AGENDA
SPECIAL MEETING OF THE
EL CAMINO HEALTHCARE DISTRICT
BOARD OF DIRECTORS

Wednesday, April 15, 2020 – 9:15pm
El Camino Hospital | 2500 Grant Road Mountain View, CA 94040

PURSUANT TO STATE OF CALIFORNIA EXECUTIVE ORDER N-29-20 DATED MARCH 18, 2020, THE EL CAMINO HEALTHCARE DISTRICT WILL NOT BE PROVIDING A PHYSICAL LOCATION FOR THIS MEETING. INSTEAD, THE PUBLIC IS INVITED TO JOIN THE OPEN SESSION MEETING VIA TELECONFERENCE AT:

1-866-365-4406, MEETING CODE: 9407053#

PURPOSE: The purpose of the District shall be (i) to establish, maintain and operate, or provide assistance in the operation of, one or more health facilities (as that term is defined in California Health and Safety Code Section 1250) or health services at any location within or without the territorial limits of the District, for the benefit of the District and the people served by the District; (ii) to acquire, maintain and operate ambulances or ambulance services within or without the District; (iii) to establish, maintain and operate, or provide assistance in the operation of free clinics, diagnostic and testing centers, health education programs, wellness and prevention programs, rehabilitation, aftercare, and such other health care services provider, groups, and organizations that are necessary for the maintenance of good physical and mental health in the communities served by the District; and (iv) to do any and all other acts and things necessary to carry out the provisions of the District’s Bylaws and the Local Health District Law.

| 6. COMMUNITY BENEFIT SPOTLIGHT: CHAC | Barbara Avery, Director, Community Benefit, introduced Marsha Deslauries, Executive Director, Community Health Awareness Council (CHAC). Ms. Deslauries provided an overview of CHAC, an organization that provides a variety of counseling services. She described their programming: (1) at their community clinic in Mountain View: a family resource center, Latinx Program, counseling, substance and technology abuse program, an assessment clinic, and LGBTQ+ groups and (2) for the Sunnyvale School District regarding prevention and intervention. She thanked the Board and the Community Benefit team for their support. In response to Director Zoglin’s questions, Ms. Deslauries described trainings related to vaping and the sliding fee scale (on average $33/hour) for services provided at CHAC’s facility. She also noted that there is a 4-week waiting list for services. | Resolution 2020-01 approved |
In response to Director Ting’s question, Ms. Deslauries noted that partnerships are crucial for CHAC’s work, including with the After-School Program Interventions and Resiliency Education® (ASPIRE) Program and the mental health and addiction services staff at ECH.

The Board thanked Ms. Deslauries for her work.

**Motion:** To approve Resolution 2020-01.

**Movant:** Miller

**Second:** Zoglin

**Ayes:** Fung, Kalbach, Miller, Ting, Zoglin

**Noes:** None

**Abstentions:** None

**Absent:** None

**Recused:** None

### 7. FY20 YTD FINANCIALS

| Itikhar Hussain, CFO, provided an overview of the Period 6 District financials, highlighting:
| - The consolidated balance sheet is strong, with a good cash position.
| - Operating margin is $6 million ahead of budget, driven by stronger revenues, which in turn are driven by Hospital volume.
| - The variance on the standalone balance sheet is primarily due to 1) the distribution of funds to the Hospital for the Women’s Hospital capital project, which was approved by the Board in June 2019 and 2) tax monies coming in that will be set aside for community benefit.
| - The District’s revenue is favorable, due to timing differences in IGT matching funds. Also, expense variance is primarily due to outlays for Community Benefit programming, which are paid twice annually, but are budgeted evenly over the year.

**Motion:** To approve the ECHD FY20 Year-to-Date Financials.

**Movant:** Miller

**Second:** Ting

**Ayes:** Fung, Kalbach, Miller, Ting, Zoglin

### 8. EXISTING MAYVIEW COMMUNITY CLINIC GRANT FUNDING TRANSFER TO RAVENSWOOD

| Cecile Currier, VP, Corporate & Community Health Services and President, CONCERN:EAP, explained that Ravenswood, a family health center in East Palo Alto, will be acquiring MayView. She noted that MayView’s services provided, patients served, and locations will remain the same (clinics in Mountain View and Sunnyvale, and corporate offices and clinic in Palo Alto).
| The targeted transition of Ravenswood’s acquisition of MayView is on track for April 1, 2020.
| Ms. Currier reported that community benefit grants are paid in two installments (in January and July) and that $300,000 (the last three months of the grant year) was held back from MayView’s second payment. She explained that the request before the Board is to authorize the CEO to execute a Consent Agreement for Ravenswood to receive the remaining funds for the MayView clinics; Ravenswood will assume MayView’s responsibilities for their grant. She noted that with the support from

**Authorization approved**
Ravenswood’s size and infrastructure MayView clinics will be able to install Epic and provide dental services.

In response to Director Miller’s question, Ms. Currier explained that:

- The District Board approved an additional $500,000 for MayView in June 2019 to support them through a transitional period with a difficult cash position.
- The Consent Agreement will be signed between MayView, Ravenswood, and ECH, and will require that grant funding be designated for the Mountain View and Sunnyvale MayView clinics and be used for the provision of care to patients who live, work, or go to school in the El Camino Healthcare District.

The Board expressed concerns about tracking these funds and ensuring that they go to District residents. Ms. Currier commented that the staff will largely be the same and those reports will be monitored closely.

Director Fung expressed concerns about the recent increase in funding to MayView and the lack of acknowledgement of an acquisition by Ravenswood. Ms. Currier noted that MayView had submitted a formal application to become a Federal Qualified Health Center (FQHC), but were not granted that status. She commented that the patients remain the same—uninsured patients who need primary care services—and she would encourage an application from Ravenswood for continued grant funding to support the MayView clinics.

In response to Director Miller’s question, Ms. Currier noted that, from her understanding, Ken Graham will probably be leaving MayView, but the rank and file staff (providing clinical, finance, and patient services) will remain the same.

Director Miller suggested learning more about the proposed County clinic in the area and what kinds of services it will be providing.

**Motion:** To authorize the CEO to execute the proposed Consent to Assignment of Grant Agreement.

### 9. COMMUNITY BENEFIT AD HOC COMMITTEE REPORT

Director Fung, Ad Hoc Committee member, described the Ad Hoc Committee’s research into what makes a successful Community Benefit program including review of literature on this topic and meetings with staff. He commented that the desire is to establish the best Community Benefit program, with optimal utilization of tax dollars to promote health and wellness in the community.

Director Fung expressed concerns about 1) “rubber stamping” the recommendations forwarded by the CBAC for the Board’s consideration, 2) that there is only one District Board liaison to the CBAC, 3) the infrequency of reporting/feedback through the Board liaison between the CBAC and the Board, and 4) the discussions where the CBAC reviews grant applications.

Director Fung described areas of opportunity identified by the Ad Hoc Committee: 1) Board oversight and accountability, 2) public transparency,
and 3) effectiveness. He reported that the Ad Hoc Committee’s recommendation is to make the Community Benefit Advisory Council (CBAC) a Committee of the District Board, with two district Board members utilizing the same members from community and support staff.

Director Fung noted that less ideal options would be to 1) have more frequent CBAC presentations to the Board or 2) to have the CBAC continue as a staff committee but with two liaisons from the District Board. Director Fung suggested that, regardless of the option chosen, 1) the CBAC meetings should have regular public notices, disclosures, and input from the community and 2) there should be a clear mission and vision statement.

Directors Zoglin, Kalbach, and Ting expressed their opposition to the CBAC becoming a District Board committee.

Board discussion included the following topics: 1) wanting to clearly identify the problem that needs to be solved, 2) the specific charge for the Ad Hoc Committee’s work, 3) concerns about elected officials using the CBAC to support organizations in their personal interest, 4) the desire to have more frequent dialogue at the District Board level about the CBAC’s work, 5) soliciting broader input and increasing outreach efforts, and 6) developing a more strategic multi-year plan and partnerships in addition to aligning efforts with the triennial Community Health Needs Assessment (CHNA).

Dan Woods, CEO, commented that:

1. Regarding accountability: the grantees’ metrics (over 200 metrics for 54 grants) that are tracked by the organizations and staff are developed using the SMART (Specific, Measureable, Achievable, Realistic, Timeframe) goal-setting methodology.
2. On transparency: the study session provides an opportunity to be transparent and solicit additional feedback; he noted that the CBAC was set up as working committee for the Board and it is up to the Board how much detail they would like to review following the CBAC’s review.
3. He is in favor of developing a robust multi-year strategic approach that also measures the impact of the Community Benefit program.

Director Miller discussed potential areas of improvement: mission/vision statement, multi-year planning, CBAC membership, and transparency.

Director Miller suggested returning the subject to the Ad Hoc Committee and having a vote on different options in the future. She commented that the charge for the Ad Hoc Committee was to gather information on improving the Community Benefit program. Director Zoglin suggested have a timeline for reviewing any potential changes to the program in order to make a decision on implementation and move forward.

Director Fung commented that the Ad Hoc Committee has completed its work, “to review this topic and come up with suggestions.” He expressed disappointment that there was no specific direction or resolution from the Board.

Director Fung stepped down from the Ad Hoc Committee and the Board discussed potentially including another member to work with Director Miller. Directors Ting and Zoglin declined to participate.

In response to questions from the Board, Mary Rotunno, General Counsel, confirmed that an Ad Hoc Committee can exist with one Board member;
there is no requirement for it to have two.

The Board requested that the Ad Hoc Committee (consisting of Director Miller) provide a report at the District’s May 2020 meeting.

Chair Kalbach thanked Director Fung for his work.

| 10. DRAFT REVISED PROCESS FOR ELECTION AND RE-ELECTION OF NON DISTRICT BOARD MEMBERS TO THE ECH BOARD |
| Chair Kalbach explained that this Process was recommended for approval by the Governance Committee and Hospital Board. |
| In response to Director Zoglin’s questions, the Board discussed two points of clarification: |
| - Section 7: The NDBM Ad Hoc Committee makes a recommendation to the District Board about who should be interviewed rather than selecting a specific candidate for the Board to elect. |
| - Section 4: The process as written does not preclude the District Board from going out and seeking additional candidates if it chooses not to immediately re-appoint a Hospital Board member. The Board discussed how it would be important to be respectful of the current member kept in consideration, and to frame the conversation that the Board is pursuing a particular skill set. |
| Director Ting commented that the process generally should be broad, as the Board cannot anticipate everything that will be needed in the future. |
| The Board did not request any additional changes to the Process beyond the proposed revisions outlined in the materials. |
| **Motion:** To approve the Revised Process for Election and Re-Election of Non-District Board Members (NDBMs) to the El Camino Hospital Board of Directors (“Process”). |
| **Movant:** Fung |
| **Second:** Ting |
| **Ayes:** Fung, Kalbach, Miller, Ting, Zoglin |
| **Noes:** None |
| **Abstentions:** None |
| **Absent:** None |
| **Recused:** None |

| 11. FY20 PACING PLAN |
| There were no questions on the pacing plan. |
| Cindy Murphy, Director of Governance Services, noted that an Ad Hoc Committee Report will be paced for the May 2020 meeting. |

| 12. ADJOURN TO CLOSED SESSION |
| **Motion:** To adjourn to closed session at 7:01pm pursuant to Gov’t Code Section 54957.2 for approval of Minutes of the Closed Session of the District Board Meeting (10/22/2019); pursuant to Gov’t Code Section 54956.9(d)(2) – conference with legal counsel – pending or threatened litigation: CEO Report; pursuant to Health & Safety Code Section 32106(b) for a report involving health care facility trade secrets: Real Estate Update; pursuant to Gov’t Code Section 54957 for discussion and report on personnel performance matters – Senior Management: Executive Session. |
| **Movant:** Miller |
| **Second:** Fung |
| **Ayes:** Fung, Kalbach, Miller, Ting, Zoglin |

| **Absent:** None |
### 13. AGENDA ITEM 19: RECONVENE OPEN SESSION/ REPORT OUT

Open session was reconvened at 8:06pm. Director Ting was absent at the beginning of the second open session. Agenda items 13-18 were addressed in closed session.

During the closed session, the Board approved the Minutes of the Closed Session of the District Board Meeting (10/22/2019) by a unanimous vote in favor of all members present (Directors Fung, Miller, Kalbach, Ting, and Zoglin).

### 14. AGENDA ITEM 20: BOARD COMMENTS

There were no comments from the Board.

### 15. AGENDA ITEM 21: ADJOURNMENT

**Motion:** To adjourn at 8:07pm.

**Movant:** Fung  
**Second:** Zoglin  
**Ayes:** Fung, Kalbach, Miller, Zoglin  
**Noes:** None  
**Abstentions:** None  
**Absent:** Ting  
**Recused:** None

Meeting adjourned at 8:07pm

Attest as to the approval of the foregoing minutes by the Board of Directors of El Camino Healthcare District:

____________________________  ____________________________
Gary Kalbach  
Chair, ECHD Board  
Julia E. Miller  
Secretary, ECHD Board  

Prepared by:  
Cindy Murphy, Director of Governance Services  
Sarah Rosenberg, Contracts Administrator/Governance Services EA
To: El Camino Healthcare District Board of Directors
From: Mary Rotunno, General Counsel; Cindy Murphy, Director of Governance Services
Date: April 15, 2020
Subject: Draft Resolution 2020-02 Declaring a Local Emergency

Recommendation:

To approve Draft Resolution 2020-02: Declaring a Local Emergency.

Summary:

1. **Situation**: The Santa Clara County Public Health Department reported its first known case of COVID-19 on January 31, 2020. As of April 7, 2020, the County had reported a total of 1,285 cases and 43 deaths. On February 3, 2020, the County of Santa Clara Public Health Officer proclaimed a local health emergency and on February 10, 2020 the Board of Supervisors ratified it. On March 10, 2020, the Board of Supervisors extended it until April 9, 2020. Because the number of new COVID-19 cases over the last week (April 1 – April 7, 2020) remains fairly steady at an average of 54 new cases per day, we expect the County will further extend its declaration of local health emergency. As well, the number of COVID-19+ hospitalized patients across the County continues to increase (277 as of April 7, 2020). Due to COVID-19, the El Camino Healthcare District and its affiliated healthcare facilities are exposed to an increase in costs to address the disease.

2. **Authority**: Declaration of a local emergency will support healthcare district cost recovery of district emergency related expenditures from federal and state sources,

3. **Background**: The purpose of an emergency declaration by the El Camino Healthcare District (“District”) in concert with those already declared by the state, county and other healthcare entities, is to make available recovery and response resources to protect our ability to provide comprehensive health and hospital services to the community during the COVID19 pandemic. Federal and state funding through FEMA, the CARES Act and other programs, is being offered to hospitals to partially mitigate the extraordinary costs of pandemic-related services, supplies, equipment and labor, and necessary suspension of normal hospital operations during the COVID19 pandemic. The declaration facilitates the District’s timely application to these programs and coordination with relevant county, state and federal emergency response agencies.

4. **Assessment**: Approval of Resolution 2020-02 will enhance the District’s ability to apply to recover costs of any District emergency related expenditures from federal and state sources.

5. **Other Reviews**: The CEO and CFO support this request. It has not been reviewed by any Board Committee.

6. **Outcomes**: Potential cost recovery of emergency related expenditures from federal and state sources.

List of Attachments:

1. Draft Resolution 2020-02 Declaring a Local Emergency

Suggested Board Discussion Questions: N/A
RESOLUTION OF THE BOARD OF DIRECTORS OF THE
EL CAMINO HEALTHCARE DISTRICT
DECLARING A LOCAL EMERGENCY

WHEREAS, the El Camino Healthcare District (“District”) is a healthcare district duly formed and operating under the Local Health Care District Law set forth in Health & Safety Code section 32000 et. seq.; and

WHEREAS, Government Code section 8634 allows special district boards, or designated officials to enact rules and regulations to protect life and property during an emergency; and

WHEREAS, conditions of disaster or of extreme peril to the health and safety of persons and property have arisen both internationally and within the United States as a result of the introduction of the novel coronavirus (“COVID-19”), a novel communicable disease which led to California Governor Gavin Newsom, to proclaim a State of Emergency for California on March 4, 2020; and

WHEREAS, currently COVID-19 has spread globally to more than 70 countries, infecting hundreds of thousands of persons and causing fatalities worldwide. Due to the expanding list of countries with widespread transmission of COVID-19, and increasing travel alerts and warnings for countries experiencing sustained or uncontrolled community transmission issued by the Centers for Disease Control and Prevention (“CDC”), COVID-19 has created conditions that are likely to be beyond the control of local resources and require the combined forces of other political subdivisions to combat this virus; and

WHEREAS, a local health emergency was proclaimed by the County of Santa Clara Public Health Officer on February 3, 2020, ratified by the Board of Supervisors on February 10, 2020, and thereafter extended by the Board of Supervisors on March 10, 2020 until April 9, 2020; and

WHEREAS, the CDC confirmed person-to-person transmission of COVID-19 in the United States, raising the possibility of community transmission occurring in the general public. This has resulted in a Federal Declaration of National Emergency as declared by President Donald Trump on March 13, 2020; and

WHEREAS, the District’s ability to mobilize local resources, accelerate procurement of vital supplies, use mutual aid, and seek future reimbursement by state and federal governments will be critical to successfully responding to COVID-19; and

WHEREAS, these conditions warrant and necessitate that the District declare the existence of a local emergency; and

WHEREAS, Government Code section 8685 et seq. allows special districts to receive an allocation of funds under the California Disaster Assistance Act;
WHEREAS, Health & Safety Code section 32136 allows healthcare districts to let contracts for work to be done or for materials and supplies to be furnished, sold or leased to the District without following the lowest bid policy, if it first determines that an emergency exists that warrants such an expenditure due to fire, flood, storm, epidemic or other disaster and is necessary to protect public health, safety, welfare or property;

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the El Camino Healthcare District as follows:

1. That the Board of Directors of the District hereby declares the existence of a local emergency as a result of COVID-19 and directs the District staff to take the necessary steps for the protection of life, health and safety.

2. During the existence of said local emergency, the powers, functions, and duties of the District shall be those prescribed by state law and by policies and procedures of the District. The District’s Chief Executive Officer or his/her designee (the “Authorized Officer”) is hereby authorized to implement the District’s existing policies and procedures for emergency operations.

3. To the extent that there are federal or state government work or procurement policies and procedures that must be complied with to receive reimbursement for emergency expenditures, and the District seeks such reimbursement, the District shall comply with such procedures.

4. The District’s Authorized Officer may commit or expend District’s non-budgeted funds for emergency purposes during this state of emergency and the District’s Authorized Officer shall take all reasonable steps to recover such costs from aid or reimbursement available from all sources, including state and federal agencies.

5. The District’s Authorized Officer may suspend the performance of any District contracts as required to comply with public health orders during this period of emergency.

6. The District’s Authorized Officer is hereby authorized to enact on behalf of the District and the District Board any necessary rules and regulations to protect life and property during the state declared emergency as authorized by Government Code section 8634.

7. The District’s Authorized Officer is hereby authorized to implement on behalf of the District and the District Board any suspension of any existing law or regulation ordered by federal, state or local governments that are ordinarily applicable to District operations or governance.

8. The District shall track costs for staffing, supplies, and equipment related to COVID-19 preparation and prevention and forward that information to the District’s Authorized Officer.
9. The District’s Authorized Officer is authorized and directed to take all measures to seek and recover disaster relief funding from all sources, including state and federal agencies.

10. The District shall coordinate District-wide planning, preparedness and response efforts regarding COVID-19 with the Santa Clara County Office of Emergency Services.

11. Actions taken by the District’s Authorized Officer prior to the effective date of this Resolution in response to threats posed by COVID-19 are hereby ratified.

12. The recitals set forth above are incorporated herein and made an operative part of this Resolution.

13. This Resolution shall take effect immediately.

ADOPTED this 15th day of April 2020.
