-off" sessions connecting patients to food (Sunnyvale Community Services), housing, and other social services (Columbia Neighborhood Center). • Weekly Clinical Sessions: At least one 4-hour evening session with language interpreting per week serving North County communities 	
Budget Summary	The full requested funds will support personnel expenses for a part-time Clinic Administrator who oversees daily operations, volunteer coordination, and patient intake at RotaCare Sunnyvale. Non-personnel expenses will support essential clinic supplies, infrastructure and compliance needs, ensuring the delivery of free, high-quality healthcare to underserved patients.

Healthcare Access & Delivery
(Including Oral Health)

Sunnyvale School District

Program Title	Healthcare Grant Enhanced Access Program	Recommended Amount: \$75,000
Program Abstract & Target Population	<p>Nurses and health assistants provide health screenings, assessments, and services for elementary school students at all 10 sites of Sunnyvale Elementary School District. The Healthcare Grant Enhanced Access program will enhance screenings for students in preschool and special education by using evidence-based specialized equipment and also enable development of protocols and staff training on these new school health services. Additionally, the program will develop new partnerships and enhance previous collaborations with community based organizations to bring services directly to the school sites.</p>	
Agency Description & Address	<p>819 West Iowa Avenue Sunnyvale, CA 94086 http://www.sesd.org</p> <p>Sunnyvale School District's Promise is that "Every student is known by name, strength and need, ready to excel in high school and beyond, and to lead a life of joy and purpose." Per our Equity Statement, "In Sunnyvale School District we believe that equity and anti-racist practices lead to learning without limits". Our team includes 992 highly qualified educators, administrators, and support staff whose primary goal is to enable the approximately 5900 students enrolled in our schools to achieve academic success. Our district is comprised of a comprehensive preschool program, eight elementary schools serving students in transitional kindergarten through fifth grade, and two middle schools serving students in sixth through eighth grade.</p>	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Bishop Elementary School, 450 N. Acknowledge Alliance

Program Title	Resilience Consultation Program	Recommended Amount: \$70,000
Program Abstract & Target Population	Licensed mental health professionals (LMFT, LCSW), program director and program manager provide individual and group mental health counseling to teachers, principals, other educators and school staff as well as classroom observation, professional development, and crisis intervention for educator needs contributing to the positive mental health for underserved youth. Support serves students between 2nd and 8th grade indirectly in all the schools in the Sunnyvale and Mountain View Whisman School Districts.	
Agency Description & Address	2483 Old Middlefield Way ste 201 Mountain View, CA 94043 www.acknowledgealliance.org At Acknowledge Alliance, our mission is to promote lifelong resilience and mental wellness in children and youth and strengthen the caring capacity of the adults who influence their lives. We envision communities where youth feel more competent and cared about in schools and in their lives; educators feel more supported and enriched in their work with students and colleagues; and education settings create safe, compassionate, and nurturing environments where everyone there feels cared for, competent and resilient. Our core program is the Resilience Consultation Program (RCP) which serves K-8 public and private schools in San Mateo and Santa Clara Counties, and impacts over 800 educators and nearly 12,000 students (directly and indirectly) annually.	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Bishop Elementary, 450 N Sunnyvale Ave, Sunnyvale • Cherry Chase Elementary, 1138 Heatherstone Way, Sunnyvale • Cumberland Elementary, 824 Cumberland Drive, Sunnyvale • Ellis Elementary, 550 E Olive Ave, Sunnyvale • Fairwood Elementary, 1110 Fairwood Ave, Sunnyvale • Lakewood Elementary, 750 Lakechime Dr, Sunnyvale • San Miguel Elementary, 777 San Miguel Ave, Sunnyvale • Vargas Elementary, 1054 Carson Drive, Sunnyvale • Columbia Middle School, 739 Morse Ave, Sunnyvale • Sunnyvale Middle School, 1080 Mango Ave, Sunnyvale • Amy Imai Elementary, 253 Martens Ave., Mountain View • Benjamin Bubb Elementary, 525 Hans Ave. Mountain View • Crittenden Middle School, 1701 Rock St., Mountain View • Edith Landels Elementary, 115 West Dana St., Mountain View • Gabriela Mistral Elementary, 505 Escuela Ave., Mountain View • Isaac Newton Graham Middle School, 1175 Castro St., Mountain View • Jose Antonio Vargas Elementary, 220 N. Child Advocates of Silicon Valley

Program Title	Behavioral Health Advocacy Program for School Aged Foster Youth	Recommended Amount: \$60,000	
Program Abstract & Target Population	Court Appointed Special Advocate (CASA) Supervisors provide CASA volunteers with experienced coaching that supports the CASA program advocacy work for, and the health development of, school-age foster youth (ages 6-17) in the El Camino Healthcare District. The population served is low-income (at or below 100%-150% FPL), as they are all children in the SCC foster care system, and are, therefore, dependents of the Court. All of the children the program serves are eligible for the Free Lunch program and participate in MediCal for all medical and dental needs.		
Agency Description & Address	509 Valley Way Milpitas, CA 95035 www.childadvocatessv.org Child Advocates' mission is to be there for every foster child in Santa Clara County who has experienced abuse, neglect and/or abandonment. We are responsible for operating the county's only Court Appointed Special Advocate (CASA) Program, which entails recruiting, training and supporting CASA Volunteers according to the National CASA Association standards. We envision a Silicon Valley where every foster child has the nurturing support and resources needed to thrive. We accomplish this by reviewing the case of every child (0-21) who enters the Santa Clara County Dependency System and assigning them a CASA Volunteer. Foster youth face challenges in accessing healthcare due to system complexities and placement disruptions. CASA Volunteers provide trusted support and advocate to ensure they receive appropriate services and resources.		
Program Delivery Site(s)	<ul style="list-style-type: none"> Our central office is located at: 1800 Hamilton Ave, Suite 200, San Jose, CA 95125 Program delivery happens throughout SCC; CASAs visit their youth in SCC cities Grant funding will go towards foster youth from Sunnyvale, Mountain View, and Cupertino 		
Services Funded By Grant	<ul style="list-style-type: none"> 10-12 hours / month of CASA advocacy and case support services PCE activities, including visits to museums, theater arts, open space areas Quarterly CASA discussion groups and monthly workshops and an annual CASA Summit- to encourage group discussion and peer support and strengthen CASA knowledge around a variety of behavioral health issues One-on-one consultations between CASAs and their CASA Supervisors (as needed) 		
Budget Summary	Full requested amount funds partial salary for 1 FTE Court Appointed Special Advocate (CASA) Supervisor and program delivery supplies.

Community School of Music and Arts

Program Title	Artistic Intelligence & NeuroSpark Art Programs		Recommended Amount: DNF
Program Abstract & Target Population	Art faculty staff provide arts based behavioral health program serving neurodivergent children, teens, and adults to reduce social isolation, improve emotional regulation and peer engagement through structured creative expression. The model follows best practices in arts-based social-emotional learning, as well as consistent weekly engagement, small class sizes, and inclusive community integration experiences.		
Agency Description & Address	230 San Antonio Circle Mountain View, CA 94040 www.arts4all.org Founded in 1968, CSMA is guided by a simple belief: the arts should be accessible to everyone, not only those with financial means. Today, CSMA is one of the region's largest nonprofit arts education providers, serving nearly 30,000 children and adults annually. Programs include early childhood music and art; Art4Schools and Music4Schools, delivering weekly standards-based instruction to 20,000+ students across 38+ schools; and comprehensive Music and Art Schools offering lessons, ensembles, studio classes, camps, and workshops. The Artistic Intelligence Program provides inclusive arts education for teens and adults with disabilities. CSMA also presents free community concerts and gallery exhibitions reflecting diverse cultures, and Corporate Arts programs that foster creativity and wellness. Financial aid and subsidies ensure equitable access across all programs.		
Program Delivery Site(s)	Community School of Music and Arts, 230 San Antonio Circle, Mountain View, CA 94040

Eating Disorders Resource Center (EDRC)

Program Title	Support Towards Recovery and Getting Connected	Recommended Amount: \$25,000	
Program Abstract & Target Population	Program manager and staff lead support groups and warmline to provide case management and resources for individuals struggling with eating disorders offered virtually, by phone and at agency site. Most individuals are low-income with half of them on Medi-Cal or uninsured.		
Agency Description & Address	2542 South Bascom Avenue ste 110 Campbell, CA 95008 https://edrcsv.org/ EDRC is a nonprofit organization dedicated to promoting recovery, creating awareness, and advocating for equitable access to eating disorder treatment. EDRC's warmline provides eating disorder treatment resources, insurance help, and general support. We host weekly support groups for those struggling with eating disorders and body image, and their friends and families. EDRC also assists with referrals and maintains a directory of eating disorder treatment providers in the Bay Area. Additionally, we educate healthcare providers and community members on identifying eating disorders and providing information on treatment and resources for those who may be struggling. Our student volunteer program introduces high school students to careers in mental health and engages them in mental health advocacy through peer-to-peer education, social media campaigns, and event coordination.		
Program Delivery Site(s)	2542 South Bascom Ave., Suite 110, Campbell, CA 95008		
Services Funded By Grant	<ul style="list-style-type: none"> • 3 free weekly support groups for those struggling with eating disorders, and their family and friends • Our monthly Ask the Experts series, a public event hosted by our Saturday support group • Daily warmline to provide resources, referrals, and an active listener to support individuals by eating disorders • Monthly educational outreach programs for schools, hospitals, and community members • Guidance for clients through insurance difficulties and coverage

El Camino Health Substance Use Navigator Program

Program Title	El Camino Substance Use Navigator (SUN) Program		Recommended Amount: \$120,000	
Program Abstract & Target Population	The El Camino Substance Use Navigator (SUN) Program provides crucial post-emergency department (ED) support for individuals diagnosed with substance use disorders, particularly those dealing with alcohol, opioid, and stimulant use. The program aims to reduce repeat ED visits, improve patient engagement with substance use treatment services, and connect patients with essential community resources. The program is targeted at high-risk populations, including Medi-Cal beneficiaries, the uninsured, and the unhoused.			
Agency Description & Address	2500 Grant Road Mountain View, CA 94040 www.elcaminohealth.org El Camino Health is a nonprofit, community-based health system serving the Silicon Valley region. Through its hospitals, outpatient clinics, and community programs, El Camino Health delivers high-quality, patient-centered care while advancing prevention, wellness, and population health. As part of its stewardship role, El Camino Health works in close partnership with the El Camino Healthcare District to reinvest tax dollars into community benefit initiatives that address priority health needs identified through the Community Health Needs Assessment. These efforts focus on prevention, early intervention, health equity, and long-term improvement in community health outcomes.			
Program Delivery Site(s)	El Camino Health - Mountain View Campus, 2500 Grant Road, Mountain View, CA 94040			
Services Funded By Grant	<ul style="list-style-type: none"> Substance use treatment navigation: Connecting patients to detox programs, MAT services, mental health care, and outpatient treatment programs. Two follow-up phone calls within 30 days of discharge, including a 7-day post-discharge check-in. Harm reduction kit distribution for opioid overdose prevention. Resource connection: Connecting patients to community resources such as housing support, mental health counseling, and addiction recovery groups. 			
Budget Summary	Full requested amount funds salary and benefits for the substance use navigator as well as non-personnel costs including but not limited to facilities, supplies, contracted vendor services, training and patient harm reduction and hygiene supplies and administrative overhead.

Kara

Program Title	Bereavement Support, Grief Education & Crisis Response for the Community	Recommended Amount: \$40,000
Program Abstract & Target Population	Clinical staff and program staff facilitate comprehensive bereavement support, death-related crisis response, and grief education for vulnerable populations provided via telehealth and various community locations. The target population is low-income individuals, people of color, and monolingual Spanish (or limited English) speakers, who have significant barriers to accessing grief services.	
Agency Description & Address	<p>457 Kingsley Avenue Palo Alto, CA 94301 www.kara-grief.org</p> <p>Guided by the values of empathy and compassion, Kara's mission is to provide grief support for children, teens, families and adults. Serving the community for over 48 years, Kara offers comprehensive bereavement support, death-related crisis response, grief education, and therapy to children, teens, and adults in the San Francisco Bay Area and beyond. Over 200 trained and supervised volunteers with experience in healing from their own losses contribute thousands of service hours annually. Created to be accessible, Kara's peer support and crisis services are provided free of charge, in English and in Spanish, and at various locations primarily in Santa Clara and San Mateo Counties. We provide services in a hybrid model, delivering grief support, training, and crisis response via telehealth and in-person.</p>	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Kara Service Locations Main Office: 457 Kingsley Avenue, Palo Alto, CA 94301 Youth and Family Program Site: All Saints Church, 555 Waverley Street, Palo Alto, CA 94301 Camp Kara: Camp Arroyo, 5555 Arroyo Road, Livermore, CA 94550 • Crisis response and grief education services are provided onsite at the clients locations or via phone or online as appropriate. As these services are specifically serving the requesting organization and in the case of crisis response, are responding to a tragedy, MOUs are not established to provide services. 	
Services Funded By Grant	<p>Proposed Services in English and Spanish</p> <ul style="list-style-type: none"> • Client intakes, typically one-hour • Individual peer support, typically weekly for one hour, unlimited duration • Group peer support in loss-specific, population specific, or general drop-in groups, biweekly for 1.5 hours, typically 8 - 10 weeks each • Group peer support for children and teens and concurrent parent groups, (2 x per month) for 1.5 hours, unlimited duration • Annual three-day grief camp for children 6 – 17 (equivalent of 6 months of group support) • Parent support for campers, typically 2 - 3 hours • Specialized grief support workshops throughout the year, ranging from 2-8 hours • Individual and family consultations, typically 1 hour • Crisis response onsite services event, typically 3-6 hours • Crisis response phone consultation, typically 1 hour • Grief training and education sessions, typically 2-3 hours • Community outreach presentations, typically 1.5 - 2 hours • Grief-related psychotherapy sessions, one-hour, unlimited duration, typically weekly or biweekly • Community events, typically 2.5-3 hours

Law Foundation of Silicon Valley

Program Title	Removing Barriers to Mental Health Access	Recommended Amount: \$110,000	
Program Abstract & Target Population	Attorneys and advocates help persons living, working, or going to school in the El Camino Healthcare District access safety-net benefits, health care, and housing by providing legal advice and ongoing representation to eligible individuals to help them access public benefits, health care, and housing and providing referral(s) as needed to other agencies and pro bono attorney.		
Agency Description & Address	4 North 2nd Street suite 1300 San Jose, CA 95113 www.lawfoundation.org The Law Foundation of Silicon Valley addresses systemic inequities that prevent low-income individuals and communities of color in Santa Clara County from accessing legal and economic resources. Through free legal services, education, and systemic advocacy, we help vulnerable communities secure vital disability and public benefits, ensuring a greater degree of economic stability, which is shown to improve health outcomes.		
Program Delivery Site(s)	<ul style="list-style-type: none"> The Law Foundation provides services at its office location in downtown San Jose, located at 4 North Second Street, Suite 1300, San Jose, CA 95113. Services are also provided to clients at other locations throughout the district when clients require home visits or other accommodations to access our services. Our team also provides presentations to other providers within the district, either in person or virtually, as requested. The Law Foundation will provide a monthly legal clinic for the Community Services Agency (CSA). The unsigned MOU has been attached for reference; the signed version will be submitted via email upon receipt from CSA. 		
Services Funded By Grant	This grant will allow us to dedicate the time of our attorneys and advocates to help persons living, working, or going to school in the El Camino Healthcare District access safety-net benefits, health care, and housing by: <ul style="list-style-type: none"> Providing legal advice and ongoing representation to eligible individuals to help them access public benefits, health care, and housing. The number of individuals served can vary widely depending on the scope, complexity, and length of each case. Providing referral(s) to another agency or a pro bono attorney when an individual's needs fall outside the scope of our expertise. 		
Budget Summary	Full requested amount funds partial salary and benefits for the attorney, intake staffing, supervising attorney, program management, org admin, rent, phone, mileage/travel, office/program supplies, litigation expenses, law library and membership fees, trainings and admin overhead.

Los Altos School District

Program Title	Enhanced Behavioral Health Prevention Program	Recommended Amount: \$100,000
Program Abstract & Target Population	Licensed mental health therapists will lead the expansion of the existing, high-performing junior high Behavioral Health model into a comprehensive prevention framework by implementing school-based intervention team through Pacific Clinics while maintaining direct clinical services. Additionally, the program will increase access to wellness centers, establish triage, intake and referral coordination systems and expand parent education and digital safety programming.	
Agency Description & Address	201 Covington Road Los Altos, CA 94024 https://www.lasdschools.org/ Los Altos School District (LASD) is a high-performing TK–8 public school district serving students in Los Altos, Los Altos Hills, and portions of Mountain View. With seven elementary schools and two junior high schools, LASD is deeply committed to educating the whole child by supporting academic excellence alongside social-emotional well-being. The district prioritizes safe, inclusive learning environments where every student feels seen, supported, and connected. Through embedded mental health professionals, Wellness Centers, and collaborative student support teams, LASD works proactively to address behavioral health needs and reduce barriers to care. Strong fiscal stewardship and community partnerships enable the district to responsibly implement programs that strengthen both student wellness and long-term success.	
Program Delivery Site(s)	<ul style="list-style-type: none"> Blach Intermediate School, 1120 Covington Road, Los Altos, CA 94024 Egan Junior High School, 100 W. Portola Avenue, Los Altos, CA 94022 	
Services Funded By Grant	<ul style="list-style-type: none"> Individual 30–45 minute therapy sessions (Tier III) provided by licensed mental health therapists. 10–20 minute therapeutic check-ins and follow-up monitoring. 30–45 minute small group counseling (8–12 week cycles) addressing anxiety, identity, peer relationships, and emotional regulation. Crisis intervention and suicide risk assessments (45 minutes to 4+ hours as needed), including safety planning and care coordination. Family meetings (30–60 minutes) providing parent guidance and treatment alignment. School-Based Intervention Team (SBIT) services delivering Tier I and II prevention and early intervention supports. Wellness Centers open throughout the full school day and before/after school for walk-in regulation and support. Student triage, case management, and referral coordination by Wellness Coaches. Parent education workshops and digital safety programming (ParenteAI, SmartSocial). Staff consultation and professional development in trauma-informed and social-emotional practices.

Behavioral Health
(Including Domestic Violence Trauma)

Lotus Family Services

Program Title	Family Connection Program		Recommended Amount: \$25,000	
Program Abstract & Target Population	Licensed and associate therapists/social workers will provide psychoeducational group training sessions, individual parent coaching and parent-child group retreat to identified at-risk youth including children and families involved with the Department of Family and Children Services including foster care, family maintenance/early intervention, domestic violence programs and shelters, juvenile justice involved, teen parents, family court, transitional housing or identified as high-risk through ACES screenings. Services will take place virtually, home-based or at the organization location.			
Agency Description & Address	6940 Santa Teresa Boulevard suite 3 San Jose, CA 95119 www.lotusfamilies.org Lotus Family Services is a non-profit group behavioral health practice which implements trauma-informed, family-centric mental health services aimed at addressing the complex needs of individuals and families who have experienced trauma, Adverse Childhood Experiences and family stress. Our clients are looking to heal from family stress, trauma or separation such as divorce, experience in the foster care and adoption systems, immigration, post-incarceration reunification, or are caring for children with emotional needs which make parenting challenging (such as neurosensitivities, developmental delays and mental illness). We provide bilingual, holistic, evidence-based treatment for individuals and family systems. Our model reduces barriers and increases access to quality mental health care for traditionally underserved populations who don't have access to advanced treatment modalities.			
Program Delivery Site(s)	<ul style="list-style-type: none"> Services will be provided at our location, virtually, or through home-based services as appropriate. Location address: 6940 Santa Teresa Blvd Suite 3 San Jose, CA 95119. We will also explore partnerships with the local library and community center to host groups as an alternative site as well as partner with the local school districts

National Alliance on Mental Illness - Santa Clara County

Program Title	Community Peer Program	Recommended Amount: \$165,000
Program Abstract & Target Population	Peer mentors lead in-person, virtual, and phone support sessions for individuals with severe mental illnesses at locations set by patient and peer mentor as well as providing Mentors on Unit in the inpatient and outpatient units at El Camino Hospital Behavioral Health.	
Agency Description & Address	<p>1150 South Bascom Avenue, 24 San Jose, CA 95128 www.namisantaclara.org</p> <p>NAMI-SCC's goal is to support, educate, and provide direction for self-advocacy for those living with mental health conditions and their families. Having knowledge and finding resources provides the ability to do this. It also helps to eliminate the stigma and discrimination that still exists on many levels. NAMI-SCC is a Community Resource Center for County residents since 1975. According to the 2025 Community Health Needs Assessment, Behavioral Health ranked high as a health need, being prioritized by more than three-quarters (77%) of the CHNA's focus groups and key informants combined. And in 2023, Santa Clara County Supervisor Susan Ellenberg said addressing the mental health and substance use crisis continues to be her top priority.</p>	
Program Delivery Site(s)	<p>El Camino Hospital Behavioral Health Department</p> <ul style="list-style-type: none"> • 2500 Grant Road, Mountain View, CA 94040 <p>Various community locations: Our Mentors meet with their Participants in a common location in Santa Clara County to connect and explore habits and behaviors to promote recovery using SMART goals. They may meet at the following locations:</p> <ul style="list-style-type: none"> • Coffee shop – Starbucks, Peets, bagel shops, tea places • Downtown walks • Library • Self-help centers • Multiple places – pick up coffee and go for a walk in the park • Museums • Recovery Café • Various parks <p>Support groups – AA, NAMI Connections, Depression and Bipolar Support Alliance</p> <ul style="list-style-type: none"> • NAMI Connection support groups • Once a month, In Our Own Voice presentations at El Camino Inpatient, Good Samaritan, Kaiser, and San Jose Behavioral Health. 	
Services Funded By Grant	<ul style="list-style-type: none"> • Sessions are 1-3 hours in person per week; • Mentors on Unit work on the inpatient and outpatient units at El Camino Hospital Behavioral Health for 6 hours each week. • Mentoring for Peer Participants includes once a week one-on-one visits with a Mentor for up to four months, twice a week check-in phone calls for up to four months, an introduction to resources like Recovery Café, support groups such as NAMI Connection, DBSA, and opportunities in the community (volunteering, classes, etc.) • Employment for Peer Mentors who have their own mental health condition. The wellness of these Mentors will be enhanced by the satisfaction of having paid employment and from opportunities for ongoing support and training. • Peer Connector – Entry level, intended as a support in connecting the Participant to resources that focus on their wellness plan, such as DBSA groups, AA/NA, SMART Recovery, and NAMI's courses.

Program Title	Senior Wellness Hikes	Recommended Amount: DNF
Program Abstract & Target Population	The Senior Wellness Hikes program provides older adults in the El Camino Healthcare District with safe, guided outdoor physical activity, nature-based health education, and social connection, using accessible routes and trained staff to support participants of varying abilities. This no-cost program promotes physical health, mobility, and overall well-being while reducing social isolation among seniors, particularly those living on fixed or limited incomes (with 60-70% of program participants living at or below 200% of the Federal Poverty Limit).	
Agency Description & Address	www.savedbynature.org Saved By Nature is a 501(c)(3) nonprofit organization whose mission is to inspire people of all backgrounds, ethnicities, and abilities to explore the natural wonders and recreational opportunities of the outdoors through transformative environmental education. We collaborate with partners to ensure mental, physical, and spiritual healing in nature. Through guided hikes, culturally responsive outdoor experiences, and accessible environmental education programs, Saved By Nature connects seniors, youth, and community members facing barriers to nature with meaningful opportunities to improve their well-being and build a deeper connection to the natural world.	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Rancho San Antonio Open Space Preserve - 22500 Cristo Rey Drive, Cupertino, CA 95014 • Stevens Creek Shoreline Nature Area - 3070 N Shoreline Boulevard, Mountain View, CA 94043 • Byxbee Park (Baylands)- 2375 Embarcadero Road. Palo Alto, CA 94303 • Don Edwards National Wildlife Refuge – Alviso - 1751 Grand Boulevard, San Jose, CA 95002 • Vasona Lake County Park / Los Gatos Creek Trail - 333 Blossom Hill Road, Los Gatos, CA 95032 • Santa Teresa County Park – Hidden Springs / Ohlone / Ridge Trails - 260 Bernal Road, San Jose, CA 95119 • Coyote Valley Open Space Preserve - 550 Palm Avenue, Morgan Hill, CA 95037 • Mt. Umunhum (Sierra Azul Open Space Preserve) - Mt. Umunhum Road, Los Gatos, CA 95033 	
Services Funded By Grant	<ul style="list-style-type: none"> • Monthly Senior Wellness Hikes (3 hours each) led by trained Saved By Nature outdoor educators • Guided physical activity on accessible trails appropriate for older adults • Nature interpretation and environmental education provided throughout each hike • Wellness-focused discussions on local ecology, history, and natural features • Safety instruction, pacing support, and mobility assistance during each event • Use of accessibility equipment such as stools, hiking poles, and adaptive supports as needed • Social connection activities that encourage conversation, community building, and reduced isolation • Opportunities for stress reduction and time in nature to support mental and emotional well-being 	
Budget Summary	Full requested amount funds Program Manager and Interpretive Programs Assistant roles to plan, coordinate, and deliver the Senior Wellness Hikes. Non-personnel costs support staff transportation, equipment, food, and other support (all provided at no cost to participants).

FY2027 Diabetes & Obesity Application Summary

Diabetes & Obesity

California University-Silicon Valley

Program Title	CUSV Integrative Diabetes Prevention Program (IDPP)	Recommended Amount: DNF
Program Abstract & Target Population	The proposed program provides a 15-week integrated Traditional Chinese Medicine (TCM) program for 40 at-risk adults in the El Camino Healthcare District service area, combining acupuncture, medical qigong, Tui-Na therapy, and culturally tailored nutrition education to reduce the risk of Type 2 diabetes and obesity. Delivered by a multidisciplinary team, the program targets low-income, underserved residents with prediabetes or elevated BMI, aiming to improve HbA1c, BMI, and overall metabolic health for vulnerable community members.	
Agency Description & Address	<p>441 De Guigne Drive, Suite 201 Sunnyvale, CA 94085 https://cusv.us</p> <p>California University – Silicon Valley (CUSV) is a nonprofit higher education institution and community clinic dedicated to academic excellence and health innovation. Based in Sunnyvale, CUSV integrates Traditional Chinese Medicine (TCM) with modern health sciences to prepare professionals for leadership in integrative healthcare. The University's mission focuses on providing comprehensive, ethical care that bridges the gap between ancient healing wisdom and evidence-based biomedical practices. Through its supervised teaching clinic, CUSV provides affordable, culturally responsive interventions—including acupuncture and medical qigong—to underserved populations. By collaborating with community partners, the University promotes sustainable behavior change and preventive wellness, addressing critical health disparities in the local landscape and empowering residents to take an active role in their long-term health and vitality.</p>	
Program Delivery Site(s)	<ul style="list-style-type: none"> California University – Silicon Valley, 441 De Guigne Dr, Sunnyvale, CA 94085 	
Services Funded By Grant	<ul style="list-style-type: none"> Initial Assessment: Each participant undergoes a 60-minute comprehensive TCM intake and clinical assessment to establish HbA1c and BMI baselines. Core Treatment: Weekly 30-minute acupuncture sessions for 8–12 weeks per participant, specifically focused on metabolic regulation and systemic inflammation reduction. Ancillary Manual Therapy: Biweekly 60-minute Tui-Na (meridian massage) sessions (approximately 7 sessions total) to improve peripheral circulation and joint mobility. Medical Qigong & Low-impact exercises: Biweekly 60-minute group classes featuring medical qigong and low-impact exercises tailored for safe movement for individuals with diabetes and obesity. Group Education: Monthly 90-minute education sessions covering TCM dietetics (food as medicine), weight management, stress reduction, and sleep hygiene from an evidence-based lifestyle perspective. Support: Monthly virtual check-ins to reinforce healthy behavior changes and ensure high program retention and appointment adherence. 	
Budget Summary	Full requested amount funds a Licensed Acupuncturist, Health Educator/Case Manager, and Project Coordinator to provide clinical care, outreach, and administrative support for 40 high-risk participants. Non-personnel costs include facilities/utilities, clinical supplies, participant wellness incentives, wellness equipment, multilingual educational materials, and administrative overhead.

City of Sunnyvale - Columbia Neighborhood Center – Two Year Application

Program Title	ShapeUp Sunnyvale, Year 7		Recommended Amount: \$76,200	
Program Abstract & Target Population	Grant assistant, recreation staff and therapeutic program staff facilitate inclusive fitness sessions with an expanded nature hike component and nutrition education programs for low-income Sunnyvale residents of all ages at the Columbia Neighborhood Center, Sunnyvale Community Center and Columbia Middle School in Sunnyvale.			
Agency Description & Address	785 Morse Avenue Sunnyvale, CA 94085 www.sunnyvale.ca.gov Columbia Neighborhood Center (CNC) supports and empowers youth and families so that the children of the community will develop the life skills necessary to be successful in school and beyond. The Centers' priorities are to serve: a) at-risk, limited income Sunnyvale youth as defined by their ability to qualify for Free and Reduced-Price School meals and/or the City's Recreation Scholarship Program, and b) families in Sunnyvale with limited access to basic services. CNC is a partnership between the Sunnyvale Elementary School District, the City of Sunnyvale, non-profit and business organizations. A priority area for CNC's program and service development is residents' physical health and wellness. In Fiscal Year 2023/24, CNC recorded a total of 42,879 participant hours in all programs, services and activities.			
Program Delivery Site(s)	<ul style="list-style-type: none"> • Columbia Neighborhood Center, 785 Morse Ave., Sunnyvale • Sunnyvale Community Center, 550 E. Remington Drive, Sunnyvale • Columbia Middle School, 739 Morse Ave., Sunnyvale • Various local, state and national parks throughout the Bay Area 			
Services Funded By Grant	<ul style="list-style-type: none"> • Two sessions (8-weeks each, 1x/week) of healthy meal kits with all necessary ingredients and instructions • Two seasons (Winter, Spring or Summer) of fitness activity selected by each participant (8 weeks in length, 2x per week or 16-24 hours of activity) • Weekly drop in open and fitness room for Columbia Middle School students during Late Start Day (1x/week for 90 minutes x 36 weeks) • Monthly nature hike in the Bay Area on a Saturday from 9:30 am to 3 pm (1x/month x 9 months) 			
Budget Summary	Full requested amount funds partial salary and benefits for the grant assistant, recreation staff and therapeutic program staff, as well as participant incentives, caterer/recreation fees and administrative overhead.

FY2027 Diabetes & Obesity Application Summary

Diabetes & Obesity

Fresh Approach

Program Title	Culturally Responsive Nutrition Education, Produce Prescriptions, and WIC Outreach	Recommended Amount: \$70,000
Program Abstract & Target Population	Nutrition educators provide culturally relevant nutrition education and cooking workshops, farmers market voucher program, and resources for low-income community members at Columbia Neighborhood Center in Sunnyvale and food pantries. The target population is individuals and families of all ages in households not meeting self-sufficiency standards and living in neighborhoods where access to affordable, nourishing produce is a key need in addressing health disparities. Through the WIC partnership, the program focus will expand to include WIC-enrolled mothers and young children.	
Agency Description & Address	5060 Commercial Circle suite c Concord, CA 94520 www.freshapproach.org Guided by an emphasis on community engagement—and in collaboration with a wide range of values-aligned partners—Fresh Approach is building more resilient food and farming systems through healthy food access, nutrition education, and urban agriculture. Fresh Approach's three-pronged strategy includes (1) providing food sourced with dignity that reflects cultural preferences for those in urgent need, and expanding choices via financial incentives at traditional and mobile farmers' markets, as well as through farm-fresh food boxes (2) offering nutrition education via the VeggieRx program, which "prescribes" the fruit and vegetable vouchers, and, (3) increasing community participation in climate resilience initiatives by providing resources and education on gardening, composting, and water management. Dignity, choice, and cultural competence are essential pillars that guide all our programmatic design and implementation.	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Sunnyvale Public Library, 665 West Olive Avenue Sunnyvale, CA 94088-3707 • Second Harvest of Silicon Valley (food pantries in multiple locations in Sunnyvale and Mountain View) • Urban Village Sunnyvale Farmers' Market, 121 W Washington Ave, Sunnyvale, CA 94086 • City of Sunnyvale Columbia Neighborhood Center, 785 Morse Ave, Sunnyvale, CA 94085 	
Services Funded By Grant	<ul style="list-style-type: none"> • VeggieRx Nutrition & Cooking Workshops: Six 12-week series (8 classes each; 1.5 hrs/each class) delivered online in English, Cantonese, and Spanish using a trauma-informed, culturally responsive curriculum. • WIC-Focused Peer Support: 1-hour follow-up sessions per series; includes dedicated sessions for mothers with young children to reinforce healthy habits and eWIC utilization. • Cooking Demonstrations: 12 in-person sessions at food pantries and community centers to provide hands-on skill-building. • VeggieRx Produce Vouchers: Distribution of \$30 weekly household vouchers for workshop participants (12 weeks) and \$6 vouchers for cooking demo attendees, redeemable at farmers' markets. • eWIC Integration & Outreach: Partnership with Santa Clara County WIC to provide targeted referrals, education on new eWIC card technology, and marketing resources designed to increase redemption rates among low-utilization households.

Diabetes & Obesity

Roots Community Health

Program Title	Improving Diabetes and Obesity Health Outcomes in the El Camino Health District Community	Recommended Amount: \$70,000	
Program Abstract & Target Population	Clinical staff provide diabetes and obesity screenings, disease management, care navigation, education and awareness activities to primarily benefit Medi-Cal insured, uninsured, and low-income African American adults, particularly those with poorly controlled diabetes, obesity, and elevated risk factors.		
Agency Description & Address	7272 MacArthur Boulevard Oakland, CA 94605 www.rootscommunityhealth.org Founded in 2008, Roots Community Health Center advances health equity by uplifting communities impacted by systemic racism and poverty. Originally established to address disproportionate health burdens in Black communities, Roots now serves Black, Indigenous, and other communities of color across Alameda and Santa Clara counties. Our Whole Health model integrates culturally responsive primary and behavioral healthcare with care navigation, workforce development, housing support, and prevention services to address both clinical needs and social drivers of health. Serving more than 10,000 individuals annually, Roots delivers community-led, data-informed solutions that improve access, health outcomes, and long-term community well-being.		
Program Delivery Site(s)	<ul style="list-style-type: none"> • Roots South Bay Clinic - 1898 The Alameda, Suite B, San Jose, Ca 95126 • Cuesta Park - 615 Cuesta Drive, Mountain View, Ca 94040 • YMCA Mountain View - 2400 Grant Road, Mountain View, Ca 94040 		
Services Funded By Grant	<ul style="list-style-type: none"> • Participate in community-based A1C diabetes screenings, including on-site risk assessments and referrals, when applicable at large community events (3-4 hours each), serving a total 100 adults annually. • Bi-weekly 90 minute group nutrition education sessions (26 annually) designed by a Registered Nurse and led by Clinical Programs team. • Monthly 60 minute exercise classes (12 annually), offered in-person, facilitated by Clinical Program Specialists. • Individual follow-up and care navigation for high-risk participants (minimum 2 contacts per participant over 6 months). • Targeted patient re-engagement outreach (phone/text) for overdue diabetes care (ongoing; minimum 10 high-risk patients per cycle). • Social media and culturally tailored health promotion campaigns (quarterly messaging pushes). 		
Budget Summary	Full requested amount funds partial salary and benefits for a clinical program specialist, health navigator, registered nurse, as well as A1C medical supplies, continuous glucose monitors materials and other outreach supplies, staff laptops and administrative overhead.

Silicon Valley Bicycle Coalition

Program Title	Bike to Health	Recommended Amount: \$40,000
Program Abstract & Target Population	The Bike to Health program offers monthly community rides and proposes adding a new Ambassador training initiative to bike safety education, health and nutrition training, and supportive resources. Services are delivered by certified leaders and SVBC staff, with funding supporting program operations, recruitment, and the development of Ambassador-led activities to engage and empower community members.	
Agency Description & Address	PO Box 1927 San Jose, CA 95109 www.bikesiliconvalley.org Silicon Valley Bicycle Coalition (SVBC) was incorporated as a 501(c)(3) in 1993 to create a community that values, includes, and encourages bicycling for all purposes for all people in Santa Clara and San Mateo Counties. SVBC builds healthier and more just communities by making bicycling safe and accessible for everyone. We work with public agencies, non-profit organizations, business partners, and community members to reach the overarching goal to increase the number and diversity of people using bicycles for everyday transportation. The intention behind this is to address many of our society's most pressing problems, particularly human health, as well as mental/emotional health, social isolation, and civic engagement.	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Mountain View Transit Center - 650 W Evelyn Ave. Mountain View, CA 94041 • Plaza del Sol, Sunnyvale - 200 W Evelyn Ave, Sunnyvale, CA 94086 • Eagle Park - 650 Franklin St, Mountain View, CA 94041 • Cuesta Park - 615 Cuesta Dr, Mountain View, CA 94040 • De Anza Park - 1150 Lime Dr, Sunnyvale, CA 94087 • Living Classroom schools in Mountain View: Monta Loma, Crittendenn and Theuerkauf - P.O. Box 4121, Los Altos, CA 94024 • Start locations of group rides need to be transit-friendly and nearby to restrooms, water, and a table for refreshments and paperwork. Program location can also be determined pending community partner interest. In 2026-27 we plan to develop partnerships with the YMCA and some area CBOs. 	
Services Funded By Grant	8 to 10 events of 2 – 4 hours in duration, with the following at each event <ul style="list-style-type: none"> • Bike safety check • Helmet fit check • Education about safety during a group ride and on urban streets • Supportive and encouraging environment to learn and improve in biking for more active lifestyles • Bike to Health Ambassadors Program • Education on health, nutrition, exercise and wellbeing • Supportive environment to engage with biking and health more and grow a health focused community 	
Budget Summary	Funding will support program oversight by the Deputy Director, dedicated management and coordination by the Program Manager, and event support from certified instructors. Funding will also support Ambassador training, including stipends to encourage participation and resources for course development, thereby expanding the Bike to Health program's reach and accessibility.

Caring Minds

Program Title	Mind Forward	Recommended Amount: \$30,000
Program Abstract & Target Population	<p>Mind Forward is a culturally tailored dementia prevention program for Cantonese-speaking adults aged 40 and above, focusing on reducing 14 evidence-based modifiable risk factors for cognitive decline through structured education and SMART goal-setting. Delivered in Cantonese by trained health educators and community leaders, the program addresses language barriers and cultural stigma by combining didactic instruction, small-group discussions, and standardized materials to promote measurable improvements in physical, cognitive, and social health behaviors.</p>	
Agency Description & Address	<p>1970 Byron Street, Palo Alto, CA 94301 www.caringmindsalliance.org</p> <p>Caring Minds Alliance is a community-based nonprofit organization dedicated to promoting dementia prevention and lifelong cognitive health through evidence-based education and lifestyle interventions. Grounded in findings from the 2024 Lancet Commission on dementia prevention, we focus on raising awareness of 14 modifiable risk factors linked to cognitive decline. Our structured, multi-session workshops are designed for community members, including Chinese-speaking audiences, and combine accessible educational presentations with interactive small-group coaching. Participants are supported by trained facilitators in developing personalized SMART goals to reduce risk factors through sustainable lifestyle changes. Through culturally and linguistically responsive programming, Caring Minds empowers individuals to take proactive steps toward protecting brain health and strengthening overall well-being across the lifespan.</p>	
Program Delivery Site(s)	<ul style="list-style-type: none"> • Program services will be delivered at community-based partner locations within Santa Clara County, with specific sites to be confirmed. We are currently in discussion with local Chinese-speaking faith-based organizations regarding space use. Finalized partner sites will be confirmed prior to program implementation. 	
Services Funded By Grant	<ul style="list-style-type: none"> • Development and finalization of a standardized Leader Guide to ensure consistent facilitation across six structured workshop sessions • Development and finalization of a culturally tailored Participant Workbook to support learning, goal-setting, and post-session reflection • Six 2-hour Cantonese-language Mind Forward workshops delivered weekly, combining didactic education and small-group SMART goal coaching • Facilitated small-group discussions during each session to support behavioral modification related to dementia risk reduction • Administration of pre- and post-program assessments to measure changes in awareness of modifiable dementia risk factors and confidence in lifestyle management • Collection of structured participant and facilitator feedback following completion of the six-session cohort to inform ongoing quality improvement 	
Budget Summary	<p>Full requested amount funds contracted Program Coordinator and contracted Evaluation and Data Support consultant over 12 months, covering participant recruitment, scheduling, facilitator management, assessment supervision, grant reporting, and financial monitoring. Non-personnel costs cover supplies such as leader guides, participant workbooks, outreach, and health assessments, as well as administrative overhead.</p>

Creative Learning Foundation

Program Title	Hearing Health Education Program		Recommended Amount: DNF	
Program Abstract & Target Population	The Hearing Health Education increases hearing health awareness and access to care for low-income, limited-English proficient Chinese seniors in the local community. Fluent health educators deliver workshops, conduct non-clinical hearing screenings, and provide referrals to appropriate healthcare providers at trusted community sites. The program uses a peer-to-peer health advocacy model to effectively connect underserved seniors with needed resources, without providing medical diagnoses.			
Agency Description & Address	441 De Guigne Drive, Sunnyvale, CA 94085 https://www.clfus.org/ The Creative Learning Foundation (CLF) is a community-based organization dedicated to promoting lifelong learning and healthy living through creative educational opportunities. Our mission is to foster a harmonious and healthy community by bridging linguistic and cultural gaps. CLF specializes in delivering bilingual (English/Chinese) seminars and workshops that empower community members—particularly underserved seniors—to acquire practical knowledge for better well-being. By utilizing trusted local spaces like libraries and churches, we provide accessible resource navigation and education. Our current focus is addressing health disparities, ensuring that isolated individuals lead more informed, connected, and healthy lives.			
Program Delivery Site(s)	Public Libraries <ul style="list-style-type: none"> Sunnyvale Public Library – 665 W Olive Ave, Sunnyvale Mountain View Public Library – 585 Franklin St, Mountain View Cupertino Library – 10800 Torre Ave, Cupertino Los Altos Library – 13 S San Antonio Rd, Los Altos, CA 94022 Chinese Churches (examples) <ul style="list-style-type: none"> Canaan Taiwanese Christian Church – 445 Bernardo Ave, Sunnyvale Home of Christ in Cupertino – 10340 S De Anza Blvd, Cupertino

Pacific Stroke Association

Program Title	Multilingual Stroke Support Program	Recommended Amount: \$20,000		
Program Abstract & Target Population	The program will partner with FQHCs to provide culturally and linguistically appropriate stroke support groups for Spanish-speaking and Multilingual (Mandarin, Vietnamese, Tagalog, Tongan) survivors and caregivers, both in-person and virtually. Multilingual facilitators will lead sessions using translated materials, with a focus on serving underinsured, uninsured, low-income, and ethnic minority populations			
Agency Description & Address	3801 Miranda Avenue, Building 6, Room A-162, Palo Alto, CA 94304 www.pacificstrokeassociation.org Pacific Stroke Association (PSA) is a non-profit organization serving Santa Clara and San Mateo counties, with plans to expand our reach to and other Bay Area counties. PSA's mission is two-fold: to reduce the incidence of stroke through education and to help alleviate stroke's devastating aftermath through programs that support stroke survivors and family caregivers. Our free or low-cost post-stroke programs include weekly and monthly support groups, post-stroke educational forums & lecture series, one-on-one client support via phone and print and production of a comprehensive Post-Stroke Resource Directory. We are committed to empowering people to thrive after stroke.			
Program Delivery Site(s)	<ul style="list-style-type: none"> We will begin our Spanish-speaking and Multilingual services virtually initially, and eventually provide the support groups and educational forums at the MayView Mountain View Clinic at 900 Miramonte Avenue, 2nd Floor, Mountain View, CA 94040. 			
Services Funded By Grant	<ul style="list-style-type: none"> Educational Forums – Our Forums currently include topics such as “Things To Know About AFOs After Stroke” and “Post-Stroke Depression.” Support Groups - Monthly support groups provide stroke survivors and caregivers a place to meet others and find practical information and support Live Exercise Sessions - held every month in partnership with LLAMA, Life-Long Activity through Movement for Aphasia 			
Budget Summary	Full requested amount funds Spanish and other multilingual facilitators, a Program Organizer, and a Program Coordinator to deliver and manage culturally and linguistically appropriate stroke support groups. Non-personnel costs will fund resource directories, educational signage, technology for facilitators, and web design services to support program delivery and outreach.

Mountain View Police Department's Youth Services Unit – Two Year Application

Program Title	Dreams and Futures		Recommended Amount: \$30,000
Program Abstract & Target Population	Youth counselors provide summer enrichment program at Mountain View High School and various field trip sites for underserved 4th through 8th grade youth residing in Mountain View and/or enrolled in Mountain View Whisman School District who are at high risk for violence and/or involvement in gangs, drugs and/or alcohol use.		
Agency Description & Address	1000 Villa Street Mountain View, CA 94041 www.mountainview.gov/our-city/departments/police The Mountain View Police Department's Youth Services Unit sponsors the Dreams and Futures Summer Program. The Dreams and Futures Program was created in the summer of 1996 as a gang prevention program. Since its creation, the program has grown to more than just a gang prevention program to include underserved children in Mountain View who qualify for a variety of reasons. The program services youth within the community and promotes healthy nutrition, physical activity, and healthy minds through various educational blocks of instruction. The Dreams and Futures program promotes continued education to prevent summer learning loss and promotes positive interactions between police and youth, as well as other community partners.		
Program Delivery Site(s)	<ul style="list-style-type: none"> The program takes place at Mountain View High School located at 3535 Truman Avenue, Mountain View, CA, 94040. 		
Services Funded By Grant/How Funds Will Be Spent	<ul style="list-style-type: none"> Our program emphasizes teamwork, self-esteem, decision-making, and communication skills to help youth believe in higher education and take a strong stand against drugs, alcohol, and gangs, which include: Two, 2-week sessions during the summer. One for grades 4th-5th and one for grades 6th-8th. Workshops include conflict resolution, participatory educational activities, and fitness/sports camps (e.g., soccer and basketball) that are coached by police, community volunteers, and youth mentors. Twice a week youth take educational field trips (e.g., The Tech Museum) to excite them about learning and acquaint them with their broader community. We provide a healthy breakfast, lunch, and snacks as many of our participants come from families where there is insufficient food. We teach about healthy lifestyles and good nutrition that addresses their future risk of obesity and diabetes. Participation is free for participants. 		
Budget Summary	Full requested amount funds youth counselor salaries, program supplies, healthy meals and snacks and field trip fees.

Rebuilding Together Peninsula

Program Title	Safe at Home - minor and major repairs designed to support the economic stability of low-income families, promote aging in place, and improve living conditions.	Recommended Amount: DNF	
Program Abstract & Target Population	Director of Programs, Safe at Home Program Manager, Repair Technicians and Intake Specialist will work with subcontractors and volunteers to carry out home repairs for elderly and disabled low-income homeowners.		
Agency Description & Address	841 Kaynyne Street Redwood City, CA 94063 www.rebuildingtogetherpeninsula.org Rebuilding Together Peninsula's mission is "Repairing homes, revitalizing communities, rebuilding lives." For 36 years, Rebuilding Together Peninsula (RTP) has been the primary agency thousands of low-income neighbors across the Peninsula have turned to for critical repairs and improvements to help them continue to live in safe and healthy homes. RTP has built the expertise and infrastructure to effectively address the repair needs of San Mateo and northern Santa Clara counties' low-income homeowners. Our reputation as experts in rehabilitating and preserving homes for those having to choose between paying for groceries or critical home repairs has made us the trusted resource for local families facing such challenges. Today, with support from skilled staff and 1,000 volunteers, RTP completes approximately 150 repair projects annually.		
Program Delivery Site(s)	<ul style="list-style-type: none"> Homes in Mountain View and Los Altos 		
Services Funded By Grant/How Funds Will Be Spent	<ul style="list-style-type: none"> Over the grant year, RTP will provide minor home repairs to 14 homes in Mountain View and Los Altos. Of these, about 5 will receive a major home repair like a roof replacement or an HVAC replacement. ECHD will support major repairs not currently possible through other sources. Each participant receives five services over a three month period: Apply: Homeowner submits a repair application with income verification requirements; RTP reviews the application and guides the homeowner to complete eligibility documents. Assess: Staff conduct a comprehensive Home Safety Assessment to determine the repairs needed. Scope: Staff develop a Home Safety Plan which details how the repairs will be completed. Repairs: Minor home repairs completed by our experienced repair technicians. Major repairs are completed by trusted subcontractors. Outcomes: Staff review the project and collect feedback through surveys to assess the impact of our work on the homeowner. 		
Budget Summary	Full requested amount funds partial salaries for Director of Programs, Safe at Home Program Manager, Repair Technicians and Intake Specialist as well as a large amount of funds for construction materials, supplies and subcontractors and administrative costs.

Second Harvest of Silicon Valley

Program Title	Alleviate hunger for low-income residents of Los Altos Hills, Mountain View and Sunnyvale by providing easy access to healthy nutritious foods including plenty of fruits and vegetables, high-quality proteins, and healthy grains.	Recommended Amount: DNF
Program Abstract & Target Population	Program provides food distribution of nutritious no-cost food for low-income food insecure clients located at community partner program sites across Los Altos Hills, Mountain View, and Sunnyvale.	
Agency Description & Address	<p>4001 North First Street, San Jose, CA 95134 https://www.shfb.org/</p> <p>Founded in 1974, Second Harvest of Silicon Valley is one of the largest food banks in the nation and a trusted nonprofit leader in ending local hunger. The organization distributes nutritious food through a network of nearly 400 partners at more than 900 sites across Santa Clara and San Mateo counties. Due to the prohibitively expensive cost of living in Silicon Valley and increased prices caused by inflation, Second Harvest is serving an average of nearly 500,000 people every month. Second Harvest also connects people to federal nutrition programs and other food resources, and advocates for anti-hunger policies on the local, state and national levels.</p>

Sunnyvale Community Services

Program Title	Dedicated Benefits Specialist to increase SCS' benefits referral capacity, driving access and equity for vulnerable populations	Recommended Amount: \$50,000
Program Abstract & Target Population	Dedicated Benefits Specialist provides referrals and enrollment in government benefits programs including Medi-Cal, Medicare, SSDI, CalFresh, utility assistance and survivor benefits. The program aims to connect economically unstable individuals and families with public benefits that promote self-sufficiency. The Specialist will collaborate directly with SCS case managers to identify client needs, facilitate applications, and provide hands-on assistance to clients facing barriers to enrollment as well as providing targeted training to case managers for more efficient and effective benefits navigation for clients.	
Agency Description & Address	1160 Kern Avenue Sunnyvale, CA 94085 http://www.svcommunityservices.org Since 1970, Sunnyvale Community Services (SCS) has been dedicated to preventing homelessness and hunger. As one of Santa Clara County's seven Emergency Assistance Network (EAN) agencies, SCS is a safety net hub for underserved residents. We are the primary EAN agency for all zip codes in Sunnyvale, and practice "no wrong door" to connect any County residents to basic services. We offer low-income families and individuals access to healthy food, financial assistance, health care and other benefit referrals, and wrap-around case management. SCS hosts dozens of partner agencies for "one-stop" access to medical, legal, educational, and financial resources, helping residents to access the support they are entitled to receive, and building a path to stability so they can thrive in our community.	
Program Delivery Site(s)	<ul style="list-style-type: none"> 1160 Kern Avenue, Sunnyvale, CA 94085 	
Services Funded By Grant/How Funds Will Be Spent	<ul style="list-style-type: none"> ECHD funds for a dedicated Benefits Specialist will be spent on supporting the Specialist's salary, including taxes and benefits. SCS will cover other overhead costs. The activities this Benefits Specialist will support include: Provide expert assistance and advocacy for client enrollment in public benefits programs, including Medi-Cal, Medicare, SNAP, SSDI, and other critical resources, Ensuring eligible clients receive timely access to support. Offer daily guidance and consultation to the SCS Case Management team, serving as the primary resource for questions, updates, and strategies related to benefits navigation. Develop and deliver quarterly, targeted benefits training for the SCS Case Management team, ensuring all staff are fully informed about current programs and best practices for connecting clients with resources. Deliver intensive, hands-on support to clients facing complex barriers to benefits access, including eligibility challenges, application difficulties, and navigating evolving government requirements. 	
Budget Summary	Full requested amount funds benefits specialist salary and benefits, some language support program costs and administrative overhead.

WANDA Women and Allies

Program Title	Economic Stability and Independent Living Pathways for Low-Income Single Mothers	Recommended Amount: DNF
Program Abstract & Target Population	Curriculum educators provide financial resilience and housing stabilization for low-income single mothers living, working, or attending school in Cupertino, Sunnyvale, and Mountain View to reduce economic stressors that contribute to housing instability, food insecurity, and poor health outcomes by strengthening income capacity, improving credit positioning, increasing access to asset ownership, and building long-term financial self-sufficiency.	
Agency Description & Address	650B Fremont Avenue Los Altos, CA 94024 https://womenandallies.org WANDA advances economic opportunity and financial stability for striving single mothers living, working, or attending school in San Mateo and Santa Clara Counties. Through financial capability education paired with a 2:1 matched savings program, participants invest in wealth-building assets including homeownership, education, small businesses, and retirement accounts. To date, women in our program have collectively saved and invested more than \$1.8 million. WANDA's cohort-based model also strengthens credit, income pathways, confidence, and leadership development. The majority of participants are women of color living at or below 60% of Area Median Income. By integrating education, investment, and empowerment, WANDA supports long-term financial resilience and generational mobility for single-mother families.	
Program Delivery Site(s)	<ul style="list-style-type: none"> WANDA operates as a primarily virtual organization. Monthly cohort sessions and individual financial coaching are delivered through secure virtual platforms accessible to participants residing in Cupertino, Sunnyvale, and Mountain View. When in-person sessions are offered, WANDA utilizes community-based locations within the targeted districts. Historically, sessions have been hosted at the Los Altos Community Center. Specific in-person locations are determined prior to cohort launch to ensure accessibility for enrolled participants. 	
Services Funded By Grant/How Funds Will Be Spent	<ul style="list-style-type: none"> Monthly bilingual (English/Spanish) cohort-based financial capability sessions (60-90-minute sessions over 12 months) 2:1 matched savings program supporting investment in wealth-building emergency savings and assets, including homeownership, education, retirement, and small business development (12-36 month savings period) Optional individual financial coaching sessions (one-hour sessions, scheduled as needed) Credit-building education and savings tracking integrated throughout the program Career positioning guidance and referrals to workforce development partners, as appropriate Referrals to affordable housing providers and housing stabilization resources Referrals to social services supporting living stability, including additional emergency rent assistance Alumnae engagement and peer network gatherings (biannual, bilingual as needed)
